

Bridgewater Park Primary School

GROWING AND LEARNING TOGETHER

Message from the Executive Principal and Chair of Governors

Dear Applicant,

Thank you for your interest in the position of Principal at Bridgewater Park Primary School.

Bridgewater Park is a growing, family-friendly school in Castlefields, Runcorn. In 2016 our school was rated “good” by Ofsted, having previously been “special measures” in June 2013. We are incredibly proud of this turnaround which reflects the drive and enthusiasm of the entire school community to create a school that provides good quality education for our children. Our motto of “Growing and Learning together” is at the centre of everything we do. We are an inclusive school community and are passionate about every member achieving their full potential.

We are looking for a Principal who will champion the children, families and staff to bring about continued development. We require an enthusiastic and strong leader to come into the role, who will have the well-being of our children at the centre of the school’s development. At the same time we are looking for someone who will cultivate an academic environment that promotes the highest quality of teaching and learning.

Our staff are a team of highly dedicated and passionate people who are committed to significantly impacting on our children’s lives. The relationships that exist within the school community are at the centre of its success.

We are passionate to see the school thrive - we are looking for a Principal who will continue to grow the school’s reputation and influence in the wider community, as well as continue to build on the strong foundations already built within the school.

We thoroughly enjoy being part of The Heath Family (NW) Multi-Academy Trust (www.theheathfamily.org.uk) as we are able to work with other like-minded schools to play our part in improving outcomes across the North West region. We are looking for a Principal who will work well as part of this strategic group to bring about sustainable improvements across the schools.

We welcome your application and encourage you to contact Paul Holloway (Executive Principal) on head@bridgewaterparkprimary.org.uk or telephone 01928 563838 if you wish to arrange a visit.

Yours sincerely,

Paul Holloway (Executive Principal) and Wendy Heap (Chair of Governors)
