

Lord Williams's School

Sic itur ad astra a tous venaunts

BRIEF FOR THE POSITION OF **Teacher of Dance**

January 2021

Lord Williams's School is a thriving and popular comprehensive school. It is the only secondary school in Thame, a market town of 12,000 people, set in attractive countryside within easy reach of Oxford (12 miles), Aylesbury (9 miles), London (45 miles via M40) and the Chilterns. The school receives students from the town itself and several nearby villages. Particular attention is paid to each individual student by promoting their personal, social and educational development to enable all to achieve at the highest level possible.

Our school mottoes are:

***Sic itur ad astra (thus the way to the stars)
a tous venaunts (for all comers)***

The school is fully comprehensive and was formed in 1971 by the amalgamation of Lord Williams's Grammar School, founded in 1559, and the Wenman Secondary Modern School. The Grammar School site on Oxford Road has been developed for students in Years 10-13 and the other site at Towersey Road has become the Lower School for students in Years 7-9.

Lord Williams's School has been judged 'Outstanding' by Ofsted:

***"Lord Williams's is an outstanding school. It offers its students an exceptionally broad range of opportunities to develop their talents and interests, through a very well-resourced curriculum and the strong commitment of staff to a rich extra-curricular programme."
Ofsted, 2011***

As a result of our continuing success, Lord Williams's School is consistently oversubscribed.

The school's Published Admission Number is 320 students per year and this will rise to 350 from 2022, giving us the exciting opportunity to develop the facilities on both sites using Section 106 expansion funding. We work very closely with our partner primary schools in the Thame Partnership to ensure a smooth transition from Year 6 to 7. There is a Sixth Form of 500 and a total school roll of over 2100. There are 300 teachers and support staff.

We promote high quality teaching and learning. We attract talented, committed and conscientious teachers who produce stimulating and challenging learning activities helped by experienced support staff. Teamwork is a key feature of our work. We are an inclusive school; we cater for all abilities and we provide access for all students. This is reflected in our work with the more able, with students with a range of learning and other difficulties and in our admissions policy for the Sixth Form.

We hope you will be interested in working at Lord Williams's School and look forward to receiving your application.

Teaching & Learning

Teaching is organised through faculties with strong team structures for organising learning activities and curriculum materials. Teachers are always keen to build on proven best practice and to incorporate new ideas into their work. The Sharing Best Practice group is just one of a number of groups which focuses on the quality of the learning experience.

Our school is committed to the principles of Assessment for Learning and has a long history of working with leading practitioner, Dylan Wiliam.

Students are placed in tutor groups within year teams led by a Head of Year and Pastoral Support Officer. Most teachers are tutors.

High priority is given to supporting students with special needs including those who are most able. As far as possible students with learning difficulties are supported within mainstream classes.

The school incorporates the Communication and Interaction Resource Base for children on the autistic spectrum, with speech, language and communication needs. Most of the students spend time in mainstream lessons supported by a teacher or teaching assistant.

The success of a school depends upon the strength and cohesion of the entire staff. Colleagues enjoy administrative support from the team of support staff. We have skilled and dedicated teams who work well together throughout the school; this creates a very positive atmosphere.

The Governors are keen to appoint people of considerable all-round ability with commitment to maintain and develop our work.

The school is an equal opportunities employer and welcomes applications from all sections of the community, irrespective of gender, ethnic origin, sexual orientation or disability.

Examination Results

The 2020 GCSE results were awarded in line with our performance over the last three years with 74% of students achieving 5 or more 9-4 grades (including English and Mathematics at 4+). The figure of 75% achieving both English and Mathematics at grade 4+ put us in the top 13% of schools for value-added on this measure in 2019. This builds on consistently strong student performance at Key Stage 4 over the past 4 years.

In Mathematics, the school had another year of excellent performance at 4+ grades, with 86% of the cohort achieving this measure. In English, the 9-4 figure rose to 86% of the cohort and in Science, 88% of the cohort achieved 9-4 grades in the 'Trilogy' GCSE. The 2019 FFT analysis shows 17/20 subjects achieving positive value added scores, with 9 being significantly above expectation, including English Language, English Literature, Mathematics and Science

At A-level, student achievement was also strong, following on from excellent GCSE results for this cohort in 2017. We are an inclusive Sixth Form and are providing improved life chances for a significant number of students. Just over 80% of Year 13 students normally go on to study with higher or further education providers and usually, a quarter secure places at Russell Group universities.

Working at Lord Williams's School

Staff Development

At Lord Williams's School particular attention is paid to staff development and to staff participation. Each year all staff have the opportunity to review their work and discuss their ideas for the future.

Training is provided to support changes and the particular needs of staff. There is a comprehensive internal training programme and colleagues are also supported to attend external training and events. As a large school, there are many opportunities for career progression.

Support for newly qualified teachers includes a reduced timetable, a planned induction programme and mentor support.

The school has a strong partnership with the Oxford University Department of Educational Studies. We take part in its PGCE programme which is school focused with interns and tutors working with school staff in a co-operative way. It has brought considerable stimulus to our own staff development work.

Facilities

The school has excellent teaching facilities and each faculty has its own dedicated suite of rooms on both sites. The Sixth Form has its own separate accommodation on the Oxford Road site. The Foundation Centre, formerly a boarding house, has been developed to provide Sixth Form facilities.

A number of building projects have been completed recently including a new science and mathematics building, astro-turf pitch, vocational skills centre and dedicated dance & drama studio. The expansion to 12 form entry from 2022 will allow us to further enhance the provision.

Extra-curricular activities

Lord Williams's School offers a wide range of extra-curricular activities, in many of which it has excelled, especially in dance, drama, music and sport. All Year 8 students take part in a week's outdoor education camp in July. The intention is to cater for the interests and abilities of all the students and to encourage everyone to participate.

Students are involved in adventurous activities throughout school, all the way up to the World Challenge Expedition in the Sixth Form. There is a thriving Duke of Edinburgh's Award Scheme, with over 300 participants and 70 volunteer helpers.

Teacher of Dance

General

Thank you for your interest in the post. We wish to appoint from April 2021 a well-qualified, enthusiastic and committed Teacher of Dance. The post can be full- or part-time and permanent. The position would suit an NQT or experienced teacher. This is an excellent opportunity to join one of Oxfordshire's largest and most successful schools judged 'Outstanding' by Ofsted. Effective administrative systems support the two sites. Students are well-behaved and motivated, and there is a strong sense of community in Thame, with a committed parent support base.

We are exceptionally strong in terms of pastoral support for all students and have the highest expectations for individual achievement whatever the starting points. Outside the classroom there are wonderful extra-curricular activities for all. Students leave the school successful and well-rounded individuals. There is a 'buzz' about learning in the school and our students are fortunate to be supported in their learning by dedicated teachers and support staff. Staff training and professional development are always a developmental priority and many of our staff move on to promotions in other schools.

The School

The school is the only school serving the market town of Thame and surrounding villages. It is a popular school and always oversubscribed. It is a split site school – Years 7-9 on our Lower School site and Years 10 -13 on our Upper School site. There are around 500 students in our Sixth Form and we attract many students from other schools, post-16. Teamwork is a key feature of school life and so is partnership with our feeder primary schools. There is a strong drive to establish powerful curriculum links cross phase with teachers collaborating on a range of projects.

The Creative Arts Faculty

There are 14 members of staff (5 Art, 2 Dance, 3 Drama and 3 Music) teaching full and part time across the age and ability range. They are supported in their work by Subject and Key Stage Team Leaders. There is skilled administrative and technical support for teachers on both sites.

Key Stage 3

Art, Dance, Drama and Music are taught in mixed ability tutor groups in specialist accommodation. Classes are well supported by teaching assistants. The Phoenix Performing Arts Studio houses both the Dance and Drama teaching spaces, and can be converted into a performance space with tiered seating for 144.

Key Stage 4

Students are encouraged to choose at least one Creative Arts subject for GCSE and we usually have 5 Art classes, one Dance class, 3 Drama classes and 2 Music classes. GCSE results in The Arts are consistently strong, with all 4 subjects achieving positive value added scores and very high proportions of 9-4 grades.

Teacher of Dance

Key Stage 5

The Faculty offers Art (Art & Design), Art (Textiles Design), Dance, Music and Theatre Studies at A-level. The Sixth Form Creative Arts students make a significant contribution to the artistic life of the school through their leadership in performances and as "Arts Ambassadors". The majority of Sixth Form Music students audition to become "Willie Howe" scholars, and receive a bursary to support their continuing musical development.

Extra Curricular Activities

A rich extra-curricular programme provides not only regular creative opportunities for students, but also the major highlights of the school calendar. A varied programme of lunchtime and after school clubs support imaginative skills development and confidence. In addition to set-piece performance and exhibition events, students benefit from a huge range of clubs and activities across all key stages, including a wide range of practitioner workshops. A rich programme of theatre and gallery visits complements students' classroom experiences and the Arts Council Arts Award programmes are offered to students to encourage leadership and creativity.

There are regular Upper and Lower School Production Companies Drama productions, as well as whole school productions. Students' exam shows in Drama and Dance offer them performance experience in front of a live audience. The Lower and Upper School Dance Companies' performances, 'Alive with Style' and 'Choreography Challenge' showcase students' exam pieces, and allow Key Stage 3 and 4 students to develop their choreographic and performance skills early. There are yearly Lower School Concerts, the Candle-Lit Carol Service, Singer-of-the-Year Competition and Gambia Night as well as a huge range of musical events. All Key Stage 3 Art students take part in two whole school student-led Visual Arts competitions every year and exhibit shortlisted work, curated and judged by student Art Ambassadors. Key Stage 4 also exhibit their end of course artwork. The "Creative Arts Open Evening" in the summer term brings the whole faculty together in a dynamic display of examination and less formal work across all four Creative Arts areas.
