

About The British School of Brasilia

History and Ethos

[The British School of Brasilia \(BSB\)](#) is one of the leading international schools in Brasilia offering contemporary British international education to students in Early Years and Primary School. Since opening in 2016, BSB has become the school of choice for expatriate and Brazilian parents looking to provide their children with highest levels of education.

The British Schools Foundation (BSF) is a UK based, non-profit organisation that aims to promote the highest levels of education in our member schools. Its principal function is to offer high quality, supportive governance in accordance with the BSF School Charter.

BSF schools work closely together, striving to ensure that our organisation stands out for the quality of education that is provided. BSF has a proven track record of establishing excellent schools with the highest educational standards. BSF has earned a reputation with both staff and parents for excellent governance and professional management. Many of our attending families are drawn from the corporate and diplomatic world.

BSF schools are fully licensed and are members of both the Council of British International Schools and their regional British international school association. Our Secondary schools are accredited examination centres with Cambridge and/or Edexcel Boards. All BSF schools aim to achieve and maintain British Schools Overseas (BSO) status and undergo regular inspections with UK accredited inspectorates.

Location and Facilities

BSB is [located in the exclusive district of Asa Sul](#). The school enjoys a spacious, green, clean-air environment, located in the heart of the city's schools quarter. The building itself was designed by renowned architect Oscar Niemeyer and also features murals by artist Athos Bulcão.

The buildings offer visually impressive and inspiring learning environments, with playgrounds and facilities that are age appropriate, safe and enjoyable. The accompanying facilities match that of any top international school, not only in terms quality, but also in how they enhance the education we provide.

Career Development and Benefits

A career with BSB offers all the opportunities associated with a dynamic, global organisation. We offer an excellent salary and benefits package, including housing, medical cover, annual flights, relocation allowance and bursaries for accompanying children.

We also provide fantastic learning and continuing professional development opportunities, both within the school and across The British Schools Foundation. Many of our teachers have been with BSF for many years, have experienced working in several countries and have developed their careers within the organisation.

The Future

BSB currently offers education up to Year 6 in Primary school. We will be opening Year 7 in August 2019. With plans to open an additional year group in each new academic year. In an increasingly competitive market, BSB continues to strengthen its ambition of being the region's most respected and highest achieving school.
