# AN INTRODUCTION TO CRANLEIGH ABU DHABI

## ABOUT CRANLEIGH

Cranleigh Abu Dhabi seeks to provide a truly transforming experience in which intellectual, artistic, sporting, spiritual and social development is at the heart. Based on the community and family-oriented ethos of Cranleigh School in the UK, one of England's leading independent schools founded in 1865, Cranleigh Abu Dhabi was opened in September 2014.

Now in our tenth year and a pupil population of over 2,100 spanning FS1 to Year 13, we are observing the benefits of our focus on the whole child; 70% or more of students exceed their DEO (data-expected outcome) and achieve impressive value-added on their baseline standardised testing. Cranleigh Abu Dhabi significantly outperforms UK British curriculum schools and is ranked in the Top 10 Private Schools in the Middle East and in the Top 150 Private Schools Worldwide by Spear's Global Schools Index.

## EDUCATION PHILOSOPHY

Through our supportive family atmosphere, we aim to produce grounded young men and women capable of tackling life's challenges with confidence, determination and courage. Our educational philosophy centres on a desire to bring out the unique talents of each child, recognising and nurturing the innate ability in every individual.

In addition to the broad academic curriculum, our daily routine offers a wealth of opportunities that allow pupils to explore their full range of talents in fine arts, performing arts, music, sport and other activities such as gymnastics, golf and debating to name but a few. Our website and social media feeds offer a more detailed insight into day-to-day life at Cranleigh Abu Dhabi

## TEACHING AND LEARNING

Teaching and Learning at Cranleigh Abu Dhabi is innovative. We believe that no two teachers teach the same and encourage our staff to teach with their unique flair. Underpinning this ethos is an approach we have labelled the "Cranleigh classroom". Every Cranleigh classroom should have 5 key fundamentals in each lesson. These include relationships, challenge, engagement, progress and reflection. These fundamentals form the basis of teaching and learning quality assurance processes and staff development through our CPD program.

## LOCATION

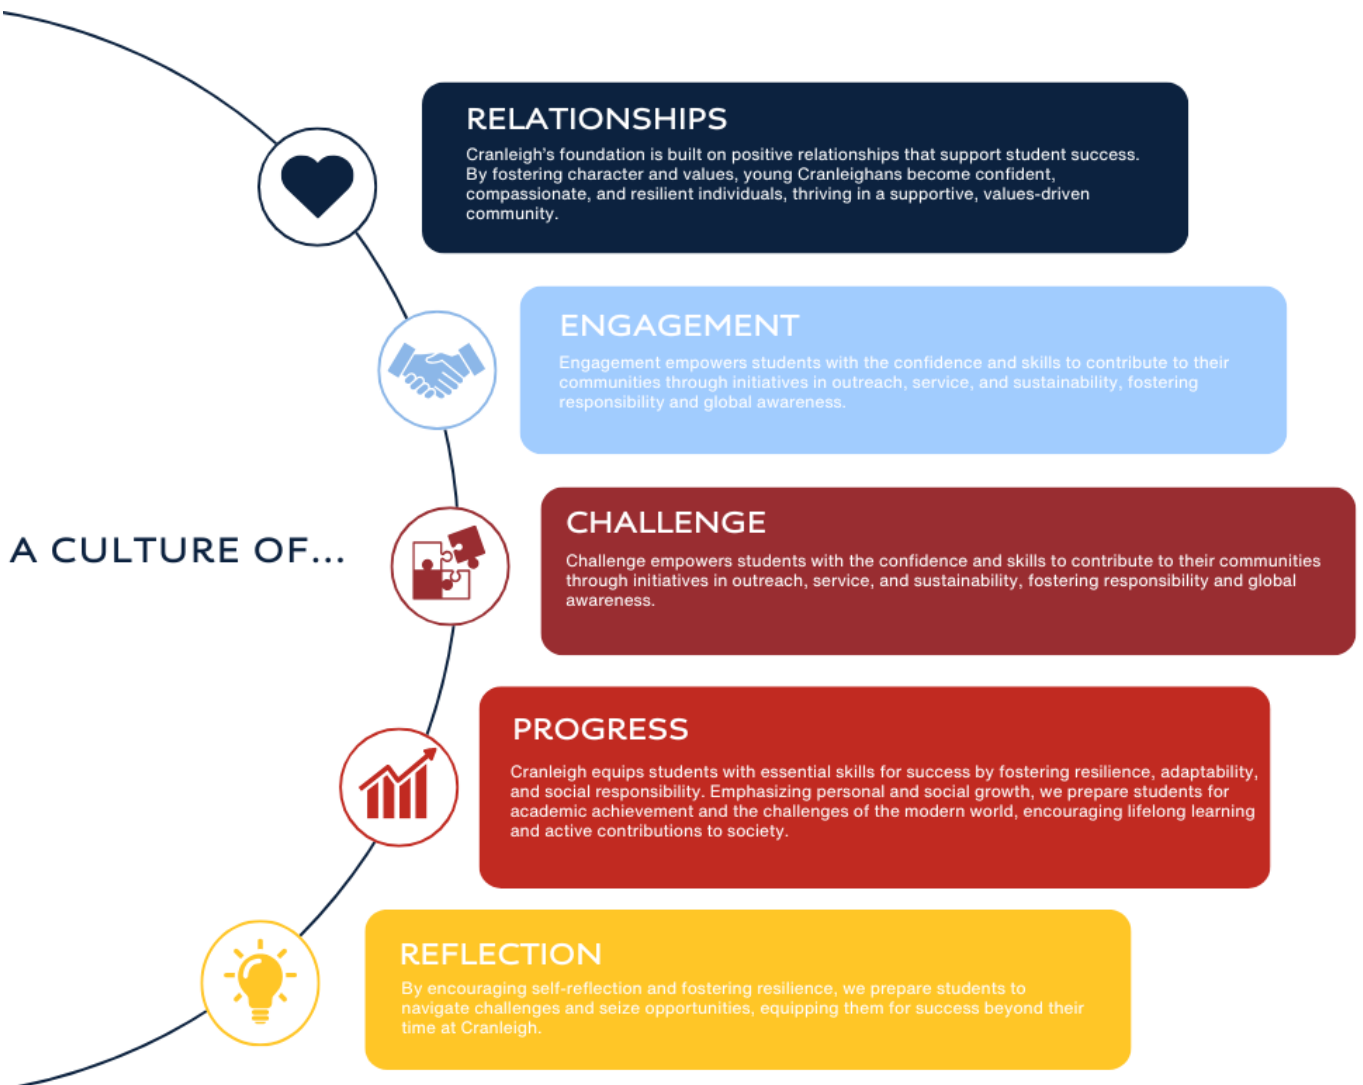

Cranleigh Abu Dhabi sits at the entrance to Saadiyat's emerging Cultural District in keeping with the school's motto, 'Ex Cultu Robur' – 'From Culture Comes Strength'. Built over seven hectares, we have a beautiful, bespoke campus situated within minutes of New York University Abu Dhabi and the magnificent Louvre Abu Dhabi, as well as the pristine Saadiyat Beach.

We are looking for first class teachers to join our vibrant team and work with us in our pursuit of excellence. Attractive packages will reflect the professionalism of our staff and the value we place on them.

# WHAT IS 'EX CULTU ROBUR'?

'Ex Cultu Robur' (From Culture Comes Strength) is our motto and guiding principle. Education is more than just passing exams; it is about nurturing and encouraging young people to become curious, creative, and confident, who have the right skills to thrive in a rapidly changing digital world and can contribute positively to society.

Central to our ethos is establishing individual confidence. We take pride in creating an environment where our pupils can find a sense of self and build meaningful connections with others. It is our aim to create a culture of opportunity.

## OVERVIEW

Teachers at Cranleigh are expected to have sympathy with the overall vision and ethos of the school. They should display a real commitment to the academic, personal and social development of children. They require the ability to relate well to, and communicate effectively with, parents, staff and pupils. Teachers are expected to contribute in general to the high academic standards and disciplinary ethos of the school, and to follow its policies. They should seek to make a real contribution to Senior School. At Cranleigh, a commitment to our wider co-curricular programme is a requirement, and most teachers will be expected to contribute up to 1-2 hours to the CCA programme.

### The minimum commitments required weekly are:

- Full teaching timetable. The load of a timetable is dependent on any additional responsibilities. This can vary from 60%-75% (75% is a full teaching timetable with no additional responsibilities).
- Where an intended teaching load cannot be allocated for scheduling issues, cover, co-curricular activities and duties are used to ensure contact time for all staff is as equal as possible.
- Commit to lead engaging and enriching Co-Curricular activities , typically for 1-2 hours per week.
- Actively supervise children through duties at break times and lunch times.
- Cover – typically 1 or 2 hours per week.
- Attend all CPD, parents' evenings and meetings as needed
- All staff are expected to involve themselves fully in the Cranleigh community and, as such, must be prepared to attend occasions such as community events, concerts and plays across the school.

There may well be other permutations of the above, but hours should be similar. Of course, precise parity is impossible, and some flexibility is expected.
