1. Introduction

Exeter School is committed to ensuring the best possible environment for the children and young people in its care. Safeguarding and promoting the welfare of children and young people is our highest priority. The School is also committed to providing a supportive and flexible working environment to all its members of staff. The School recognises that, in order to achieve these aims, it is of fundamental importance to attract, recruit and retain staff of the highest calibre who share this commitment.

The aims of the School's recruitment policy are as follows:

- to ensure that the best possible staff are recruited on the basis of their merits, abilities and suitability for the position;
- to ensure that all job applicants are considered equally and consistently in line with both safer recruitment standards and employment law;
- to ensure that no job applicant is treated unfairly by reason of a protected characteristic as defined within the Equality Act 2010;
- to ensure compliance with all relevant employment and safeguarding legislation, recommendations and guidance including the Education (Independent School Standards) Regulations 2014 (ISSRs), the statutory guidance published by the Department for Education (DfE), Keeping Children Safe in Education (KCSIE), Disqualification Under the Childcare Act 2006 (DUCA), the Prevent Duty Guidance for England and Wales (Prevent Duty Guidance) and any guidance or code of practice published by the Disclosure and Barring Service (DBS); and
- to ensure that the School meets its commitment to safeguarding and promoting the welfare of children and young people by carrying out all necessary pre-employment checks.

Employees involved in the recruitment and selection of staff are responsible for familiarising themselves with and complying with the provisions of this policy. It is applicable to all staff recruitment. All queries on the School's Recruitment, Selection and Disclosure Policy should be directed to the Head of Human Resources.

2. Core principles

Safer recruitment processes will be used for all job roles where individuals will be working with children, young people and vulnerable adults in regulated activity. All advertisements, job descriptions and person specifications for roles involving regulated activities will clearly state the requirement for candidates to undergo appropriate checks and provide relevant information.

The School has a principle of open competition in its approach to recruitment. The School will seek to recruit the best candidate for the job based on merit. The recruitment and selection process should ensure the identification of the person best suited to the job and the School. The School reserves the right to only internally advertise posts.

The School will ensure that the recruitment and selection of staff is conducted in a professional, timely and responsive manner and in compliance with current employment legislation. Any member of staff involved in the selection of staff should satisfy themselves that they are appropriately trained and can comply with the requirements of this policy and procedure and with the Equality Act (2010).

Recruitment and selection is often the first experience an individual has of the school. The School will treat all candidates fairly, equitably and efficiently, with respect and courtesy, aiming to ensure that the candidate experience is positive, irrespective of the outcome. It will promote best practice in recruitment and selection and develop practices to allow new ideas and approaches to be incorporated.

3. Data protection

The School is legally required to carry out the pre-appointment checks detailed in this procedure. Staff and prospective staff will be required to provide certain information to the School to enable the School to carry out the checks that are applicable to their role. The School will also be required to provide certain information to third parties, such as the Disclosure and Barring Service and the Teaching Regulation Agency. Failure to provide requested information may result in the School not being able to meet its employment, safeguarding or legal obligations. The School will process personal information in accordance with its Privacy Notice. Candidates have the right to access information held on them in accordance with general data protection regulations.

4. Recruitment and selection procedure

4.1. Overview of process

There are a number of key stages in recruiting and selecting for a post. This procedure outlines the key stages. Further advice and guidance is available from the HR team.

Proposals for new or additional posts, should be directed to the senior leadership group for consideration. For replacement posts i.e. where approval has been given to fill an existing vacancy, the recruiting manager should contact the Head of Human Resources who will advise on recruitment strategies, job descriptions and person specifications, timelines for recruitment and the formal authorisation to recruit to a post before commencing the recruitment process.

A job description and person specification must be produced or updated for any vacant post. The job description should accurately reflect the elements of the post. The person specification should state both the essential and desirable criteria in terms of skills, aptitudes, knowledge and experience for the job, all of which should be directly related to the job and applied equally to all applicants. Care should be taken when writing the person specification to ensure that criteria used do not indirectly discriminate against certain groups of applicants. For teaching roles there are master, template job descriptions and person specifications. The HR team will support recruiting managers with all the necessary paperwork for recruitment.

Applicants are asked to provide equal opportunities details when making their application to enable a robust means of monitoring the success of recruitment in relation to the School's equality and diversity aims. This information is separate from the job application and candidates are free to indicate that they do not want to provide these details.

All adverts must be placed via the HR team. Vacancies will be placed on the School's website and all teaching vacancies, plus certain operations and professional services roles will also be advertised on TES. Any head-hunters or agencies offering to support recruitment should be referred to the Head of Human Resources, who will coordinate the financial spent for advertising.

4.2. Application form

All applicants for employment will be required to complete the School's agreed application form containing questions about their academic and employment history and their suitability for the role. Incomplete application forms will be returned to the applicant where the deadline for completed application forms has not passed. Checks will be made of previous employment history to ascertain satisfactory reasons for any gaps in employment. These checks will then be checked against references and any discrepancies discussed with the candidate. A CV will not be accepted in place of the completed application form.

Applicants will have access to a job description and person specification for the role applied for, via either the School's website or the TES jobs portal. A copy of the School's child protection policy is available to download from the School's website and can be printed and forwarded to applicants on request.

4.3. Shortlist

The School will conduct a shortlisting exercise by reviewing all fully completed application forms. Shortlisting will usually involve the whole interview panel but must be carried out by a minimum of two people, one of whom would be the recruiting manager, to avoid any possibility of bias.

If a member of staff involved in the recruitment process has a close personal or familial relationship with an applicant they must declare this as soon as they are aware of the individual's application and inform the chair of the interview panel/recruiting manager.

Shortlisting will be done individually by each panel member and notes of the shortlisting decisions for each applicant will be recorded on the shortlisting grid relevant to the post. Shortlisting is done individually to alleviate unconscious bias.

Where there are a large number of applicants for a role, the shortlisting process may be in two stages, with a long list of candidates invited to take part in long list interview online or telephone before a shortlisting exercise determines which candidates to invite for interview.

All applicants (internal and external) should be assessed objectively against the selection criteria set out in the person specification. Assumptions about the qualities of internal applicants should not be made. In circumstances where an internal applicant is under notice of the end of a fixed term contract or under notice of redundancy and therefore eligible for redeployment considerations they will be offered an interview if they meet the essential criteria for the post.

4.4. Invitation to interview

Interviews should be carried out by a minimum selection panel comprising two people, one of whom should be the recruiting manager. Shortlisted applicants will be invited to attend a formal interview at which their relevant skills and experience will be discussed. All shortlisted applicants will be tested at interview about their suitability to work with children.

All shortlisted applicants will be required to complete a self-declaration form prior to interview in which they will be asked to provide information about their criminal records history and other factors relevant to their suitability to work with children. This information will be considered and discussed with applicants at interview.

Shortlisted applicants should be provided with details of the selection process, including any tests, in writing giving as much prior notice as possible. In accordance with the Equality Act, they will also be

asked to advise if there are any particular arrangements or reasonable adjustments that could be made so that they can participate fully in the selection process.

It is recommended that a range of selection methods are used that are suitable for assessing both the essential and desirable criteria in the person specification as this will enhance objective decision making which is difficult through interview alone. For teaching roles this will include applicants teaching a class and being observed.

Interview questions and the structure of the interview should be consistently applied to all applicants and should be based on the person specification.

Notes recording the salient points of the interview should be taken, ideally by the interviewers, so that they can refer back to these when assessing applicants against the person specification and making decisions. Notes of the interview and any other notes on the applicant taken during the recruitment and selection process should be passed back to the HR Administrator following the selection process and will be kept for a minimum of 6 months following the selection process.

Unsuccessful interview applicants should be dealt with courteously and sensitively and will, be informed verbally, in a timely manner, by the chair of the panel prior to receiving written notification of the outcome of the selection process.

4.5. Conditional offer

It is recognised that in many cases it is desirable to make a verbal offer very shortly after the formal interview to enhance the School's ability to recruit the selected applicant. In such cases the verbal offer will normally be made by the Head, Head of Junior School or Bursar, or their nominee, in line with the salary and terms and conditions advertised. Advice on offers can be sought from the Head of Human Resources. **All** offers will be conditional on the following:

- the agreement of a mutually acceptable start date and the signing of a contract incorporating the School's standard terms and conditions of employment
- verification of the applicant's identity (where that has not previously been verified)
- verification of qualifications, whether professional or otherwise, which the School takes into account in making the appointment decision, or which are referred to in the application form, whether a requirement for the role or not
- verification of the applicant's employment history
- the receipt of two references (one of which must be from the applicant's most recent employer) which the School considers to be satisfactory
- for positions which involve "teaching work", information about whether the applicant has ever been referred to, or is the subject of a sanction, restriction or prohibition issued by the Teaching Regulation Agency which renders them unable or unsuitable to work at the School
- for applicants who have carried out teaching work outside the UK, information about whether the applicant has ever been referred to, or is the subject of a sanction issued by a regulator of the teaching profession in any other country which renders them unable or unsuitable to work at the School

- where the position amounts to "regulated activity" (see section 6.4.2 below) the receipt of an enhanced disclosure from the DBS which the School considers to be satisfactory
- where the position amounts to "regulated activity" (see section 6.4.2 below) confirmation that the applicant is not named on the Children's Barred List*
- information about whether the applicant has ever been subject to a direction under section 142 of the Education Act 2002 which renders them unable or unsuitable to work at the School
- for management positions, information about whether the applicant has ever been referred to the Department for Education, or is the subject of a direction under section 128 of the Education and Skills Act 2008 which renders them unable or unsuitable to work at the School
- confirmation that the applicant is not disqualified from acting as a trustee / governor or senior manager of a charity under the Charities Act 2011.
- confirmation that the applicant is not disqualified from working in connection with early or later years provision.
- verification of the applicant's medical fitness for the role.
- verification of the applicant's right to work in the UK; and
- any further checks which the School decides are necessary as a result of the applicant having lived or worked outside of the UK which may include an overseas criminal records check, certificate of good conduct or professional references.

*The School is not permitted to check the Children's Barred List unless an individual will be engaging in "regulated activity". The School is required to carry out an enhanced DBS check for all staff, supply staff and governors who will be engaging in regulated activity. However, the School can also carry out an enhanced DBS check on a person who would be carrying out regulated activity but for the fact that they do not carry out their duties frequently enough i.e. roles which would amount to regulated activity if carried out more frequently.

Whether a position amounts to "regulated activity" must therefore be considered by the School in order to decide which checks are appropriate. The School's starting position is that every role will be deemed regulated activity (unless there is an exceptional reason that this is not the case) and as such the School will be able to carry out an enhanced DBS check and a Children's Barred List check.

5. Artificial intelligence

The School does not use artificial intelligence software as a decision-making tool at any stage of the recruitment process, including in respect of external and internal applications and promotion proposals.

6. Pre-employment checks

In accordance with the recommendations set out in KCSIE, DUCA and the requirements of the ISSRs the School carries out a number of pre-employment checks in respect of all prospective staff.

In fulfilling its obligations, the School does not discriminate on the grounds of race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age.

See section 6.4.4 regarding starting work for the process for when all checks have been completed and the DBS disclosure has been applied for but is pending receipt.

6.1. Online searches

In addition to the checks set out below, the School reserves the right to obtain such formal or informal background information about an applicant as is reasonable in the circumstances to determine whether they are suitable to work at the School. In accordance with paragraph 226 of KCSIE this will include online searches on shortlisted candidates (**online searches**). The online searches the School carries out may include searches of internet search engines, websites and social media platforms. Applicants are asked in the application form to provide details of their online profile, including account names, social media and professional networking site handles, and details of websites on which the applicant is featured or named. This information will be used to carry out online searches. Applicants are not required to provide account passwords or to grant the School access to social media or professional networking accounts content that is not publicly available. However, if information (such as profile pictures and/or account bios) is publicly available when a social media or professional networking site account is locked and can therefore be viewed by the School it may be taken into account as part of the online search.

Online searches may be carried out at the shortlisting stage or after an offer of employment has been made (but prior to work commencing). The School will not carry out online searches as part of its initial sift of applications.

The School will determine how it approaches online searches on a case by case basis. However, all applicants for a role at the School will be treated consistently with regard to online searches.

Wherever possible online searches will be undertaken by a person who will play no other part in the recruitment process (including the shortlisting exercise) or the appointment decision. In carrying out online searches the School is looking for any publicly available information about an applicant that:

- may be relevant to their suitability to carry out the role for which they have applied;
- may be relevant to their suitability to work at the School or in an education setting;
- is of a safeguarding nature; and / or
- may have an impact on the School's reputation (whether positive or negative)

Where online searches are undertaken on shortlisted applicants any relevant information generated will be provided to the interview panel for discussion with shortlisted applicants at interview. Where online searches are undertaken on the successful applicant only any relevant information generated will be discussed prior to employment commencing. All offers of employment will be conditional upon the School being satisfied that the successful applicant is suitable to work at the School in light of any information generated from online searches.

In evaluating any online information for relevance the School will use the following criteria:

- whether the information is relevant to the position applied for;
- whether the information is relevant to the applicant's suitability to work at the School or in an education setting;
- whether the information could have an impact on the School's reputation (whether positive or negative);

- whether the information calls into doubt the applicant's willingness or ability to uphold the School's commitment to safeguarding and promoting the welfare of children;
- the length of time since the information became publicly available and whether the applicant's circumstances have changed since the information was published;
- whether the information reveals a pattern of concerning behaviour; and
- the relevant circumstances and the explanation(s) offered by the applicant.

For successful candidates, the School will retain information generated through online searches for the duration of the individual's employment and in accordance with its Retention of Records Policy after employment ends.

For unsuccessful candidates, the School retains the information generated from online searches for six months from the date on which they are informed their application was unsuccessful, after which it will be securely destroyed. Verification of identity, address, right to work in the UK and qualifications.

6.2. Verification of identity, address, right to work in the UK and qualifications

All applicants who are invited to an interview will be required to bring with them evidence of identity, right to work in the UK, address and qualifications.

The School asks for this information at interview to ensure that the person attending interview is who they claim to be, that they are permitted to work for the School if appointed and that they hold appropriate qualifications.

Identity and address: all applicants must bring with them to interview, original documents which evidence their identity and address as set out below and in the list of valid identity documents at Appendix 1 (these requirements comply with DBS identity checking guidelines):

- one document from Group 1*; and
- two further documents from either of Group 1*, Group 2a or Group 2b, one of which must verify the applicant's current address; and

(*applicants must always provide their birth certificate as one form of identity unless there is good reason why this cannot be provided).

Where an applicant claims to have changed their name by deed poll or any other means (e.g. marriage, adoption, statutory declaration) they will be required to provide documentary evidence of the change. They will also be required to provide their birth certificate.

The School asks for the date of birth of all applicants in order to verify identity and check for any unexplained discrepancies in the employment and education history. The School does not discriminate on the grounds of age.

Right to work in the UK: All applicants must also bring to interview a valid form of evidence which confirms their right to work in the UK. Valid forms of evidence can be found in the Home Office 'Right to Work Checklist' <https://www.gov.uk/government/publications/right-to-work-checklist> and in some cases the evidence of right to work in the UK can also be used as evidence of applicant's identity and address for DBS identity checking purposes.

The School will check evidence of applicants right to work in the UK in accordance with the Home Office 'Code of Practice on preventing illegal working: Civil penalty scheme for employers: 6 April 2022' which can be found here: <https://www.gov.uk/government/publications/illegal-working-penalties-codes-of-practice-for-employers>).

Qualifications: all applicants must also bring to interview original documents which evidence any educational and professional qualifications referred to in their application form and / or which the School requests.

Retention of records: the School will retain copies of the documents used to verify candidates' identity, right to work, and qualifications in accordance with the Records Retention policy.

6.3. References

References will be taken up on short listed candidates prior to interview where possible. References may however be taken up after interview by exception / agreement.

Please note that no questions will be asked about health or medical fitness prior to any offer of employment being made.

All offers of employment will be subject to the receipt of a minimum of two references which are considered satisfactory by the School. One of the references must be from the applicant's current or most recent employer. If the current / most recent employment does not / did not involve work with children, then a) verification of the most recent period of employment and reasons for leaving should be obtained; and b) the second reference should be from the employer with whom the applicant most recently worked with children. Neither referee should be a relative or someone known to the applicant solely as a friend.

All referees will be asked whether they believe the applicant is suitable for the job for which they have applied and whether they have any reason to believe that the applicant is unsuitable to work with children.

All referees will be sent a copy of the job description and person specification (if appropriate) for the role for which the applicant has applied. If the referee is a current or previous employer, they will also be asked to confirm the following:

- the applicant's dates of employment, salary, job title / duties, reason for leaving, performance, sickness¹ and disciplinary record;
- whether the applicant has ever been the subject of disciplinary procedures involving issues related to the safety and welfare of children (including any in which the disciplinary sanction has expired), except where the issues were deemed to have resulted from allegations which were found to be unsubstantiated, unfounded, false or malicious;
- whether any allegations or concerns have been raised about the applicant that relate to the safety and welfare of children or young people or behaviour towards children or young people, except where the allegation or concerns were found to be unsubstantiated, unfounded, false or malicious; and
- whether the applicant could be considered to be involved in "extremism" (see the definition of "extremism" at section 9 below).

The School will only accept references obtained directly from the referee and it will not rely on references or testimonials provided by the applicant or on open references or testimonials.

¹ Questions about health or sickness records will only be included in reference requests sent out after the offer of employment has been made.

The School will compare all references with any information given on the application form. Any discrepancies or inconsistencies in the information will be taken up with the applicant and the relevant referee before any appointment is confirmed.

Where a reference is not received prior to interview it will be reviewed upon receipt. Any discrepancies identified between the reference and the application form and/or the interview assessment form will be considered by the School. The applicant may be asked to provide further information or clarification before an appointment can be confirmed.

If factual references are received i.e. those which contain limited information such as job title and dates of employment, this will not necessarily disadvantage an applicant although additional references may be sought before an appointment can be confirmed.

The School will always telephone referees to verify the details of the written reference provided.

The School treats all references given or received as confidential which means that the applicant will not usually be provided with a copy.

All references received from a school must be countersigned by the Head of that school as accurate in respect to disciplinary investigations.

Internal candidates who apply for a new role at the School will have their application assessed in accordance with this procedure. References may be taken up on internal candidates as part of the application process and can be provided by colleagues, not involved in the recruitment process, as the School will be the most recent employer and will previously have taken up references from past employers.

6.4. Criminal records check

Prior to 29 May 2013 an enhanced disclosure contained details of all convictions on record (including those which are defined as "spent" under the Rehabilitation of Offenders Act 1974) together with details of any cautions, reprimands or warnings held on the Police National Computer. It could also contain non-conviction information from local police records which a chief police officer considered relevant to the role applied for at the School.

6.4.1. DBS filtering rules

Filtering rules were first introduced on 29 May 2013 when amendments were made to legislation that affected both what an employer can ask an individual in relation to convictions and cautions (for example a self-declaration on an application form of 'do you have any convictions'), and what is disclosed on a Standard or Enhanced DBS certificate. These rules were updated on 28 November 2020 to include these points regarding warnings.

- reprimands and youth cautions will no longer be automatically disclosed on a DBS certificate
- the multiple conviction rule has been removed, meaning that if an individual has more than one conviction, regardless of offence type or time passed, each conviction will be considered against the remaining rules individually, rather than all being automatically disclosed

The following additional change was made on 28 October 2023: all unspent conditional cautions and convictions (as defined by the Rehabilitation of Offenders Act) will be automatically disclosed.

With effect from 29 May 2013 the DBS commenced the filtering and removal of certain specified information relating to old and minor criminal offences from all criminal records disclosures. The filtering rules developed by the DBS and the Home Office designate certain spent convictions and cautions as "protected". "Protected" convictions and cautions are not included in a DBS certificate and job applicants are not required to disclose them during the recruitment process. It is unlawful for an employer to take into account a conviction or caution that should not have been disclosed. If a protected conviction or caution is inadvertently disclosed to the School during the recruitment process it must be disregarded when making a recruitment decision.

A conviction will always be disclosable if it was imposed for a "specified offence" committed at any age. A caution issued for a "specified offence" committed over the age of 18 will always be disclosable. However, a caution issued for a "specified offence" committed under the age of 18 is never disclosable. "Specified offences" are usually of a serious violent or sexual nature, or are relevant for safeguarding children and vulnerable adults. The list of "specified offences" can be found at: <https://www.gov.uk/government/publications/dbs-list-of-offences-that-will-never-be-filtered-from-a-criminal-record-check>. Appendix 2 provides further details on the filtering rules.

6.4.2. Regulated activity

The School applies for an enhanced disclosure from the DBS and a check of the Children's Barred List (now known as an Enhanced Check for Regulated Activity) in respect of all positions at the School which amount to "regulated activity" as defined in the Safeguarding Vulnerable Groups Act 2006 (as amended). The purpose of carrying out an Enhanced Check for Regulated Activity is to identify whether an applicant is barred from working with children by inclusion on the Children's Barred List and to obtain other relevant suitability information. Any position undertaken at, or on behalf of the School will amount to "regulated activity" if it is carried out:

- (a) frequently, meaning once a week or more; or
- (a) overnight, meaning between 2.00 am and 6.00 am; or
- (b) satisfies the "period condition", meaning four times or more in a 30 day period; and
- (c) provides the opportunity for contact with children.

Roles which are carried out on an unpaid / voluntary basis will only amount to regulated activity if, in addition to the above, they are carried out on an unsupervised basis.

It is for the School to decide whether a role amounts to "regulated activity" taking into account all the relevant circumstances. However, nearly all posts at the School amount to regulated activity. Limited exceptions could include an administrative post undertaken on a temporary basis in the School office outside of term time or voluntary posts which are supervised.

6.4.3. The DBS disclosure certificate

The DBS issues the DBS disclosure certificate to the subject of the check only, rather than to the School. It is a condition of employment with the School that the **original** disclosure certificate is provided to the School within two weeks of it being received by the applicant. Original certificates should not be sent by post. A convenient time and date for bringing the certificate into the School should be arranged with the HR Administrator as soon as it has been received. Applicants who are unable to attend at the School to provide the certificate are required to send in a certified copy by post or email within two weeks of the original disclosure certificate being received. Certified copies must be sent to the HR Administrator. Where a certified copy is sent, the original disclosure certificate must still be provided prior to the first day of work or on the first working day.

Employment will remain conditional upon the original certificate being provided and it being considered satisfactory by the School.

6.4.4. Starting work pending receipt of the DBS disclosure

If there is a delay in receiving a DBS disclosure the Head, Head of Junior School and Bursar have discretion to allow an individual to begin work pending receipt of the disclosure certificate. This will only be allowed if all other checks, including a clear check of the Children's Barred List (where the position amounts to regulated activity), have been completed, the DBS check has been applied for and once appropriate supervision and risk assessments have been put in place.

6.4.5. Applicants with periods of overseas residence

DBS checks will still be requested for applicants with recent periods of overseas residence and those with little or no previous UK residence. The School will take into account the "DBS unusual addresses guide" in such circumstances.

For applicants who are living overseas, or who have lived overseas previously, obtaining a DBS certificate may be insufficient to establish their suitability to work at the School. In such cases the applicant will be required to provide additional information about their suitability from the country (or countries) in which they have lived. The School's policy is to request such information from each overseas country in which the applicant has lived for a period of three months or more in the previous five years.

When requesting such information the School has regard to relevant government guidance and will therefore always require the applicant to apply for a formal check from the country in question i.e. a criminal records check (or equivalent) or a certificate of good conduct.

The School recognises that formal checks are not available from some countries, that they can be significantly delayed or that a response may not be provided. In such circumstances the School will seek to obtain further information from the country in question, such as a reference from any employment undertaken in that country.

In addition, where an applicant for a teaching position has worked as a teacher outside of the UK, the School will ask the applicant to obtain from the professional regulating authority of the teaching profession in each country in which they have worked as a teacher, evidence which confirms that they have not imposed any sanctions or restrictions on the applicant and that they are not aware of any reason why the applicant may be unsuitable to work as a teacher. The School will also ask shortlisted applicants (and their referees) to disclose whether they have ever been referred to, or are the subject of a sanction issued by, the regulator of the teaching profession in the countries in which they have carried out teaching work.

Sanctions and restrictions issued by the regulating authority of another country will not prevent a person from working as a teacher at the School. However, the School will take all relevant information into account in determining whether an applicant is suitable to work at the School.

The School may allow an applicant to commence work pending receipt of a formal check from a particular country if it has received a reference and/or letter of professional standing from that country and considers the applicant suitable to start work. Decisions on suitability will be based on all of the information that has been obtained during the recruitment process. Unless expressly waived by the School, continued employment will remain conditional upon the School being provided with the outcome of the formal check and it being considered satisfactory.

If no information is available from a particular country the School may allow an applicant to commence work if they are considered suitable based on all of the information that has been obtained during the recruitment process.

The School will take proportionate risk based decisions on a person's suitability in these circumstances. All suitability assessments must be documented and retained on file

If the formal check is delayed and the School is not satisfied about the applicant's suitability in the absence of that information, the applicant's proposed start date may be delayed until the formal check is received.

6.5. Prohibition from teaching check

The School is required to check whether staff who carry out "teaching work" are prohibited from doing so. The School uses the TRA Teacher Services system to check whether successful applicants are the subject of a prohibition, or interim prohibition order issued by a professional conduct panel on behalf of the TRA.

In addition the School asks all shortlisted applicants to declare whether they have ever been referred to, or are the subject of a sanction, restriction or prohibition issued by, the TRA or other equivalent body in the UK.

Where an applicant is not currently prohibited from teaching but has been the subject of a referral to, or hearing before, the TRA (or other equivalent body) whether or not that resulted in the imposition of a sanction, or where a sanction has lapsed or been lifted, the School will consider whether the facts of the case render the applicant unsuitable to work at the School.

The School applies the definition of "teaching work" set out in the Teachers' Disciplinary (England) Regulations 2012 which states that the following activities amount to "teaching work":

- planning and preparing lessons and courses for pupils;
- delivering lessons to pupils;
- assessing the development, progress and attainment of pupils; and
- reporting on the development, progress and attainment of pupils.

The above activities do not amount to "teaching work" if they are supervised by a qualified teacher or other person nominated by the Head or Head of Junior School. If in any doubt or if the applicant has taught previously, or may teach in future, the check will be undertaken, including for sports coaches.

6.6. Prohibition from management check

The School is required to check whether any applicant for a management position is subject to a direction under section 128 of the Education and Skills Act 2008 which prohibits, disqualifies or restricts them from being involved in the management of an independent school (a **section 128 direction**).

The School will carry out checks for section 128 directions when appointing applicants into management positions from both outside the School and by internal promotion.

This check applies to appointments to the following positions made on or after 12 August 2015:

- Head;
- all posts on the senior leadership team;

- teaching posts which carry a departmental head role; and
- operations and professional services posts on the senior leadership team

The School will assess on a case by case basis whether the check should be carried out when appointments are made to teaching and support staff roles which carry additional responsibilities.

All individuals who are appointed to the governing body will be subject to a section 128 direction check.

The relevant information is contained in the enhanced DBS disclosure certificate (which the School obtains for all posts at the School that amount to regulated activity). It can also be obtained through the TRA Teacher Services system. The School will use either, or both, methods to obtain this information.

In addition the School asks all shortlisted applicants to declare whether they have ever been the subject of a referral to the Department for Education, or are subject to a section 128 direction or any other sanction which prohibits, disqualifies or restricts them from being involved in the management of an independent school.

Where an applicant is not currently prohibited from management but has been the subject of a referral to, or hearing before, the Department for Education or other appropriate body whether or not that resulted in the imposition of a section 128 direction or other sanction, or where a section 128 direction or other sanction has lapsed or been lifted, the School will consider whether the facts of the case render the applicant unsuitable to work at the School.

6.7. Disqualification from acting as a charity trustee or senior manager

6.7.1. Background

Under the Charities Act 2011 it is a criminal offence for a person to act as a trustee or senior manager of a charity when disqualified from doing so. The Charities Act 2011 sets out the grounds on which a person can be disqualified from acting as a trustee or senior manager. These include various spent and unspent criminal offences and other sanctions.

6.7.2. Who is covered

A person is considered to be a charity trustee if they are one of the people who have general control and management of the administration of the charity. In an independent school the trustees will typically be the governors of the school.

Senior managers include those employees who report directly to the charity trustees or have responsibility for the overall management and control of the charity's finances. At the School the disqualification rules will be applicable to all governors, the Head and the Bursar.

There is no single list or register that covers all of the disqualification criteria and the School therefore adopts a pragmatic approach to checking whether a person is disqualified. This is achieved by the use of a self-declaration form and the checking of relevant publicly accessible registers.

6.7.3. Self-declaration

All those who are covered by the disqualification rules are required to complete a self-declaration form to confirm whether, to the best of their knowledge, they are subject to any of the disqualification criteria.

A failure to disclose relevant information, or the provision of false information, which subsequently comes to the School's attention may result in the termination of an appointment as a governor or

senior manager or the withdrawal of an offer of employment and may also amount to a criminal offence.

All those who are required to complete a self-declaration form are also under an ongoing duty to inform the School if there is a change in their circumstances that results or may result in them becoming disqualified from acting as a governor or senior manager.

6.7.4. Checks by the School

To ensure that it has accurate and up to date information the School will also check the following registers in respect of each governor and senior manager who is already in post or is appointed in future:

- the Bankruptcy and Insolvency Register;
- the register of disqualified directors maintained by Companies House; and
- and the register of persons who have been removed as a charity trustee.

6.7.5. Waiver

A person who discloses that one or more of the disqualification criteria is applicable to them may apply to the Charity Commission for a waiver of the disqualification.

The School may at its absolute discretion withdraw an offer of employment for a senior manager or cease or terminate an appointment to the governing body if a waiver application becomes necessary or is rejected by the Charity Commission. The School is under no obligation to await the outcome of a Charity Commission waiver application before taking such action.

6.8. Childcare disqualification requirements

The Childcare Act 2006 (**Act**) and the Childcare (Disqualification) and Childcare (Early Years Provision Free of Charge) (Extended Entitlement) (Amendment) Regulations 2018 (**Regulations**) state that it is an offence for the School to employ anyone in connection with our early years provision (**EYP**) or later years provision (**LYP**) who is disqualified, or for a disqualified person to be directly involved in the management of EYP or LYP.

6.8.1. Definitions

- 6.8.1.1. EYP includes usual school activities and any other supervised activity for a child up to 1 September after the child's 5th birthday, which takes place on the school premises during or outside of the normal school day;
- 6.8.1.2. LYP includes provision for children not in EYP and under the age of 8 which takes place on school premises outside of the normal school day, including, for example breakfast clubs, after school clubs and holiday clubs. It does not include extended school hours for co-curricular activities such as sports activities.

DUCA states that only those individuals who are employed directly to provide childcare are covered by the Regulations. "Childcare" means any form of care for a child, which includes education and any other supervised activity for a child who is aged 5 or under. "Childcare" in LYP does not include education during school hours but does cover before and after school clubs.

6.8.2. Relevant roles

Roles which will be covered by the Regulations are teaching and teaching assistant positions in EYP, and those which involve the supervision of under 8s in LYP. Those who are directly involved in the

management of EYP and LYP include the Head and may also include other members of the leadership team as well as those involved in the day to day management of EYP or LYP at the School.

DUCA contains an express statement that cleaners, drivers, transport escorts, catering and office staff are not covered by the Regulations.

Some roles at the School may involve the provision of childcare in EYP or LYP on an occasional basis. They will not automatically be within the scope of the Regulations and the School will therefore consider whether they do on a case by case basis. The Regulations only apply to a limited number of roles within the School but do extend beyond employees to governors and volunteers who carry out relevant work in EYP or LYP.

6.8.3. Grounds for disqualification

The grounds on which a person will be disqualified from working in connection with EYP or LYP are set out in the Regulations. They are not only that a person is barred from working with children (by inclusion on the Children's Barred List) but also include:

- 6.8.3.1. having been cautioned (after 6 April 2007) for, or convicted of, certain criminal offences including violent and sexual criminal offences against children and adults whether committed in the United Kingdom or overseas;
- 6.8.3.2. various grounds relating to the care of children, including where an order is made in respect of a child under the person's care;
- 6.8.3.3. having been refused registration for the provision of childcare (including nurseries, day care and child minding or other childcare), having been disqualified from any such registration or having had that registration cancelled;
- 6.8.3.4. having been refused an application for registration of a children's home or having had any such registration cancelled; or
- 6.8.3.5. having been prohibited, restricted or disqualified from private fostering.

6.8.4. Self-declaration form

All applicants to whom an offer of employment is made to carry out a relevant role in EYP or LYP will be required to complete a self-declaration form confirming whether they meet any of the criteria for disqualification under the Regulations.

The School will decide whether a role is relevant and within the scope of EYP or LYP by having regard to the guidance in DUCA. Employment with the School in any relevant role will be conditional upon completion of the self-declaration form and upon the applicant not being disqualified.

The School cannot permit any person who is currently disqualified to start work in a relevant role. The School also reserves the right at its absolute discretion to withdraw an offer of employment if, in the opinion of the School, any information disclosed in the self-declaration form renders that person unsuitable to work at the School.

Applicants who have any criminal records information to disclose about themselves must also provide the following information:

- 6.8.4.1. details of the order, restriction, conviction or caution and the date that this was made;
- 6.8.4.2. the relevant court or body and the sentence, if any, which was imposed; and
- 6.8.4.3. a copy of the relevant order or conviction.

Applicants are not required to disclose a caution or conviction for an offence committed in the United Kingdom if it has been filtered in accordance with the DBS filtering rules (see section 6.4.1 above).

For the avoidance of doubt the School does not require applicants to request any criminal records information directly from the DBS. The School only requires applicants to provide relevant information about themselves "to the best of their knowledge".

6.8.5. Waiver of a disqualification

A person who discloses information which appears to disqualify them from working in a relevant role may apply to Ofsted for a waiver of the disqualification. The School may withdraw an offer of employment at its absolute discretion and is under no obligation to await the outcome of an Ofsted waiver application. If a waiver application is rejected the School will withdraw the conditional offer of employment.

6.8.6. Retention of disqualification information

The School will securely destroy any information which is provided by an applicant which is not relevant to the childcare disqualification requirements as soon as it is established that it is not relevant. Where a person appointed to a role at the School is found to be disqualified the School will retain any relevant information only for the period it takes for a waiver application to be heard and the decision communicated to the School, after which it will be securely destroyed.

6.8.7. Continuing duty to disclose change in circumstances

After making this declaration staff in a relevant role are under an on-going duty to inform the School if their circumstances change in a way which would mean they subsequently meet any of the criteria for disqualification. Any failure to disclose relevant information now, or of a future change in circumstances, will be treated as a serious disciplinary matter and may lead to the withdrawal of a job offer or dismissal for gross misconduct.

6.9. Medical fitness

The School is legally required to verify the medical fitness of anyone to be appointed to a post at the School, **after** an offer of employment has been made but **before** the appointment can be confirmed.

It is the School's practice that all applicants to whom an offer of employment is made must complete a Health Questionnaire. If deemed necessary, the School will arrange for the information contained in the Health Questionnaire to be reviewed by the School's medical advisor. This information will be reviewed against the job description (and the person specification if relevant) for the particular role, together with details of any other physical or mental requirements of the role i.e. proposed timetable, extracurricular activities, layout of the School etc. If the School's medical advisor has any doubts about an applicant's fitness the School will consider reasonable adjustments in consultation with the applicant. The School may also seek a further medical opinion from a specialist or request that the applicant undertakes a full medical assessment.

The School is aware of its duties under the Equality Act 2010. No job offer will be withdrawn without first consulting with the applicant, obtaining medical evidence, considering reasonable adjustments and suitable alternative employment.

7. Contractors and agency staff

Contractors engaged by the School must complete the same checks for their employees that the School is required to complete for its staff. The School requires confirmation that these checks have been completed before employees of the contractor can commence work at the School.

Agencies who supply staff to the School must also complete the pre-employment checks which the School would otherwise complete for its staff. Again, the School requires confirmation that these checks have been completed before an individual can commence work at the School.

The School will independently verify the identity of staff supplied by contractors or an agency in accordance with section 6.2 above and will require the provision of the original DBS disclosure certificate before contractor or agency staff can commence work at the School.

8. Volunteers

The School will request an enhanced DBS disclosure and Children's Barred List information on all volunteers undertaking regulated activity with pupils at or on behalf of the School (the definition of regulated activity set out in section 6.4.2 above will be applied to all volunteers).

The School will request an enhanced DBS disclosure without Children's Barred List information on all volunteers who do not undertake regulated activity. This is likely to be because their volunteering duties are subject to regular, day to day supervision by a fully checked member of staff or by a volunteer who the School has deemed appropriate to supervise and ensure the safety of those pupils in their care.

Under no circumstances will the School permit an unchecked volunteer to have unsupervised contact with pupils.

It is the School's policy that a new DBS certificate is required for volunteers who will engage in regulated activity but who have not been involved in any activities with the School for three consecutive months or more. Those volunteers who are likely to be involved in activities with the School on a regular basis may be required to sign up to the DBS update service as this permits the School to obtain up to date criminal records information without delay prior to each new activity in which a volunteer participates.

In addition the School will seek to obtain such further suitability information about a volunteer as it considers appropriate in the circumstances. This may include (but is not limited to the following):

- formal or informal information provided by staff, parents and other volunteers
- character references from the volunteer's place of work or any other relevant source; and
- an informal safer recruitment interview.

9. Visiting speakers and the Prevent Duty

The Prevent Duty Guidance requires the School to have clear protocols for ensuring that any visiting speakers, whether invited by staff or by pupils, are suitable and appropriately supervised.

The School is not permitted to obtain a DBS disclosure or Children's Barred List information on any visiting speaker who does not engage in regulated activity at the School or perform any other regular duties for or on behalf of the School.

All visiting speakers will be subject to the School's usual visitors protocol. This will include signing in and out at Reception, the wearing of a visitor's badge at all times and being escorted by a fully vetted member of staff between appointments.

The School will also obtain such formal or informal background information about a visiting speaker as is reasonable in the circumstances to decide whether to invite and / or permit a speaker to attend the School. In doing so the School will always have regard to the visitors policy, the Prevent Duty Guidance and the definition of "extremism" set out in KCSIE which states:

"Extremism is the vocal or active opposition to fundamental values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. This also includes calling for the death of members of the armed forces."

In fulfilling its Prevent Duty obligations the School does not discriminate on the grounds of race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, gender reassignment, disability or age.

10. Policy on recruitment of ex-offenders

10.1. Background

The School will not unfairly discriminate against any applicant for employment on the basis of conviction or other details disclosed. The School makes appointment decisions on the basis of merit and ability. If an applicant has a criminal record this will not automatically bar them from employment with the School. Each case will be decided on its merits in accordance with the objective assessment criteria set out in paragraph 10.2 below.

All positions within the School are exempt from the provisions of the Rehabilitation of Offenders Act 1974. All applicants must therefore declare all previous convictions and cautions, including those which would normally be considered "spent" except those received for an offence committed in the United Kingdom if it has been filtered in accordance with the DBS filtering rules (see section 6.4.1 above).

A failure to disclose a previous conviction (which should be declared) may lead to an application being rejected or, if the failure to disclose is discovered after employment has started, may lead to summary dismissal on the grounds of gross misconduct. A failure to disclose a previous conviction may also amount to a criminal offence.

It is unlawful for the School to employ anyone who is barred from working with children. It is a criminal offence for any person who is barred from working with children to apply for a position at the School. The School will make a report to the police and / or the DBS if:

- it receives an application from a barred person
- it is provided with false information in, or in support of an applicant's application; or
- it has serious concerns about an applicant's suitability to work with children.

10.2. Assessment criteria

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the School will consider the following factors before reaching a recruitment decision:

- whether the conviction or other matter revealed is relevant to the position in question
- the seriousness of any offence or other matter revealed
- the length of time since the offence or other matter occurred
- whether the applicant has a pattern of offending behaviour or other relevant matters
- whether the applicant's circumstances have changed since the offending behaviour or other relevant matters; and
- the circumstances surrounding the offence and the explanation(s) offered by the applicant.

If the post involves regular contact with children, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted at any time of any the following offences:

- murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence; or
- serious class A drug related offences, robbery, burglary, theft, deception or fraud.

If the post involves access to money or budget responsibility, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted at any time of robbery, burglary, theft, deception or fraud.

If the post involves some driving responsibilities, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted of drink driving within the last ten years.

10.3. Assessment procedure

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the School will carry out a risk assessment by reference to the criteria set out above. The assessment form must be signed by the Bursar or the Head or Head of Junior School before a position is offered or confirmed.

If an applicant wishes to dispute any information contained in a disclosure, they may do so by contacting the DBS. In cases where the applicant would otherwise be offered a position were it not for the disputed information, the School may, where practicable and at its discretion, defer a final decision about the appointment until the applicant has had a reasonable opportunity to challenge the disclosure information.

10.4. Retention and security of disclosure information

The School's policy is to observe the guidance issued or supported by the DBS on the use of disclosure information.

11. Whistleblowing and exit interviews

All staff are trained so that they understand they are expected and encouraged to raise concerns they have, whether related to the safeguarding and welfare of pupils, the conduct of staff or other matters, during the course of their employment in accordance with the School's policies (including the Whistleblowing Policy, the Safeguarding and Child Protection Policy and Procedures and the Staff Code of Conduct). Safeguarding children is at the centre of the School's culture and is accordingly considered formally during staff performance development reviews and appraisal and finally at any exit interview which may be held with leavers.

12. Referrals to the DBS and Teaching Regulation Authority (TRA)

This policy is primarily concerned with the promotion and practice of safer recruitment. However, applicants should also be aware that the School has legal responsibilities to fulfil when employment comes to an end. In particular, the School has a legal duty to make a referral to the DBS where:

- an individual has applied for a position at the School despite being barred from working with children; and / or
- an individual has been removed by the School from working in regulated activity (whether paid or unpaid), or has resigned prior to being removed, because they have harmed, or pose a risk of harm to, a child.

The DBS will consider whether to impose sanctions on that individual which may restrict or prevent them from working with children in future.

In addition, if a teacher is dismissed because they are found to have committed serious misconduct, or they have breached the Teachers' Standards, or they resign prior to dismissal on such grounds, the School will make a referral to the Teaching Regulation Agency.

The Teaching Regulation Agency will consider whether to impose a prohibition from teaching order.

13. Queries

If an applicant has any queries on how to apply for a post at the School they should contact the HR team.

Appendix 2 DBS filtering

Disclosure rules for criminal records are commonly referred to as “filtering”.

Filtering is the term that is used to describe the process that identifies which criminal records will be disclosed on a Standard or Enhanced DBS certificate (DBS check). Certain old or minor offences may not be disclosed on DBS certificates. These are known as ‘protected’ offences.

There is a list of offences that will always be disclosed on a Standard or Enhanced DBS certificate (unless they relate to a youth caution). These can be found at <https://www.gov.uk/government/publications/dbs-list-of-offences-that-will-never-be-filtered-from-a-criminal-record-check> These are known as ‘specified offences’ and are usually of a serious violent or sexual nature, or are relevant for safeguarding children and vulnerable adults. All convictions resulting in a custodial sentence, whether or not suspended, will always be disclosed.

Youth cautions (with the exception of Youth conditional cautions), warnings and reprimands will not be disclosed automatically on a Standard or Enhanced DBS certificate.

Standard and Enhanced DBS certificates will include details of convictions and cautions (excluding youth cautions, reprimands and warnings) recorded on the Police National Computer (PNC). PNC records relating to protected cautions and convictions will not automatically appear on the certificate.

The rules regarding the automatic disclosure of convictions or cautions are set out in legislation. This states that a certificate must include all unspent conditional cautions and convictions and any spent records as follows:

Disposal	Age when given/ sentenced	How long ago
Cautions for specified offence	18 or over	Any time
Cautions for non-specified offence	18 or over	Less than 6 years
Conviction for specified offence	Any age	Any time
Conviction resulting in custodial sentence	Any age	Any time
Conviction for non-specified offence	18 or over	Less than 11 years
Conviction for non-specified offence	Under 18	Less than 5 and half years

In addition to records from the PNC, Enhanced certificates may also include information taken from police records that a chief officer of a police force considers relevant to the application and

ought to be disclosed, or details of whether an individual is included on one or both of our two lists barring people from working with children and/or other vulnerable groups.

The disclosure of information taken from police records is subject to statutory guidance to which the police must have regard. In considering this guidance, the police may, in principle, disclose information about offences that have been subject to filtering if they believe the information is relevant to the workforce or position applied for and ought to be disclosed.

There are a small number of defined positions of utmost integrity where details of all convictions and cautions may be taken into account. Some examples are jobs or activities relating to national security, the police, judicial appointments and firearms certificates. These positions do not receive criminal record information through the DBS process. Instead, employers and organisations considering a person's suitability are likely to have arrangements for direct access to the Police National Computer.

If the position/occupation is covered by the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (as amended) but not subject to filtering, the employer is entitled to ask about, and receive information about, all spent convictions and cautions.

The employer should, however, follow existing guidance and conduct a case-by-case analysis of any spent convictions and cautions as described above.

If the employee fails to disclose any spent convictions or cautions when required by law to do so in respect of these positions, the employer or organisation will be able to take the convictions and cautions into account if they otherwise find out about them which may have consequences e.g. the withdrawal of a job offer.
