Believe, Achieve, Succeed

Are you looking for a new challenge? Do you want to be part of an OFSTED 'Good' academy on its way to becoming world-class? We want you to join our exciting journey - your future starts here.

Set within a £28 million state-of-the-art facility, Parkwood Academy provides a 'vibrant climate for learning and a positive ethos', where students thrive and has received national recognition for being in the top 10% of schools for outstanding pupil progress as well as recently being named 'The Best School in Sheffield' (The Star, 2016).

We want every child to achieve and unlock their full potential and we have worked hard to build a culture of aspiration and ambition. As part of our exciting journey towards achieving world-class status, we are seeking to appoint an outstanding teacher who is now ready to embark on a new challenge in the role of Leading Practitioner - we are happy to facilitate further career ambitions for the right candidate.

The successful applicant will be expected to teach outstanding lessons as well as being able to influence progressive teaching and learning of others in maths and numeracy.

There is a key focus on enabling students and instilling in them a lifelong passion for maths. The Academy is a "high energy" and rewarding place to work and staff working here can see the positive impact they make on young people. We have a strong belief that if students enjoy learning, they will achieve at the highest level.

E-ACT recognises and values continued professional development and as such training opportunities will be made available throughout your career with us.
