Lead Teacher of Computing and ICT

Information Pack

March 2019

APPOINTMENT OF SUBJECT LEADERS

The Headteacher and the Governors of the Hammersmith Academy Trust invite applications for a Lead Teacher of Computing and ICT at this state-of-the-art, non-denominational, all-ability, co-educational secondary school for 11-18 year olds. Sponsored by City of London Livery Companies; the Mercers' Company and the Information Technologists' Company, the Academy opened in September 2011 to Year 7 and Year 12 students and has grown to 850 on roll.

Applications are welcomed from well-qualified and experienced teachers with the appropriate skills, vision and desire to develop a highly effective and successful school where expectations are high and there is a strong focus on student achievement. Furthermore, the sponsors' networks of schools and colleges have track records of subject teachers moving into leadership positions, and of encouraging innovative classroom approaches.

BACKGROUND TO THE ACADEMY

The Academy (www.hammersmithacademy.org) combines excellence in achievement across the curriculum with opportunity and innovation in learning approaches developed through the Academy's specialisms in ICT and Creative and Digital Media.

The Academy is oversubscribed and continues to be highly successful, with over 800 applications for 130 spaces in Year 7 for 2018.

A Vision and Ethos statement is provided within the application pack. The sponsors are committed to excellence in secondary education and have a track record of working with successful Academies and in areas of significant Academy improvement. The educational vision, building design, curriculum model and Academy organisation plan are based on the template developed successfully at Thomas Telford Academy and the Mercers' other Academies in the West Midlands combined with the Information Technologists' experience of Academy improvement at Lilian Baylis Academy in Lambeth and their expertise and industry contacts in IT and Digital and Creative Media.

The Hammersmith Academy has the support of, and access to, the expertise and educational networks of the Mercers' group of 15 schools and colleges, which includes the nearby, highly acclaimed St. Paul's schools' (Independent), two 6th Form Colleges in the South-east, as well as the Thomas Telford family of Academies. Further details of the sponsors' educational activities can be found on their websites www.wcit.org.uk and www.mercers.co.uk. The sponsors also have strong links with international IT industries and with the City of London.

THE POST

We are seeking to appoint a dynamic and inspiring Lead Teacher of Computing and ICT. The successful applicant will be a well-qualified, experienced specialist who is committed to achieving high standards and developing each child to their potential.

This is an excellent opportunity for personal and professional development as your role will evolve as the Academy continues to develop and will include elements of curriculum leadership, pastoral leadership and potentially some academy wide responsibilities.

If you are an outstanding leader with high expectations, who can achieve the highest standards from your students and staff team and can create a culture of success through challenge and innovation as well as instil a love of learning, we would like to hear from you. The Lead Teacher will need to demonstrate the following in the development of a successful Academy in line with the sponsors' vision:

- Leadership, vision and drive to raise educational standards;

- An inclusive approach to a school ethos of achievement;

- Commitment to a varied and effective range of teaching methods underpinned by modern technology and on-line learning approaches, and to the development of students as effective autonomous learners;

- Provide excellent leadership which promotes the highest standards of teaching in the subject area;

- The ability to combine clear vision and the translation of ideas into action;

- Commitment to the benefits to students of a longer taught day and an extensive enrichment programme;

- Determination to achieve ambitious targets and outcomes;

- Responsibility and accountability for all decisions taken;

- Ability to work effectively with others and represent the Academy to the local and wider community;

- Lead, develop and implement an innovative and creative online curriculum and learning programme;

- Utilise the most appropriate resources for the subject area and ensure that they are used efficiently, effectively and safely whilst providing value for money;

- Secure excellent progress and attainment of students in the subject area;

- Play a role in the leadership of the pastoral structure within the academy;

- Develop and implement policies, plans, targets and practices within the context of the Academy's vision and ethos.

HAMMERSMITH ACADEMY
INSPIRE, CREATE, SUCCEED

Vision
To develop highly qualified, aspirational young adults who make outstanding progress and as active citizens take a lead within the community and are committed to giving 100% in everything they do.

Values
We inspire pride and confidence in our students to achieve their full potential. Everyone in the Academy is responsible for modelling a positive and professional attitude at all times.

We create a stimulating and enriching learning environment where high expectations and challenge prepare students for a global society.

We succeed by developing a growth mind-set through the skills of resilience, resourcefulness, reflectiveness and reciprocity.

The HA WAY - HA learners demonstrate:
- Pride and Commitment
- Professionalism and Leadership
- Active citizenship
- Honesty and Reliability
- Respect and Integrity

Hammersmith Academy ensures that students are happy, safe and secure in their learning and develop through a culture of success, into self-confident independent learners who become highly valued members of their community. Strong leadership at all levels challenges underachievement and ensures students make outstanding progress and achieve high standards of attainment.

It is an inspiring and creative place to learn, which is rich in digital and creative media technology that stimulates and develops students' academic and vocational skills through the promotion of excellence.

Students leaving the academy will have the following profile:
- A strong portfolio of accredited achievement;
- A highly developed sense of responsibility and pride in their own performance;
- Outstanding communication skills, including digital literacy
- Well-developed literacy and numeracy skills
- Strong leadership skills coupled with a professional attitude to enhance employability;
- An ability to work collaboratively and develop team cohesion;
- An aptitude for research, enquiry, problem solving and creativity
  Are actively kind, caring and socially responsible.

Developing character and a growth mind-set - Be better than you thought you could be
Good character development coupled with academic success is essential to a high quality education. We succeed by developing a growth mind-set through the skills of resilience in the face of challenge, resourceful when solving problems, reflective when evaluating progress and reciprocal when working in teams. To be fearless when striving for excellence and contributing positively to life in a global society.

We want each individual to be better than they thought they could be. We believe everyone is powerful beyond measure and capable of extraordinary achievements. We expect more from ourselves and each other in our drive to be the best and are 100% committed in everything we do. We constantly challenge students to push their limits, to work hard, to be resilient and inspire each other to *outstanding* success. We expect the same from all adults. That they are determined and committed to be the best they can be, demonstrate a 'can do' attitude and transmit these expectations to the students.

Knowledge is power

Knowledge creates power. First, Intellectual power- -primarily through the core disciplines of literacy and mathematics which are the building blocks in accessing a successful life. Second, Economic power – a deep understanding of the links between self-management and problem solving skills in becoming rounded and grounded in preparation for the world of work and thirdly, Social power - developing our social and moral responsibility as active citizens.

We prepare students for successful lives through a stimulating and engaging curriculum where our practices mirror those found in the wider world of work. Using a broad experiential approach, students are given the opportunity to make choices, take responsibility for their learning and accelerate their interests in greater depth.

Developing a thirst for knowledge through inspirational teaching is powerful. Its value is limitless. It enables students to absorb challenging concepts and develop the skills of critique, analysis and evaluation.

Leading is achieving

Leadership is central to our ethos of success as an individual, a team and a learning organisation. We work closely together to improve. We consistently look to enhance the quality of what we are doing and seek inspiration from inside and outside the Academy.

Our students are future leaders who develop a clear sense of ownership and pride in their own performance which empowers them to support others. We expect students to value and celebrate success and champion their community.

All adults are expected to lead and to build a performance culture. In every action, attitude and expression, they set direction and expectation. Every adult is trusted to act with integrity and take personal responsibility to do the right thing for the students.
