

HEART

ACADEMIES TRUST

NQT AND BEYOND

At HEART Academies Trust, we offer an exceptional NQT Induction programme which prides itself on providing high quality support and training for all our NQTs. There is a comprehensive CPD programme in place in addition to the support from Bedford Borough in their role as Appropriate Body for Induction. Your support does not stop at the end of your NQT year. We are dedicated to providing personalised, continued support and development for colleagues in the first few years of their teaching career.

What we offer:

- Weekly meetings with your dedicated NQT mentor.
- Regular observations with meaningful and detailed feedback.
- Excellent CPD sessions tailored specifically to the needs of NQTs.
 - Full support of the completion of assessment paperwork.
- Trust wide support and opportunities to network with other NQTs in the Trust.
 - A highly supportive environment of experienced staff.
- Continued tailored support in the years following your induction year that aligns with your career aspirations.
