January 2021

Dear Candidate

Prep School Teacher, Key Stage 1

Welcome to Rye! We are a flourishing school in the heart of Oxford welcoming pupils from Nursery through to Sixth Form on one site. For April 2021 we are looking to recruit a Key Stage 1 Teacher who can lead our Reception Class through the final stages of their first year in school before taking on a new class in September with any year group within our Pre-Prep.

We have developed a forward-thinking and dynamic approach to teaching and learning called the Rye Way, which builds pupils' curiosity in learning and skill development. If you enjoy working closely with children, taking on projects and seeing developments in teaching, then this is the role for you. We are looking for someone with confidence to further develop our EYFS provision alongside a committed and experienced team of professionals.

As a school, our approach centres on the individual child and their learning needs so that every child is supported and challenged to be the very best version of themselves. This is not just in the classroom but in the wider school community and through the strong enrichment programme that we offer. We are renowned as a school for strong pastoral care and our nurturing approach to pupils.

If you have energy, love to focus on teaching and learning and seeing children develop a love of learning then this is the role for you. We pride ourselves on school class sizes (under 20) so that strong relationships can be built with pupils and their parents.

We are committed as school to the professional development of all members of our school community and there will be much opportunity for you to develop your expertise and knowledge in areas of interest.

If you have any questions or would like an informal discussion about this role, please do get in touch with Ellen Phelps, HR Manager, who will organise a time for us to meet on the telephone or online.

I very much hope to welcome you in person to Rye.

Best wishes

Miss Joanne Croft
Head
