International School Brunei

## Background

International School Brunei was established in 1964 as a not-for-profit organisation with a Board of Directors to oversee the development of the school - a status that exists to this day.

In 2015 the school moved to a brand new 22 acre site on the outskirts of Bandar Seri Begawan, the capital of Brunei Darussalam. At the same time, 'The Residence' a state of the art Boarding House, was opened to cater for up to 120 students aged 11 - 18.

ISB offers education from Nursery (2yrs) and the National Curriculum of England from Year 1 (4yrs old) to Year 8 (13yrs) followed by IGCSEs (14-16yrs) and the IB Diploma programme in the Pre-University section (16 - 18yrs).

ISB is non-selective, and currently has over 1100 students from over 40 different nationalities. Academic results are outstanding with IB Diploma results consistently above the World Average. ISB students attend their first choice universities all over the world

In addition to the Bandar campus, ISB Seria, 1 hour from the capital, is the second campus which caters for primary students. ISB is also in the process of establishing a Centre for Inclusive Learning to support further students with

learning needs. An English Language Centre (ELC) and a CACHE Adult learning programme completes the ISB offer.
