CLOSING DATE AS PER ADVERT

Dear Candidate,

I am delighted to write, as the Principal of the University of Birmingham School, to thank you for your interest in the role of School Services Officer (PA to SLT).

We passionately believe that the purpose of education is to develop the character of our pupils and students so they actively pursue a good life. We want them to be confident, curious and ambitious learners; we want them to show compassion, empathy and patience in their relationships with others and we want everyone to find a place in their local and global communities where they can flourish and thrive.

The successful candidate will be part of a team of school services officers working to support senior leadership and the teaching staff to enable the best possible environment for teaching and learning in our School. They will share our passion to make a positive and lasting difference to the lives of our pupils and students.

Our academic curriculum is delivered by our staff together with a pioneering programme of Character Education that embeds an enrichment programme of clubs, societies, sport, drama, music, trips and visits into our extended school day. This approach is significantly enhanced by the full support of the University of Birmingham, to develop and integrate curricular, creative, sporting, intellectual and career enhancing links with our 'parent body'.

We have been delighted with the interest that the school continues to receive - being referred to by the Prime minister recently when she said:

"I want to build on the success we have already experienced when some of our great universities have stepped in to help by sponsoring or supporting a local school. Recently we have seen the University of Birmingham open an impressive new School for secondary school pupils and Sixth Formers".

As the first secondary 'University Training School' in the country, we aspire to play significant role in developing future generations of outstanding classroom practitioners, middle and senior leaders.

The School Services Officers will work closely with the whole School community to ensure the School delivers against its vision as it grows from a start-up operation to full capacity in 2020.

If you are someone with relevant experience, passion, expertise and vision, we offer an opportunity to work in a 'school for Birmingham', one that is designed to develop the flourishing citizens of tomorrow. We are committed to ensuring the well-being of our staff, but, at the same time, we have the highest expectations in terms of both quality of performance and commitment.

I hope you are as excited as I am by this challenging, yet immensely rewarding, opportunity. My team are happy to answer any questions you may have and I look forward to receiving your application.

The University of Birmingham School – Information for Candidates

The University of Birmingham School opened in September 2015 in a new building located on the University's Selly Oak campus. We admitted 150 students into the six Year 7 Forms and nearly 200 students into the Lower Sixth. In September 2016 the size of the school population doubled and will continue to grow until we reach capacity in 2019/2020.

Our aim is quite simple: to help transform the lives of our students by helping to raise their aspirations and to maximise their potential by accessing the widest possible range of educational opportunities. We do this by offering, in an extended school day, a broad and balanced academic curriculum, by supporting the development of well-rounded people of strong character in a diverse and comprehensive student body, who have access to world-class facilities, resources and expertise through close links with the University community.

About our Education

The curriculum in Years 7 to 9 includes Art, Biology, Chemistry, Computer Science, Dance, Design Technology Drama, English, French, Geography, History, Mathematics, Music, Physics, Physical Education and Religious Education. In the Sixth Form, for 2016/17 we are offering Art, Biology, Chemistry, Computer Science, Product Design, Geography, History, French, Mathematics and Further Mathematics, Music, Physics and Religious Studies.

The Form Tutor, Progress and Pastoral Managers and Sixth Form Manager provide pastoral support and are the main conduit of communication between home and school on a day to day basis. Information about progress and attainment in terms of both their academic performance and enrichment involvement is provided, at least termly, together with an annual Parents' Meeting.

How is the University of Birmingham School different?

1. Character Education

A feature of many of the most successful and traditional schools in the country is that that their structures support, not necessarily by design, the development of character. Underpinning our ethos and provision is the first difference in our school - a focus on both 'taught and caught' character education.

2. Enrichment Programme

A second distinctive feature of the school is our extended school day in which a programme of enrichment opportunities is delivered by all teaching staff. This timetabled opportunity allows the teaching staff, alongside trainee teachers, university sports coaches and staff to provide an unparalleled programme of activities and host special activities.

3. Links with the University of Birmingham

The third distinctive feature of the School are the possibilities created through the extensive links with the University resources, staff, students, and alumni. This aspect is so crucial to our distinctive offer that it is

overseen by a dedicated University-School Liaison Committee. The full range of opportunities will continue to grow as the School grows.

Why should you apply to work at the University of Birmingham School?

We are committed to developing a school of the future, one focused to self-improvement and the pursuit of excellence in all aspects of our work and play. We aim to nurture, encourage and challenge all of our students to make the best of the opportunities available, to enjoy their time with us, and to realise their potential so that they can go on to make a real difference to other people and the communities in which they live.

We are seeking to recruit committed and ambitious individuals determined to transform the lives of our youngsters. In return, you will have the opportunity to work in outstanding facilities, with and for aspirational children and their parents/carers, and receive the best quality professional pedagogical and academic support to continue to develop your knowledge and skills in a unique and high profile environment. You will also have access to the physical and intellectual resources of a world class University which is determined to ensure this school is a happy and successful community from day one.

As the School grows to full capacity, the department and pastoral teams will grow and dependent also on performance, this will be reflected in the payment to those who hold leadership or responsibility positions. In addition, there will be growing opportunities to be involved in a whole myriad of professional development opportunities as we seek to exploit our position and utilise our resources to lead on research based teaching and learning.

We aim to play a full part in the learning community of Birmingham and beyond by developing exciting and ground breaking relationships with businesses and collaborations with other primary and secondary schools.

Whilst we will be expecting a lot of each member of our community, the well-being and happiness of all is a priority. From experience we believe that people work best in institutions that value and promote a 'high accountability but high autonomy' approach. But from time to time, events happen that affect our personal and working lives. Under such circumstances we will endeavour to provide the flexibility in approach and seek to provide access to whatever resources are required to support you when you need them.

We will expect you to do your best, to be an outstanding role model, to be committed to self-improvement, and, like the students, to demonstrate resilience and be fully committed to exploiting the opportunities available. We do hope, along the way, you will enjoy yourself and get the personal satisfaction and reward from doing what is the most important role in a modern society.

We look forward to receiving your application to what is a new school for Birmingham, a school of tomorrow, the University of Birmingham School. We intend that our graduates will go on 'make a difference' to the lives of others – the real value of a high quality education. Come and help us achieve this ambitious goal.
