Our public exam results are outstanding, and we also place great importance on student and staff wellbeing, outdoor experiences (the Duke of Edinburgh International Award), sports, music and the performing arts.

The parents are supportive and engaged and we are fortunate to have an impressive board of governors to support and guide us.

OUTDOOR EDUCATION

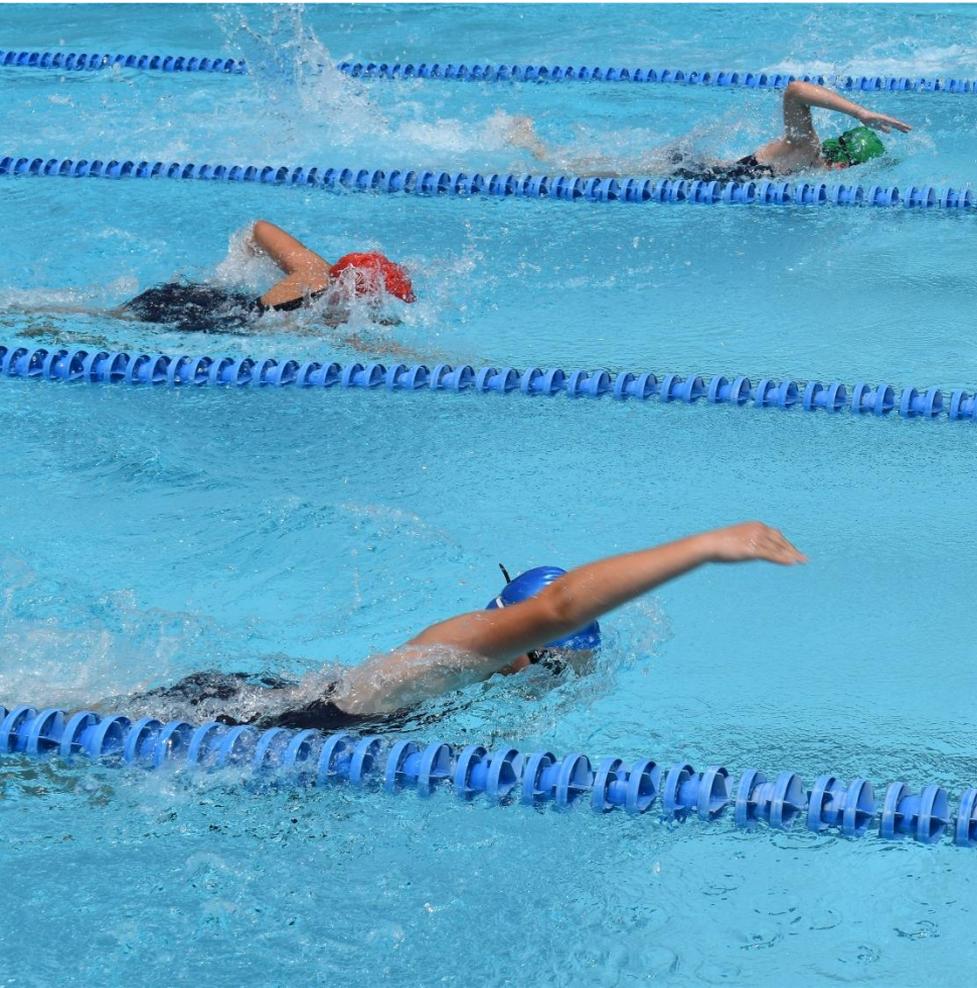

Outdoor education complements traditional academic learning by offering hands-on experiences that make learning more engaging and relevant. It involves activities that help students develop personal and social skills, environmental awareness, and a sense of adventure through outdoor experiences like hiking, camping, and team-building exercises. The goal is to engage students in real-world learning by fostering a connection with nature, enhancing physical activity, and encouraging problem-solving and critical thinking outside the classroom.

The Duke of Edinburgh's International Award

The Duke of Edinburgh's International Award, which has been running worldwide since 1956, is a prestigious and highly-prized, internationally-renowned programme which enables participants' development through a series of self-directed Skill, Physical Recreation and Voluntary Service activities and an overnight expedition.

Participants are required to engage in activities in each of these areas, pushing their limits and broadening their horizons. By completing these challenges, young people not only enhance their personal development but also gain a sense of achievement and self-confidence that lasts a lifetime.

Our students enjoy taking part and it's always exciting to see their personal development as they progress through the Bronze, Silver and Gold levels of the Award.

SPORTS

St. Catherine's British School is well-known for its robust sports program, emphasizing both participation and excellence in various athletic disciplines.

The latter tournament gathers students from British schools across the globe, offering them the chance to compete in sports such as athletics, swimming, and football at renowned venues like the Olympic Stadium and Aquatic Centre in Athens. St. Catherine's often sends teams to these games, promoting sportsmanship and teamwork among its students.

The school's sports curriculum also includes regular interschool matches and participation in local Greek competitions. Working at St. Catherines

“Having worked as a KS2 classroom teacher at St Catherine's since 2004, I very much feel part of the community here and I believe that our school has something special. As a British citizen with a Greek family, I connect with the school's rich multicultural identity and friendly vibe, and I can't envisage working anywhere else. The weather, landscape, food and rich cultural heritage are many of the reasons which led me to Athens, but the people are the reason I'm staying.. ”
