

REDDIFORD SCHOOL - JOB DESCRIPTION

Job Description

Class/Subject Teacher

We are a small EY, Pre-Prep and Prep School (Pre-school to Year 6) in the heart of Pinner, North West London, set over three sites (albeit close together). Close to local amenities and the Metropolitan line with easy access to/from London and good links to the M1, M40 and M25. The school is celebrating 110 years in September 2023.

The school is academically selective and the pupils achieve academic excellence in a warm and caring environment. Pupils are prepared for Independent and Grammar School entrance examinations ready for secondary transfer. Teaching staff enjoy an outstanding staff/pupil ratio across all year groups.

The Reception classes are situated in our Early Years building which is on one floor and has two outside play areas. We enjoy healthy Pre-school numbers where most pupils move into our Reception Classes. The Reception Classes benefit from using our new gym and ICT suite facilities in the Prep School.

Reddiford School has been established in Cecil Park, Pinner since 1913. Reddiford School aims to develop the whole child, not just securing academic foundations but also in the varied qualities needed in a demanding modern society. This is achieved by providing a broad and balanced curriculum. The Christian ethos encourages fellowship between all cultures and religions. Self-discipline, tolerance and care for their fellow man are also an essential part of the curriculum. Expectations therefore are high and pupils are expected to rise to meet these demands, both academically and socially, within the secure framework of the school. Each pupil is different and care is taken through positive direction and reward to enable all children to achieve success and excel in their own way.

The school has three departments: Early Years (including Reception classes). Pre-Prep (Years 1 & 2) and Prep (Years 3-6).
