

Tettenhall College

Appointment of Geography Teacher

September 2018

Welcome to Tettenhall College

Founded in 1863, Tettenhall College is an independent, co-educational day and boarding school providing continuous quality education from 2 to 18 years. The College is situated in the picturesque village of Tettenhall and stands in 33 acres of stunning grounds and woods.

The commitment to providing the very best facilities is matched by the energy and passion of well-qualified staff. Small class sizes throughout the College ensure individual attention for each pupil and the flourishing international boarding houses bring a welcome global multicultural element to our community.

The summer of 2017 saw a significant investment in the School's facilities with newly refurbished boarding accommodation, a state of the art Study Centre and Sixth Form Common Room and new multi-purpose sports pitches and squash courts.

The school places a strong emphasis on development of the individual in a supportive environment and has an excellent reputation for its pastoral care. Academic results are consistently high and the School was ranked 336 in the country in the recently published Times Independent School Guide. In 2017, at GCSE there were 27% A*/A grades and 48% A*-B, at A level 64% were A*/B. Sixth form leavers gain places at top universities and specialised art and drama schools and achieve sought-after work placements with major companies.

The School is recognised for its support of those pupils who have additional learning needs including EAL. There is a strong commitment to providing a rich and varied extra-curricular programme and all staff who join will be expected to play a full part in its delivery.

Working with us

This is an exciting time to join the College; under the current leadership the school is progressing rapidly with the aim of becoming one of the best small independent schools in the UK. A new Strategic Plan ("TC in 20") will be launched in Spring 2018 which will guide the School in the next phase of its development.

Pupil numbers have recently grown by 25% and there has been a focus on improving the educational experience in the classroom with committed staff who strive to ensure that all pupils fulfil their personal best. Tettenhall College is a rewarding place to teach and pupils are motivated and keen to learn.

The School is a member of the Society of Heads, the Independent Schools Association and the Boarding Schools Association and we expect all staff to look outwards and focus on continuous professional development. For further information about the School please visit our website at www.tettenhallcollege.co.uk or see our Facebook page at www.facebook.com/tettenhallcollege.

We look forward to receiving your application.
