ST BERNARD'S HIGH SCHOOL

A Catholic Academy for Arts & Science

BACKGROUND INFORMATION

St Bernard's High School is an 11-18 comprehensive school with a 200 place Sixth Form. The School has an excellent reputation and recruits students from Essex and Outer London as well as the local Southend community. The total number on roll in December 2020 was 935.

The School celebrated its centenary in 2010. In 2011 St Bernard's became an Academy and retained its specialisms in Arts and Science. In 2016 the school was judged by Ofsted to be 'good'.

The School has worked tirelessly to further raise the achievement of the students. In 2019 (there is no performance data for 2020 due to Covid-19), Year 11 students at St Bernard's achieved a Progress 8 figure of 0.89, the highest score in Southend; this score placed St. Bernard's in the top 100 schools in the country.

Students' spiritual, moral, social and cultural education underpins all aspects of school life, is a notable strength of the school and results in high levels of cooperation between all members of the school community. In 2017 the school received an 'outstanding' judgment at the Section 48 Diocesan Inspection.

The School has been awarded Arts Mark Gold many times and have previously held the prestigious NACE Award.

Students enjoy a rich and varied academic curriculum, both inside and outside the classroom, with all departments organising educational visits to enhance learning experiences and raise aspiration. The curriculum is lively and relevant. It is enriched by cross curricular opportunities within the Arts and in previous years STEM.

Learning and teaching is characterised by: innovation, full inclusion, challenge, collaboration and high quality feedback. We judge that teaching is 'outstanding'. A strength of the school is the sharing of good practice both within and between departments to continue to develop expertise and raise standards. Staff work hard to make sure all groups of students achieve their full potential.

In order that students are able to access the curriculum, and are ready to learn, pastoral care and the provision of additional support for vulnerable students are priorities and great strengths of the school.

Leaders at all levels are highly ambitious for the school and have a shared commitment to achieving the very best outcomes for the students. All staff and governors discharge their statutory responsibilities with regard to all aspects of safeguarding.

Student leadership is a key element of life at the school. Students take on a wide range of leadership roles. This is a school which respects and celebrates diversity.

The school has a well-developed School Improvement Plan setting out our priorities as we journey to be fully outstanding in all areas.

The school plays an active role within the Deanery of South East Essex. We are also the Hub School for the Southend Central Cluster of schools. We value all these relationships and work together to enhance the educational experiences of all students.

We have completed a successful 10 year plan to develop the site and enhance the facilities. The school's Asset Management Plan sets out the programme to ensure the environment continues to be attractive, well maintained and supports the curriculum.

2020-21 School Improvement Plan priorities

Key Priorities

The key priorities as set by the Governing Body for the next 12 months are to:

 2. Greater use of 'how' and 'why' questions
 3. Widespread use of mini-whiteboards

Partially achieved in 2019/20, but not completed due to school closure in March.

- Differentiation to be included in the vast majority of lessons, including:

 - b. Differentiation using different tasks or resources
 - c. Differentiation through the intervention of the teacher or support staff in the classroom
 - Learning Support staff deployed in class as much as possible, and used effectively to support differentiated activities (see above). Partially achieved in 2019/20, but not completed due to school closure in March.
 - Consolidate 1-to-1 intervention/small group targeted work in English and maths, with support being focused on PPG students and those needing additional support due to Covid 19.
