The Grey Coat Hospital

CHURCH OF ENGLAND COMPREHENSIVE SCHOOL FOR GIRLS

Teacher of Physics

Brief

The Grey Coat Hospital's aim is to 'enable students to take charge of their learning, make decisions based on Christian values, live in the world as independent women, and meet the challenges of the twenty first century'.

The Grey Coat Hospital is looking to appoint a well-qualified teacher of Physics to join a very successful department.

We are looking for someone who;

- is an outstanding classroom teacher and can teach science in general to key stage 3 and 4
- Is confident teaching all aspects of the Physics curriculum to A Level standard
- is highly organised having the ability to work in a self-directed manner
- is willing to play a full role in an energetic team
- is ambitious and seeking to further their professional development
- has the potential to deliver outstanding examination results
- wants to participate in curriculum development
- displays a commitment to excellence across the ability range
- has high expectations of him/herself and of students, and the presence to promote them in the classroom.
- has the willingness to promote science learning outside the classroom; for example by organising trips

General; the following duties shall be deemed to be included as part of professional duties:

- to implement the school's agreed policies
- to maintain effective discipline through implementation of the school's agreed procedures
- to carry out a share of supervisory duties in accordance with published rosters
- to plan and prepare lessons
- to teach, according to their educational needs, the students assigned to him/her, including the setting and marking of work
- to assess, record and report on the development, progress and attainment of students, including records on student attendance at lessons together with class and homework set and undertaken
- to carry out the role of form tutor as required
- to participate in meetings arranged for any of the purposes above

Curriculum
