- The School Day at BSU starts at 08:00 for all year groups each day of the week and ends at 15:00 on **Monday** and **Friday**, and at 16:00 on all other days. The School Gate opens every morning at 07:30 and is closed at 08:30. Students who are late must sign in at the Reception desk.
- The School gates are opened for parents to collect their children at 14:55 on Monday and Friday, and 15:55 on all other days. Students in Y1-13 should be collected from the Sports Hall/front of school (weather dependent) and EYFS students from the Reception area.
- Lessons on **Mondays** and **Fridays** are for 55 minutes, with a shortened registration. This is in response to the BSU community wishing for a 3pm closing time due to traffic issues on Fridays. Monday after-school is when parent consultation events, university presentations and information giving sessions typically take place. On both days there are also a shortened registration, break and lunch periods.
