Dress Code

Principles

Walton High recognises the importance of personal appearance in setting high expectations and a positive tone. This is reflected in our Dress Code for staff and students.

Practice

All members of staff at Walton High follow a professional dress code. The formal standard of dress required of students has implications for how we as staff dress.

Male staff are expected to wear a jacket and tie when working with students in a classroom context. Similarly, whilst business suits are not essential for female staff, a similar level of smartness is expected. Extremes of fashion in clothes, hairstyle and jewellery should be avoided. In warmer weather the Principal may inform male staff that jackets and ties are not necessary. All staff should ensure that in warmer weather they are still suitably attired in smart professional dress, this means that flip-flops, short skirts and cropped tops / trousers and shorts should not to be worn.

General Requirements

All school based posts are defined as Regulated Activity and therefore the post is subject to an Enhanced with Barred List DBS check.

All employees are expected to share this commitment, to follow MKET's safeguarding policies and procedures and to behave appropriately towards children and vulnerable adults at all times, both in work and in their personal lives.

Commitment to uphold MKET's Equality and Health and Safety policies.

All staff must follow the MKET Code of Conduct.

All staff must have an understanding of the requirements of Data Protection and confidentiality in the workplace.
