

St Swithun's
WINCHESTER

Boarding housemistress for year 7 house

Required from September 2025

Role available as a teaching or
non-teaching position

Welcome from the headmistress

St Swithun's
WINCHESTER

Thank you for your interest in St Swithun's.

We are proud to be a High Performance Learning School and a member of the Fellowship of World Class Schools. The High Performance Learning philosophy is that: high achievement is an attainable target for everyone; intelligence is not fixed (we can all become cleverer); high performers are made, not born (they work for it). HPL involves the systematic and explicit encouragement and empowerment of students to develop the ways of thinking and ways of behaving that will equip them for success both in school and beyond. It is the cornerstone of our philosophy.

We are also a girls' school and as such we expect and support all our students to enjoy and excel in a range of subjects and activities according to their interests and not their gender. We seek to be free from unhelpful stereotyping and to offer genuinely limitless education.

Further, we are a high trust community and we try always to behave with a seriousness of intention and a lightness of touch. We believe the best of staff and students and often see our expectations exceeded and a joke cracked along the way.

If this short introduction resonates with you, we would very much welcome an application from you.

Jane Gandee, headmistress

Our school

St Swithun's
WINCHESTER

St Swithun's School, Winchester is a leading GSA and HMC school offering day, flexi, weekly and full boarding for over 500 girls aged 11-18. The girls benefit from excellent teaching, sporting and recreational facilities. St Swithun's is academically selective and regularly appears in the top 30 schools in the national league tables.

There is also an adjoining IAPS Prep School for girls aged 4-11 with a co-educational pre-school.

Our location

The school is set on an attractive campus of 45 acres overlooking the Hampshire Downs and within the South Downs National Park. The school is within walking distance of the centre of Winchester, and only a 50-minute train journey from central London.

Winchester and its surrounding areas offer outstanding local cultural, historical, sporting and entertainment opportunities in addition to fantastic access to outdoor pursuits. Southampton, Portsmouth, Salisbury and Bournemouth are all easily accessible.

Our ethos

St Swithun's
WINCHESTER

St Swithun's is an appropriately academic school which means that we celebrate intellectual curiosity and the life of the mind, but not to the exclusion of all else. We expect our pupils to develop individual passions and through them to acquire a range of skills and characteristics. These characteristics will include a willingness to take risks, to question and to debate, and to persevere in the face of difficulty. In the words of Samuel Beckett: "Ever tried. Ever failed. No matter. Try again. Fail again. Fail better." If a girl can immediately excel at everything we ask of her, we as educators must set the bar higher.

We want all pupils to learn about life beyond the school gates, to appreciate the rich variety of our world, to develop an understanding of compassion and to value justice. We encourage all pupils to become involved in fundraising and community work. They should appreciate how their decisions and their actions can affect those around them.

By the time a pupil leaves St Swithun's, she will be well-educated, courageous, compassionate, committed and self-confident with a love of learning, a moral compass and a sense of humour.

Our boarding community

St Swithun's
WINCHESTER

Boarders at St Swithun's often say that boarding is their favourite thing about school. They like being with their friends, having time to take part in activities, being part of a community and being able to roll out of bed into school via breakfast.

Being situated less than an hour from London by train gives London based families the flexibility of a country campus school for their daughters within easy reach of home. It also gives easy access to major airports for our overseas students. St Swithun's is a truly global community and we are always delighted to welcome students from across the world. There are many nationalities represented throughout the school and we believe that this diversity is an incredible asset to our community.

There are six boarding houses: Le Roy for year 7 boarders, Finlay for upper-sixth boarders and four senior houses for year 8 to year 12. Each is purpose built and boarders from year 8 upwards have individual rooms. All the houses are close to the main school so that day girls and boarders mix easily.

Our boarding community

St Swithun's
WINCHESTER

We offer both weekly and full boarding.

Weekly boarders return to school on a Sunday evening and typically go home on a Friday evening; a number choose to stay in school on Friday night if they have an activity on Saturday such as a sports match or Duke of Edinburgh expedition. Some also stay in for the whole weekend if they wish to participate in our varied weekend activity programme. Weekly boarding is perfect for many busy families, allowing the girls to take part in a wide range of activities and do most of their homework at school during the week thus keeping the weekend for spending time with their families.

Full boarders make up just over half of our boarders. We offer a diverse range of activities on and off site at weekends and full boarders are also allowed to stay with friends or relatives if they wish.

Boarders and their parents speak persuasively of how they enjoy a better relationship with each other because many of the reminders so necessary in bringing up children can take place in school. House and teaching staff are the ones ensuring that homework is done, that uniform is worn correctly and that boarders leave for school on time. Parents can therefore enjoy more relaxed weekends and holidays with their children.

Weekend activities

St Swithun's
WINCHESTER

We offer a full and varied weekend programme of cultural, social and recreational activities to suit all our boarders. We believe that the weekend can be an opportunity for girls to take some 'downtime', to try new experiences, to learn how to organise their time appropriately and effectively, and to get to know girls of different ages and backgrounds. Our aim is to provide an appropriate balance of constructive activities and relaxation within a home from home environment.

The weekend activity programme is open to all boarders, free of charge. We welcome feedback from the girls about the trips they go on and we are always interested in suggestions for future trips.

Structure of weekends

On Friday evening girls have the option of taking part in activities or relaxing. On Saturdays there are sports fixtures and other school activities, optional weekend activities and the opportunity to go into Winchester and visit shops and cafes. On Sundays there are some fixtures and other school activities, optional weekend activities and chapel in the evening.

Le Roy boarding house

St Swithun's
WINCHESTER

Le Roy is the junior boarding house, for girls in year 7 (L4). Girls are in small, open dormitories with either four or six beds. The house has a modern, open plan kitchen and living area.

There are usually around 15 full and weekly Le Roy boarders, and a small number of girls spend one or two nights a week as flexiboarders from October half term onwards.

Le Roy is a dynamic and vibrant house where girls thoroughly enjoy the many opportunities boarding affords them. They learn life skills in a home-from-home environment. In their first year at St Swithun's, boarders forge strong friendships with each other and day girls alike, forming a continuous and supportive network which endures throughout their time at school.

Girls in Le Roy spend time in the senior boarding houses throughout the year including movie nights. This culminates in a much-enjoyed picnic and sleepover in the senior house which they will be moving into in year 8.

Pastoral structure

St Swithun's
WINCHESTER

The boarding housemistress is part of a wider pastoral team comprising:

- Deputy head pastoral - designated safeguarding lead
- Head of boarding – deputy designated safeguarding lead
- Chaplain
- Health centre - school nurses, psychologist and visiting GP
- Housemistress/master for each boarding house and day house
- A team of resident tutors, matrons or deputies, day matrons and graduate assistants
- Two house tutors per boarding house
- Heads of year
- Form tutors

Caring for young people can be challenging, but it is also great fun. Our boarding staff set standards and enforce rules for the good of all but seek to do so with a lightness of touch. They provide support, care and a framework in which the girls can develop as individuals. Good communication with parents is essential and we work hard to maintain contact.

Boarding housemistress

St Swithun's
WINCHESTER

The housemistress is a key person in the lives of the girls in their boarding house. She is the main point of contact (both formal and informal) for parents and is responsible for the happiness, wellbeing, welfare and discipline of the girls in her house.

The housemistress can be either a teaching or non-teaching role. If a teacher, the housemistress is expected to teach approximately 0.5 of a full timetable; we will consider candidates with any subject specialism. If not in a teaching role, the housemistress may be asked to support an area of school with some administration tasks for an equivalent amount of time.

The housemistress will have an overview of the girls' progress and wellbeing and will liaise with colleagues across the school concerning their academic and personal progress. In this respect the housemistress is crucial in ensuring that there is a link between the academic and pastoral life of the school. Housemistresses work within the pastoral team and liaise with its members as well as with academic, medical and administrative departments. You will be supported by a resident matron, who will deputise for you during your time off, and who will help you with all aspects of the running of the boarding house.

The housemistress has an allocated day off each week and alternate weekends off. A weekend off starts at 16.20 on Friday and ends at 18.00 on Sunday. During the week, the day off is from 7am until 7am the following morning. The housemistress is required to sleep at school other than the nights outlined here.

The role is available with a two-bedroom flat attached to the boarding house; accommodation is provided rent free and may be occupied all year round. The housemistress may occupy the accommodation with family, subject to safeguarding checks.

Application form

Applications will only be accepted from candidates completing the enclosed application form in full. CVs will not be accepted in substitution for completed application forms.

Candidates should be aware that all posts in the school involve some degree of responsibility for safeguarding children, although the extent of that responsibility will vary according to the nature of the post. Please see the job description for the post.

Accordingly this post is exempt from the Rehabilitation of Offenders Act 1974 and therefore all convictions, cautions and bind-overs, including those regarded as 'spent' must be declared.

The successful applicant will be required to complete a disclosure application form from the Disclosure and Barring Service.

In accordance with government guidelines, we will seek references on shortlisted candidates for teaching and some other posts, and approach previous employers for information to verify particular experience or qualifications before interview. In other cases, if this has not been done, any offer of a post will be conditional upon receipt of satisfactory references. References should be from the applicant's current or most recent employer. If the current/most recent employer does/did not involve work with children, then the second reference should, if possible, be from the employer with whom the applicant most recently worked with children. Referees should not be a relative or someone known to the applicant solely as a friend.

If you are currently working with children, on either a paid or voluntary basis, your current employer will be asked about disciplinary offences, including disciplinary offences relating to children or young persons (whether the disciplinary sanction is current or time expired), and whether you have been the subject of any child protection allegations or concerns and if so, the outcome of any enquiry or disciplinary procedure. If you are not currently working with children, but have done so in the past, that previous employer will be asked about those issues. Where neither your current nor previous employment has involved working with children, your current employer will still be asked about your suitability to work with children, although they may, where appropriate, answer not applicable if your duties have not brought you into contact with children or young persons. The School will only accept references obtained directly from the referee and will not rely on references provided by the applicant or on open references or testimonials.

You should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal if the applicant has been selected, and possible referral to the police and/or DfES Children's Safeguarding Operation Unit.
