Classteacher Vacancy

15th March 2021

Dear applicant,

Thank you for your interest in our current vacancy for a classteacher at Morley Memorial Primary School.

Morley is a successful 2 form entry city school, located on the outskirts of the city close to Addenbrookes and Cambridge University's Homerton College. The school serves a diverse community with many families linked to the university, hospital or one of the many science and technology companies located in the area.

We believe that a great education is a well-rounded one and we strive to offer learning experiences which combine our high expectations with creative practice. We pride ourselves on doing this through passionate and inspired teaching and a creative curriculum which embeds learning into exciting contexts and offers meaningful opportunities for cross-curricular links. Children at Morley are very enthusiastic and say they enjoy their learning, especially our WoW days and creative homework projects!

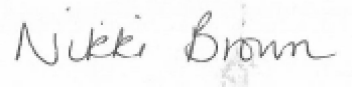

Great learners need great learning habits and through the Visible Learning approach, the school has spent the past two years developing the children's understanding of our learning dispositions: curiosity, resilience, collaboration, motivation, courage and reflection. The first step in great learning is to know what it takes to be an effective learner.

We are a happy, friendly school with a talented and supportive staff team who will be on hand to provide guidance and support when you need it including: experienced NQT mentors; a maths mastery specialist; a Visible Learning coach and a pupil wellbeing team. We have a strong commitment to providing high quality professional development at all career stages and are particularly keen to recruit passionate and reflective practitioners who will relish opportunities to undertake research in their classroom, professional reading or further study.

We hope the recruitment pack provides you with all the information you need. If, however, there are further things you need to know, do feel free to contact the school. Usually visits to the school are encouraged but unfortunately this isn't possible at the moment. It is important that you choose a school which is aligned with your own values so we would be happy to arrange a chat if you would like to know more about what we do here.

We very much look forward to receiving your application and would urge you to submit your application in good time. Shortlisting will be based upon each applicant's capacity to demonstrate how they meet the criteria.

Yours sincerely,

A handwritten signature in cursive script that reads "Nikki Brown". The signature is written in dark ink on a light-colored background.

Ms Nikki Brown
Headteacher
