A photograph of two male students in school uniforms. The student in the foreground is wearing a dark blazer with a white collar and a colorful crest on the pocket, and is looking through a microscope. The student behind him is resting his chin on his hand and looking on. They are in a laboratory with a white table, a potted plant, and a poster in the background.

Why work at Ernest Bevin College?

Ernest Bevin College is a six form entry boys' school, maintained by Wandsworth Education Authority. The current roll is 1,300 students, including approximately 350 in the co-educational Sixth Form. One third of the annual intake is selected by means of a general ability test. The College continues with its original specialisms in Sports, Maths & Computing. The College is a STEM Assured College - one of only four schools in the country to achieve this. As a result, the College will aim to become a STEM hub which will open up a vast number of opportunities for our students and staff. The College was judged 'Outstanding' in our last Ofsted.

Leadership: The College is led by the Principal, two Vice Principals, four Assistant Principals, three Senior Teachers, a Business Manager and Head of Network and Learning Services. The College operates a Faculty system whereby each Faculty is led by a member of the Leadership Team. Each Faculty supports and monitors pupil progress rigorously through our Quality Assurance Cycle. The Head of Year leads a team of tutors who are responsible for the wellbeing of their year. The ethos of the College is one of high expectations of behaviour and learning in conjunction with a warm, friendly and positive environment. The College has a track record of succession planning and staff have many opportunities for internal promotion.

Colleagues: The College has a highly stable and committed staff who have high expectations of themselves and their students and who work very hard to meet individual needs. We like to look after our staff by providing support and training and a good environment in which to work. The facilities in subject areas are of a high standard and every classroom is equipped with an interactive whiteboard or Smart TV. The majority of staff are provided with a tablet PC. New members of staff are supported through a comprehensive mentoring programme with a dedicated mentor. Staff have many opportunities for social activities: there is a free yoga class once a week and access to our wide range of sporting, keep fit and swimming facilities all free of charge. There is also free tea and coffee throughout the day, a half termly staff quiz and a huge number of social events during the year.

Environment: The College buildings are of a very high standard, providing excellent facilities in all curriculum areas. We have recently refurbished our Science Laboratories and Food Technology Room which reflect our desire for continuous improvements in our learning environment. The College opened its new £7 million Sixth Form Centre and Sports Complex in recent years which has provided us with new Sixth Form accommodation, including a lecture theatre and common room.

Success: We are extremely proud of the achievements of our students. In 2018: 47% of the Year 11 achieved both English and Maths at Grade 5+, 62% of the Year 11 achieved both English and Maths at Grade 4+. These figures are above the national average for boys. Our Sixth Form has grown steadily over the last six years both in terms of the number of students and their achievements. Over 80% of our Year 11 have returned to our Sixth Form. This year over 108 (82%) of students from our Sixth Form went to university, 22 have gone onto Apprenticeships.

Sport: The College has a proven record of sporting success at local, regional and international level. The sports facilities are of the highest standard and include a sports hall, a 25m swimming pool, a dojo (for judo) and a fitness suite. We work with Greenhouse with four dedicated sports coaches training our students to compete at national and international levels in the sports of judo, table tennis, volleyball and rugby. We have just opened a Cricket Academy in partnership with Twenty20 Community Cricket which will enable students to benefit from professional cricket coaching and a full programme of competitive matches alongside their studies. We are the only school in London to open a new Combined Cadet Force unit (CCF) in recent years and the Royal Marines will be working with some of our students.

The Art Department

The Art department at the college has three teachers and art equipped classrooms, an Art technician, a dark room and clay room with kiln.

Students study art for two periods a week at KS3 and we offer GCSE and BTEC at KS4. In addition pupils also have the opportunity to study Fine Art A-Level, BTEC Extended Certificate or BTEC award level 3 at sixth form. At Key Stage 4 pupils study the AQA GCSE Modular course. We introduced BTEC Art and Design for a more vocational course at KS4 enabling students to study a more holistic design course with a vocational brief.

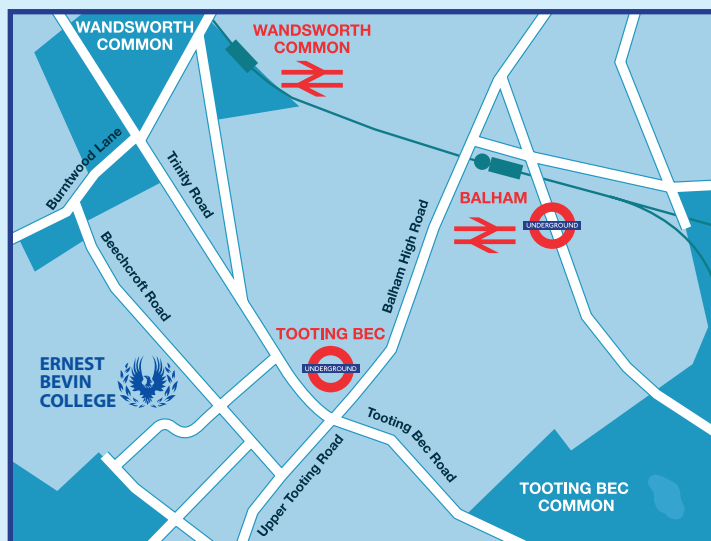

The department has established close links with a number of outside agencies working with the RCA, Roehampton University on an EU commission research project and feeder primary schools. We are always keen to be involved in projects promoting art and students involvement in working with the Arts. We have also encouraged students to be involved in the Tate Youth Forum and a number of sixth form students go on to study art at Degree Level.

Pupils learning is enhanced by using the latest teaching methods and technology aimed at motivating them, and each classroom is equipped with an interactive whiteboard and computers with Photoshop CC 2014.

Over the past three years the team has worked extremely hard introducing and developing strategies to improve teaching and learning across both key stages, and have already led to success at GCSE and A level. We are very contemporary in our approaches and encourage the students to express themselves in all mediums, scales and materials.

Visits to galleries and museums are organised each year by the department and all Year 9 students visit a gallery for first-hand experience of art works. We have an exhibition at the end of every year to celebrate the student's achievement.

The department encourages any initiatives that can improve teaching and student achievement and experience.

The college is situated a short walk from Tooting Bec underground, Wandsworth Common and Balham main line stations. Numerous bus routes serve the local area.

Geraldine (Exams Officer)

Ernest Bevin College is one of the best schools I have found over the years for a truly community feeling whereby you feel appreciated and if you are ever down then someone is there to listen or help.

**Michael (Head of Maths)**

I have been at Ernest Bevin for a long time and have experienced many transformations in my entire time here. What I enjoy most is the sense of community and the open door policy that gives staff the opportunity to discuss any issues they may have.

**Sharon (Health, Social and Well-Being Coordinator)**

Ernest Bevin has a very dedicated team many of whom have worked here for years. The school offers opportunities to move up in your career and also has a very friendly atmosphere.

**Lydia (Head of Citizenship)**

Lots of hard work but also lots of rewards which make it all worthwhile.

**Ghassan (Teacher of Computer Science)**

Ernest Bevin is a great school to work in. You are surrounded by supportive members of staff and an excellent teaching and learning environment. I have enjoyed my time here so far and would recommend this school to anyone that wants to join the team.

**Nasir (Business Manager)**

The staff at Ernest Bevin College work very hard to get the best out of every single pupil. I have never seen such a strong commitment to releasing every child's potential anywhere else!

**Robert (Learning Support Supervisor)**

Moving to Ernest Bevin was a great for me. The support and encouragement from others has been fantastic. Everything that the school does has the students best interests and their success at its core.

**Aine (Teacher of English)**

Ernest Bevin is a brilliant school to develop your teaching skills at, as it is such a supportive environment. Help and advice from colleagues in Bevin can be found from anyone at anytime, anywhere.

**Alexandria (Teacher of Maths)**

Bevin is vibrant and exciting! No two days are ever the same!

**Adrian (Learning Resources Manager)**

Working at Ernest Bevin by providing a service to the college and students for 45 years. It must be good!

Bevin believes in...
respect, opportunity, happiness, resilience, tolerance
