'To be able to dream about the future, while being inspired in the present to reach those dreams' Dr Russell Quaglia

Welcome to Magna Academy

Thank you for considering Magna Academy Poole for your next appointment. This is an excellent opportunity for an ambitious practitioner **to provide strategic leadership of the rapidly growing English curriculum area and also have the opportunity to become a Specialist Leader of Education (SLE).**

We teach a rigorous academic curriculum consisting of ‘the best that has been thought and said’. With a clear focus on excellent outcomes for students, **you will work with the English team to further drive up attainment, progress and standards at GCSE and A level.**

Despite being a ‘secondary modern’ in a selective grammar school borough, our mind-set is that we are a *‘grammar school for all’*. We are unapologetically ambitious for every child, no matter what their background, prior attainment or needs. **Our goal is to prepare every student to be able to go to university or high-powered alternative. We believe in the traditional values of hard work and kindness.**

Our Academy is a vibrant and exciting place to work and was graded as **outstanding in all areas** by Ofsted in June 2015. In 2016, Magna achieved a Progress 8 score of 0.52, **placing us well within the top 5% of highest performing schools nationally.** In 2017, Magna achieved a Progress 8 score of 0.4, placing us in the top 15% nationally. We are very excited about 2018 performance, estimating that we may have a Progress 8 score in the top 1% of schools nationally. English Language and Literature GCSE outcomes and progress are strong, and we wish to continue to drive them up.

‘This is an outstanding school. Teachers have high expectations of their students, who respond by producing excellent work.’ (OFSTED, June 2015)

‘Students make exceptional progress.’ (OFSTED, June 2015)

‘The behaviour of students is outstanding. They are exceptionally keen to learn, and show real enthusiasm in lessons.’ (OFSTED, June 2015)

Magna Academy is different. Our teaching approaches have been influenced by charter schools in US inner cities and innovations from cognitive science. There are no unwieldy, impossible marking policies, no graded lesson observations and our students’ behaviour is impeccable, supported by same-day centralised detentions. **We also teach a rigorous academic curriculum consisting of ‘the best that has been thought and said.’**

If you are able to visit, you will see a scholarly culture with impeccable behaviour, highly engaged students and silent corridors. At the same time, we are very outward-facing and

To be able to dream about the future, while being inspired in the present to reach those dreams’ Dr Russell J. O’Leary

humble. We know we haven't yet got everything right, and are driven to continuously improve and aspire to become one of the best schools in the country.

- an excellent teacher of **English**
- a **successful leader with some middle leadership experience**, who will play an important role in leading English and the Academy into its next stage of development
- someone with significant experience of raising achievement, leading change and ability to motivate staff and students
- someone who does whatever it takes to ensure the life chances of all our students are maximised. They will blend extreme personal humility with intense professional will.
- totally aligned to our values and mission. If you are the type of person who fits with our culture, you will love working here.

You would be a member of the extended Senior Leadership Team, and have excellent progression opportunities to become an Assistant- Principal as the Academy, National Teaching School, National Support School and MAT continue to grow. As a Teaching School you would also have the opportunity to become a Specialist Leader of Education.

The English Department

The English department is a high performing and dynamic team currently consisting of 9 teachers and 2 1:1/small group English tutors. The department consists of an established, highly skilled and experienced team, including two Assistant Principals, a Deputy Subject Co-ordinator and another TLR holder. One member of the team is an Aspirant Lead Practitioner and one member is a Lead Practitioner.

Six of the team are trained AQA GCSE English Language and Literature examiners.

The English department achieve very strong results. For example, in 2016, 85% of students achieved A*-C in GCSE English Language. The department was ranked in the top 1% of highest performing English departments in England for progress in 2016.

We believe in teaching to the top and scaffolding downwards for all students.

They are housed in a state of the art English area with a mix of classrooms, applied learning spaces, 1:1/small group English tutor rooms and the capacity to adapt to different learning strategies. All rooms are equipped with SMART boards.

Students follow a five year plan in Language and Literature from Year 7-11. There is a highly challenging curriculum in place from Year 7, together with an intensive focus on literacy and reading. The exam board for GCSE is AQA.

In Year 7 and 8, our students follow the IBES 13+ syllabus and sit the 13+ exam. We have recently introduced this and have done so to help provide the rigour and challenge needed at KS3, so our students are fully prepared for the demands of the new GCSE Literature and Language course. We also wish to benchmark our curriculum against the leading independent schools in England.

We offer A Level English Literature in Year 12 and 13.

Yr 7-11 have dedicated 25 minute 'DEAR' reading time every day, where a Penguin Classic story is read. Year 7 and 8 students also complete 30 minutes independent reading/comprehension per night as part of their homework.

Our reading and literacy strategies are informed by Lemov's 'Reading Reconsidered' and 'Thinking Reading' by Murphy.

The role is important to the continuing progress of the Academy. Further experiences and skill development will be provided to support your career development and promotion opportunities.

Vision and culture

We are passionate about excellence in education, giving students the very best start in life with a firm belief that excellent teaching transforms lives. Our core belief is that for all students to have high aspirations they must believe in themselves, be actively engaged in their learning and see the connection between what they learn today and who they want to become tomorrow.

We teach a highly challenging academic curriculum for all students.

We are unapologetically ambitious for every child, no matter what their background, prior attainment or needs. Everything we do at Magna is driven by this, so that our students can leave Magna with the best set of qualifications possible and as well rounded young people, thereby helping to maximise their life chances.

This vision is outlined in our Mission Statement:

EVERY CHILD

All children can be successful, regardless of their background.

HIGHEST ASPIRATIONS

Students, staff, the Academy and the community will live up to the expectations placed upon them.

NO EXCUSES

*We do not dwell on barriers; we look for solutions.
Every excuse is a step on the road to failure. Everyone succeeds here.*

We operate a **'no excuses' and 'growth mind-set'** philosophy believing that every child can achieve no matter what their starting point.

OUR VISION

We wish to create a 'scholarly culture of excellence', that permeates everyday life at Magna. Students learn about the 'Magna Mindset' in tutor time and assemblies, and putting it into practice every day.

At Magna, every decision and action taken is done so with the aim to ensure that **every student can climb their personal mountain to university, or equally aspirational alternative, so they are able to eventually thrive in a top job and have a great life.**

The Aspirations Trust core purpose is to develop young people with the aspirations, skills, qualities and high-level qualifications that will enable them to be the very best they can be, enabling them to compete on a global stage. To achieve this in a highly complex and ever-changing world, we have to ensure that our educational provision is always relevant, innovative, evolves in response to changing needs and provides an outstanding education for all our students. **The Trust's three guiding principles underpin our vision; self-worth, engagement and purpose.**

As such, we believe that Magna is a '**grammar school for all**', taking the best of grammar school ethos and emphasis on strict discipline, smart school uniforms, academic rigour, qualifications, aspirations and effort, but making it available to all children without selection.

We are benchmarking our standards and curriculum against leading independent schools. All of our students will now sit the Independent Schools Examination Board 13+ Exams at the end of Year 8, as part of their 'flight path' to success at GCSE. This helps to ensure that our students are exposed to the same rigorous challenge and knowledge as their peers at leading independent schools.

To help drive us forward, we have adopted the following four 'Mantras' that underpin our vision.

1. **'Work Hard. Be Kind.'**

We believe wholeheartedly in the traditional values of hard work and kindness. Our Academy is warm and caring but is also strict in setting standards.

Our expectations of students and staff are exceptionally high, and we take this approach because we care very much about our students' future and their long-term happiness. If poor attitude or poor behaviour goes unchallenged, it is all too easy for disruption to damage learning opportunities and to create unhappiness for the student and for all their peers.

We focus hard on student achievement. We believe in all our students and we expect that each one of them is capable of making rapid and substantial progress. Meeting that goal requires hard work and dedication from all of us - teachers, students and parents together.

Kindness and gratitude are also a core part of Magna life. There are many opportunities each day for students to show kindness and politeness to their peers and to staff. We believe that practising gratitude makes our students feel more optimistic, energetic, enthusiastic and happy. In assemblies and tutor time, students and staff nominate their peers for 'appreciations', showing gratitude to others who have gone 'above and beyond'.

To be able to dream about the future, while being inspired in the present to reach those dreams' by Russell J. Ouyang

Perseverance is also critical to our students' future success. Our adopted Academy poem, 'If' by Rudyard Kipling, conveys this value:

*'If you can force your heart and nerve and sinew,
To serve their turn long after they are gone,
And so hold on when there is nothing in you,
Except the will that says to them: 'hold on!'*

Hard work brings its rewards. Our Rewards Policy, created in partnership with the Student Leadership Team, is very well received. We have also created Graduation Ceremonies for our Year 8 students at the Academy. For our Year 11 and 13 students, we now hold a very special ceremony at Kimmeridge House on Bournemouth University's prestigious Talbot Campus.

2. **'100% Everyday. No Shortcuts.'**

We expect students to try their very best, each and every day. This will lead to effective habits and mastery. As part of this, we expect every student to complete their homework every day. No excuses, no opt-out. This will enable students to make more rapid progress and achieve well in their exams, so that they have access to a range of opportunities and can go on to do amazing things with their lives.

3. **'Excellence is a Habit.'**

Rather than excuse bad learning habits, at Magna we insist on excellent learning habits everyday - with high expectations and no excuses. Our view is that, over time, all students can pick up excellent learning habits for themselves and will end up as a result happier, better qualified and more successful people. We celebrate excellence through our student devised Rewards Policy.

4. **'Climbing the Mountain to University.'**

We have developed excellent links with a large number of universities, which is being further enhanced this year. We aspire for as many students as possible to win places at competitive universities, and believe all students are capable of this, if they give 100%. We push our students to excel on their journey and this will often involve pushing them out of their comfort zone. Staff

provide maximum support, rewards and sanctions to help our students on their journey, as *'they climb the mountain to university or high powered alternative.'*

To help develop this culture, year groups are now also known by the year in which they will enroll at university or a high powered alternative:

Year 7:	Class of 2025
Year 8:	Class of 2024
Year 9:	Class of 2023
Year 10:	Class of 2022
Year 11:	Class of 2021
Year 12:	Class of 2020
Year 13:	Class of 2019

Teaching and learning

Our Teaching and Learning strategy is also heavily influenced by **Doug Lemov and his 'Teach Like A Champion'** book and we believe passionately in relentlessly implementing any strategy that will eliminate disadvantaged student attainment gaps.

We do **not** believe in learning styles.

We believe in **teaching to the top and scaffolding downwards for all students, with a highly challenging curriculum.**

Some examples of recent books that inspire us/are aligned to our vision:

- *'Teach Like A Champion'* (Lemov)
- *'Reading Reconsidered'* (Lemov)
- *'Why Students Don't Like School?: A Cognitive Scientist Answers Questions About How the Mind Works and What It Means for the Classroom'* (Willingham)
- *'Seven Myths About Education'* (Chrisodoulou)
- *'Headstrong: 11 Lessons of School Leadership'* (Coates)

No Excuses about the future, while being inspired in the present to reach those dreams' *Dr Russell J. Gault*

We believe in Zero Tolerance. We do not make exceptions. When we say we have high standards, we mean it. If you think it is mean to give a detention when a student does not have a pen, Magna isn't the school for you.

Our students walk in silence between lessons, with 30cm pencil cases (with full equipment), in hand, ready to immediately start working as soon as they enter a classroom in silence. This supports our teachers making very strong starts to lessons.

We hold parents to account as well and insist that they support their children by supporting our rules. This creates a very orderly school where children are safe. It requires staff who will 'sweat the small stuff'.

Work life balance, not burnout

We know that teaching is the most rewarding, exhilarating but exhausting profession. **So we are guided by a philosophy of simplicity that aims for maximum impact on student learning with minimal overload on workload for staff. We reduce burnout by applying this effort-to-impact ratio to everything we do.**

For example:

- **We operate a feedback policy, which does not require you to make individualised comments in exercise books, saving you hours of time**
- **Collaborative planning with centralised, shared units of work and resources**
- **Teachers do not produce end of year written reports – just six weekly data inputs.**
- **Homework is streamlined** into note taking, drilling and self-quizzing, reducing marking workload and ensuring very high homework completion.
- **Strict discipline and robust no-nonsense no excuses behaviour systems allow staff to teach without being ground down in low level disruption.**
- **All students have full equipment in their pencil cases all of the time – you will not have the hassle of having to hand out pens, pencils etc at the start of each lesson because students don't have their equipment with them.**
- **Staff will never be blamed for poor student behaviour because their lessons are not engaging enough – you will always be fully backed and supported** - behaviour is the collective responsibility of the academy, with the Principal ultimately accountable.
- **Highly visible and supportive SLT visit every classroom every lesson to check that every student is meeting your expectations.**
- **System of escalating sanctions with centralised same day detentions, including for homework non completion – you are not continuously setting detentions, running detentions and chasing non-attendance.**

To be able to dream about the future, while being inspired in the present to reach those dreams' Sir Russell J. Ouseley

- **We do not grade lessons/teachers with 'high stakes' lesson observations** – we believe in a growth mindset approach, where teachers continually improve over time through continuous coaching/feedback loops.

The Aspirations Academies Trust

The Aspirations Academies Trust (AAT), as a sponsor of primary and secondary age academies in England, is committed to raising students' aspirations so that all young people reach their fullest potential and achieve the success they want for themselves.

The Aspirations Academies Trust in England benefits from QISA's (The Quaglia Institute for Student Aspirations) remarkable record of more than 30 years of research and experience working with students, educators, and schools.

Aspirations is the ability to dream about the future while being inspired in the present to reach those dreams. The Aspirations Academies Trust was set up in England with the vision to combine the thirty years of educational research by Dr. Russ Quaglia on student aspirations with effective and innovative school improvement techniques in order to create truly outstanding schools that would fully prepare students to succeed in this exciting world.

Central to the philosophy of the Aspirations Academies Trust is the innovative Aspirations Framework developed by the Quaglia Institute for Student Aspirations (QISA) which outlines the belief that for all students to have high Aspirations, three Guiding Principles must be present: Self-Worth, Engagement, and Purpose. These Guiding Principles direct the development of educational experiences from the individual classroom to the entire school building. The Three Guiding Principles, in turn, are lived out through 8 Conditions that emphasise relationships, active and engaging teaching and learning, and a sense of responsibility over one's own aims and goals.

The 8 Conditions are:

Belonging • Heroes • Sense of Accomplishment • Fun and Excitement • Curiosity and Creativity • Spirit of Adventure • Leadership and Responsibility • Confidence to Take Action.

Students who have high aspirations believe in themselves, are meaningfully engaged in their learning and the life of the school and work with intention toward their goals.

Our Aspirations Academies have a commitment to make certain that all young people achieve their fullest academic potential and become responsible citizens. To achieve this goal, we are dedicated to promoting and putting into practice the Three Guiding Principles and 8 Conditions that foster student aspirations. Each Academy strives to ensure that all students have the opportunity to discover and appreciate their endless promise for a successful future.

To be able to dream about the future, while being inspired in the present to reach those dreams' Dr Russ J. Quaglia

The Aspirations Academies Trust considers that its beliefs and principles are applicable and effective with students from age 3 to 18. Each stage of a child's education is extremely important - pre-school, primary and secondary - and should, where possible be coherent across the phases of education in the practice of developing the principles and conditions central to the beliefs and aims of the Aspirations Academies Trust.

For this reason, we support primary, secondary and, where possible, all through (Ages 3-18) academies.

At whatever stage a child joins an Aspirations Academy, whether it is at the age of three or sixteen, the aim is to provide each individual child with the best possible life chance. This is done through the achievement of the highest level of qualifications, the development of skills essential to success in an interconnected and highly competitive world, as well as encouraging the highest aspirations, expecting every student to gain a place at university or enter skilled employment.

Safe Recruitment Procedure

The AAT is committed to safeguarding and promoting the welfare of children and young people in its academies. In order to meet this responsibility, its academies follow a rigorous selection process to discourage and screen out unsuitable applicants. This process is outlined below, but can be provided in more detail if requested.

Disclosure

This post is classified as having substantial access to children, and appointment is subject to an enhanced police check of previous criminal convictions (DBS). Applicants are required, before appointment, to disclose any conviction, caution or binding over including 'spent convictions' under the Rehabilitation of Offenders Act 1974 (Exemptions) Order 1975. Non-disclosure may lead to termination of employment. However, disclosure of a criminal background will not necessarily debar individuals from employment – this will depend upon the nature of the offence(s) and when they occurred.
