11-16 Comprehensive School

## Teacher of Maths Mainscale/UPS

---

### Required from September 2019

We are seeking to appoint an exceptional and inspiring teacher who is passionate about learning and teaching in Mathematics. This post will be suitable for newly qualified teachers or those with experience.

The Mathematics department is very successful and takes a leading role in developing change across the school, given the faculty's outstanding track record. We are looking for someone to contribute to this success; someone who will actively participate within the department and further enrich our pupils' experiences within mathematics.

We are looking for a teacher who:

- Has a passion for mathematics
- Has excellent subject knowledge and strong teaching skills
- Has a track record of raising achievement in mathematics
- Has a commitment to inclusive education
- Will build positive relationships with all learners
- Will work effectively within a team context

The successful candidate will teach across the age and attainment range at both key stage 3 and 4.

We will be strongly committed to your professional learning. As a member of the school staff you will have access to our staff benefits programme and will also receive your own tablet device.

Mathematics is a leading department within the school and members of the team work closely to support a number of schools, both at the primary and secondary education level. With a robust pupil premium intervention team, slightly smaller class sizes and our links with the National Centre for Excellence in the Teaching of Mathematics (NCETM), pupil performance has been consistently excellent at both key stages for a number of years. In 2018, 72% attained at least a grade 4 at GCSE level, with 30% attaining at least a grade 7.

The school has recently become a PFEG Centre of Excellence in Financial Education due to the collaborative work between all of the faculties within the school, led by the maths department.

Department staff play a wider role in the school and community and have been instrumental with STEM visits and visitors, the School Fair, Ski Trip, Romsey Show,

Challenge Day, Enterprise Project, Duke of Edinburgh Award and our Romsey2Kenya project.

The Romsey School is a high attaining and oversubscribed school, committed to high quality inclusive education.

Please see the school website [www.romsey.hants.sch.uk](http://www.romsey.hants.sch.uk) for an application form. Applications should be on Romsey School forms individual CV's will not be accepted. The Romsey School is an equal opportunity employer and is committed to safeguarding children.

If you are interested in this position, please submit your application as soon as possible.

Closing date: Noon 15<sup>th</sup> January 2019
