Welcome Letter

Dear Candidate,

Thank you for your interest in this role within the Astrea Academy Trust.

This is a hugely exciting time for our family of academies. The Trust has been recognised by the Department for Education as being well placed to raise standards and achieve excellence for pupils in a growing number of academies. We are presented with a rare opportunity to make a real difference to the lives and life chances of so many primary and secondary school children – many of whom haven't previously received the educational opportunities they deserve.

The Trust currently has academies based across South Yorkshire and Cambridgeshire, including academies at various stages of development. As a Trust, we are clear about the importance of achieving long term sustainability for our academies. Our vision is to enable individual academies to flourish with real autonomy, whilst also ensuring a strong ethos of support and collaboration across our Academies.

Employees within Astrea belong to a community of professionals, and benefit from a wide range of networks and development opportunities across the Trust. The Trust provides a strong culture of collaboration and support, together with high expectations for staff and pupils alike.

Those we recruit can demonstrate that they share our values, are highly motivated to work with colleagues within and beyond their academy to continuously develop their skills and pursue professional excellence, and are committed to providing the highest standards of teaching for all children. If that is you then we would be delighted to receive your application.

Libby Nicholas

Chief Executive, Astrea Academy Trust

A Warm Welcome from Angela Wells, Principal - Netherwood Academy

This is an incredibly exciting time to join Netherwood Academy.

Netherwood is an eight form entry 11-16 school situated in fantastic grounds in Wombwell, Barnsley. The Academy was formed five years ago merging two local community schools onto a single site and joined Astrea Academy Trust in April 2017. Students and staff benefit from working in a modern £35m PFI building with fantastic facilities. Outcomes at the Academy have previously suffered as a result of bringing two very different schools together but look stronger moving forwards. This is an exciting opportunity to be part of a team on a journey to becoming an outstanding Maths department. Primarily, the successful candidate will be an outstanding teacher of Maths who will be able to offer the skills and experience to teach across a range of Maths subjects at each Key Stage. This post is an excellent opportunity for you to really make a difference on your journey to middle leadership.

Netherwood Academy has a team of committed professionals who aspire to provide our pupils with the best possible life chances, and will ensure they acquire the skills, knowledge and ambition to be successful and happy members of modern British society. To do this, the new Maths teacher will be key in ensuring that all pupils are developed not just pupils' academic ability, but the skills required to become successful life-long learners of Maths.

Astrea Academies Trust is an inspirational academies network that aims to give children and young people from all backgrounds an education that will transform their lives.

Membership of the Astrea Academies Trust provides enhanced CPD opportunities for staff, and you can expect a tailored induction programme that will support, reward and challenge you.

Astrea Academy Trust

We value all-round development of the individual, through arts, sports, leadership opportunities, enrichment and community. This is encapsulated in the skills, qualities and personalities we foster in our pupils.

The Astrea Academy Trust logo communicates the values collaboration, development and aspiration. The three figures are coming together in the shape of a tree, which represents growth, whilst the tallest figure reaches upwards, towards a star, which is above and beyond the highest branch of the tree.

Academies, staff and children within the Trust benefit from a strong ethos of support and collaboration across the Astrea family. Teachers within Astrea belong to a national community of professionals, and benefit from a wide range of networks and development opportunities across the Trust.

Astrea benefits from the involvement of leading educationalists, including our Professional Adviser Professor John West-Burnham, and strong links to prestigious institutions such as the Institute of Education.

Astrea Academy Trust Ethos

The work of the Astrea Academy Trust is underpinned by five core Value Partners, which are equally applicable to pupils, staff and the work of the Trust itself.

Each pair of Value Partners is accompanied by a call for action in the form of a hashtag, which is used in verbal, digital and hard copy communications.

The Value Partners can be used as a measure of individual, Academy and Trust progress and as a guide to inform the direction of change.

Responsibility and Leadership

Individuals in the Astrea community are accountable for their own decisions and actions and are supported by strong leaders, while trailblazers are encouraged to develop skills and talents in others. The Trust has a strong commitment to developing and nurturing our own leaders. **#4equity**

The Trust is committed to Safeguarding and Promoting the Welfare of all its students. Each student's welfare is of paramount importance. We recognise that some children *may* be especially vulnerable to abuse e.g. those with Special Educational Needs, those living in adverse circumstances.

We recognise that children who are abused or neglected may find it difficult to develop a sense of self-worth and to view the world in a positive way. Whilst at the Academies, their behaviour may be challenging. We will always take a considered and sensitive approach in order that we can support all our students.

The Trust's Child Safeguarding Policy applies to all adults, including volunteers, working in or on behalf of the Trust.

Everyone in the education service shares an objective to help keep children and young people safe by contributing to:

- Providing a safe environment for children and young people to learn in education settings; and
- Identifying children and young people who are suffering or likely to suffer significant harm, and taking appropriate action with the aim of making sure they are kept safe both at home and in the education setting'

Keeping Children Safe in Education 2016

The Trust pays full regard to 'Keeping Children Safe in Education' guidance 2016. We ensure that all appropriate measures are applied in relation to everyone who works for the Trust who is likely to be perceived by the children as a safe and trustworthy adult including e.g. volunteers and staff employed by contractors.
