

Head of Science Astrea Academy Sheffield

Salary MPS/UPS (+TRL1)
Contract Type Permanent
Working Pattern Full Time
Location Astrea Academy Sheffield, Andover Street, Sheffield, S3 0BE

Closing Date Monday 19th April 2021 at 9am
Interview Date Friday 23rd April 2021

The Role

Astrea Academy Sheffield has an exciting opportunity for a Head of Science

The Head of Science will ensure the highest standards of learning, development and achievement for scholars throughout the Academy. This will be achieved through the clear and effective leadership of the department. The Head of Science will be an integral leader in the Academy and embody a passion for all-through education.

You will be a confident individual with experience working within a similar role and should have the necessary experience or qualification within a certain relevant trade. You will have strong ICT and organisation skills with great written and verbal communication skills.
