Welcome to our school

Westhoughton

HIGH SCHOOL

Westhoughton High School is a successful and expanding 11-16, mixed community comprehensive school situated close to the centre of the growing town of Westhoughton, within Bolton Council's boundaries.

We are proud to be Westhoughton's only secondary school; we have strong links with all primary schools and provide many opportunities to work together, including cultural activities and specialist subject support. We believe strongly in serving our community by providing challenging educational opportunities and developing the next generation to be ambitious, successful and worthwhile citizens for our town and beyond. The student population is largely made up of young people from Westhoughton itself, but students also attend from the neighbouring communities of West Bolton, Blackrod, Bolton, Atherton and Hindley.

The school has undergone a transformation in recent years; we have made significant investment in our learning environment and considerably improved the facilities available to our students, so that all Westhoughton students can progress successfully to the next stage of their education. We are still on our journey to be the very best that we can be.

We are proud of our students, our staff and our community and are always keen to welcome visitors. So whether you think you know the school or whether you're just discovering us for the first time, you will see a school that is ambitious for its students, proud of its past and very confident about its future. The school was visited by a team of Ofsted Inspectors on 10th and 11th May 2023, the outcomes for each category of the inspection matched with our self-evaluation. Safeguarding was highlighted as a particular strength of the school.

We are pleased to see that the report included recognition that most of our students enjoy coming to school, feel safe and engage well with the curriculum. Inspectors were impressed by the personal development of our young people and their contribution to the wider community. The expertise of the staff body, and their subject knowledge has also stood out.

There is much in the report that students, staff, governors and parents should be justifiably proud of. The report includes the following highlights:

Ofsted said:

- Pupils work hard to support their local community.
- Leaders have ensured that pupils have a broad choice of subjects to study.
- Leaders provide pupils with appropriate support and guidance, so that they choose subjects that match their talents.
- Leaders have high expectations for pupils' achievement.
- The curriculums that underpin pupils' personal development have been carefully designed.
- Pupils involve themselves with extra-curricular clubs and enjoy the range of activities on offer.
- The school's safeguarding team offers effective support to help pupils to stay safe in school and to support their varied needs.

HIGH SCHOOL

Learning

We value academic achievement highly and are ambitious for all our learners to make good or better progress and achieve their full potential.

Students have access to the full national curriculum including opportunities to learn a new language, to develop their musical, creative and sporting talents and to develop their literacy and numeracy skills to a high level. Progress is carefully tracked and, in addition to Parents' Evenings, parents will receive a report three times in the academic year. Students are given the opportunity to test themselves against others both locally and nationally through a variety of subject focussed competitions. Every student is encouraged to develop and achieve according to their abilities, aptitudes and interests and our job is to challenge and support them.

LEARN

 Look after each other · Enjoy our school · Aim high
Respect one another, ourselves & our school
Never stop learning

Learning beyond the classroom is also very important to the development of the well-rounded individual, whether that be through the Duke of Edinburgh scheme, through representative sport, musical instrument tuition, enterprise activities or one of the many educational visits organised by our hard working staff. These include visits to the theatre, to the Peak and Lake Districts to study the impact of tourism, to the Tate Gallery or further afield with residential trips to London, Prague, Belgium and France. We have a number of enrichment days during the year when the normal timetable is suspended and students engage in a range of different activities to develop their personal and social skills. At Westhoughton, we believe we are ALL learners and every opportunity should be taken to LEARN.

Standards

As a school, we strive for the best outcomes for all our students, regardless of individual circumstances. To do this we require each and every lesson to be the highest quality with an appropriate impact on student progress. We have high expectations as to what the 'daily diet' of our students should be but have strong and robust systems in place to support us all in delivering our ambitions. To develop staff throughout their careers, we invest heavily in professional development focussing on teaching, learning and assessment to improve classroom impact and in addition, leadership development for both experienced and aspirant leaders. We are pleased that staff retention for both teaching and associate staff is strong, as we believe that this reflects the culture and ethos of the school.

Whilst we are proud of the progress that we have made in improving the GCSE outcomes and life chances of our students, we are clear where further improvements can be made to ensure that more students realise their full potential. Whilst performance measures change continually, we have retained a curriculum designed to meet student needs and not secure league table position. This remains one of our core values.

The school seeks verification of its high expectations and delivery whenever possible and as such, we are proud to hold a number of quality standards. Others are planned for the future but below are those secured to date:

Students

We are very proud of our reputation as a school that cares for each individual in the organisation and we do everything we can to ensure all our students are safe, happy and making good progress. The pastoral structure ensures our students meet with their form tutors twice each day so they have a familiar face to talk through any problems or ask for advice. We know our students well and do our very best to ensure they learn in a safe environment so that they will develop into self-reliant and resilient future citizens. When problems do occur, our students know they will be listened to and that we will work together in partnership to resolve them quickly and fairly.

The teenage years provide many challenges, for the young people themselves, for us as a school and for parents, and our experience tells us that working together to the same aim is the best way to resolve them.

We have a range of services available to support young people including:

- Non-teaching Student Support Leaders (SSLs) who look after pastoral needs
- Student Progress Leaders (SPLs) who track and ensure academic progress
- Independent Careers Advice and guidance
- School nurse drop-ins
- Nurture groups
- Peer mentoring
- Buddying system
- Homework support clubs
- Enrichment programmes
- Learning Support Centre with specialist staff

Parents

We have high ambitions for our students and we are sure they are matched by parents' high aspirations for their children.

We fully acknowledge that students are more successful at school if they are supported by their parents, with parents and school working together in partnership. Just as we need every child to fully engage with the school and everything it has to offer, we expect parents to play an active role in their child's career at our school.

All parents sign a home-school agreement before their child starts at the school which clearly outlines the support they can expect from us and what we expect from our parent group. In addition, we run several parent focus groups where parents can discuss with staff issues such as reporting and assessment and can help drive change.

Every year group has a Parents' Evening to discuss progress with teachers and there are additional events at key stages in your child's education. At times parents may need our support and we may need theirs – and in any active partnership, people support each other. This is because we both have the best interests of every child at heart.

Investing in Our Staff

Wellbeing is a central drive to many of our initiatives here at Westhoughton. You have an SLT that truly believe in developing and investing in our staff and the wellbeing of all who come through our doors. We have multiple activities that develop our staff wellbeing including a Wednesday wellbeing-focused briefing whereby we celebrate our staff, best practice and recognise staff who have supported other colleagues. We have staff activities such as a staff choir, reduced Leisure Centre membership and a secret buddy system of supportive comments and gifts that our staff sign up to. We believe in continually reviewing our systems and protocols to ensure that we reduce workload in as many aspects as we can.

Every Wednesday all students leave the school site at 2:30pm to allow us to deliver our personalised CPD programme which ties together our whole school priorities, personalised CPD opportunities and talent development programmes alongside our pastoral CPD programmes to ensure we build this into our school day and value the time together.

Community

We are a successful community school and strongly believe our young people should develop a good appreciation of their heritage and pride in their town and country. We have strong links with local primary schools who are regular visitors to the school; we are supported in the curriculum by local people, including members of the Rotary Club and local businesses, our MP, support agencies and voluntary groups, and our students reciprocate through participation in competitions such as Youth Speaks. Our young people regularly go out into the community to support others, raising awareness or funds for charities or just doing good deeds during focussed charitable projects.

Parents and friends of the school actively support the many school events running in the year, from Parents' Evenings to Careers Conventions via music and drama productions. It is also important that our young people develop a sense of the wider community and they have opportunities to work alongside students from other Bolton schools, for example in joint visits to Oxford and Cambridge Universities. Our students also have opportunities to communicate with their peers further afield through visiting other countries. The world has become a much smaller place in the 21st century and developing their ideas about community, both local and global, will ensure our students are best placed to take advantage of the many opportunities available to them as they grow into adulthood.
