

Job Advertisement: Full time Teacher of Computing for 1st September 2021
A permanent contract and Recruitment Allowance are available for the right candidate

Monmouth Comprehensive School is seeking to appoint an excellent classroom practitioner who:

- is able to facilitate learning to the highest standards
- will build positive relationships with all learners
- has the ability to create a supportive and well-ordered classroom environment

The successful candidate will teach Computing (ICT and Computer Science) across the key stages - KS3 to KS5.

We are an over-subscribed comprehensive secondary school of around 1,700 students and 160 staff. We are located in the centre of Monmouth, and we serve the local community as well as other nearby areas in both Wales and England. We have the benefit of a magnificent new school building that was completed 2 years ago under the 21st Century Schools programme. It is a wonderful modern facility that has education at its heart.

The school has 8 main feeder primary schools, and over 30 other primary schools. We are absolutely determined to provide an exceptional standard of education for every child that comes to our school, so that they have the opportunity to lead happy and successful lives.

The school is fully comprehensive and provides for a wide range of learning needs. Currently 14% of the school population is on the Register for Additional Learning Needs. The range of need is from specific through to moderate as well as severe learning difficulties. 8.6 % of the school population are being supported by the government's Pupil Deprivation Grant. The rolling average for FSM is 8.6%.

We welcome applications from candidates whose personal qualities and values reflect those in the person specification, and whose experiences also place them in a strong position to deliver the challenges set out in the job description.
