

RESIDENTIAL BOARDING TUTOR AND IB ECONOMICS & BUSINESS MANAGEMENT TEACHER

JOB OVERVIEW

We are seeking to appoint an enthusiastic and inspiring **Residential Boarding Tutor, from August 2024**, to support our boarding team in ensuring the well-being (health, attitude, discipline), personal development and academic progress of the students under their care.

The position is full-time and would be combined with a teaching position role, preferably **IB Economics & Business Management**.

LE RÉGENT INTERNATIONAL SCHOOL

Founded in 2015, Le Régent is a rapidly developing Swiss boarding and day school with an international academic programme. Over 270 students from Switzerland and around the world are educated in a modern campus in the heart of the Valais Alps in the attractive and lively ski resort of Crans-Montana. Le Régent has been under the guidance of Institut Le Rosey (www.rosey.ch) since August 2019.

Le Régent follows a rigorous academic programme in English in preparation for the International Baccalaureate (IB) Diploma Programme and for its own diploma, the Régent Graduation Diploma, while nurturing the individual talents of each student with its diverse extracurricular offering, including sports, arts, music and mountain activities.

Junior and secondary students follow the IPC and an adapted version of the UK curriculum and Pre-IB leading in some cases to IGCSEs and then the IB Diploma, where the school offers the Language and Literature course at both standard and higher level. The future introduction of the A Literature course is also a possibility. Teaching allocations are shared across the department and we would hope to appoint a candidate able to teach at all secondary levels.

Academic standards are high, class sizes are small and the international student and teaching body ensures an interesting and stimulating classroom and school atmosphere. The school's exceptional location and outdoor education programme and the chance to ski during the winter season are important attractions for both students and staff.

As a boarding school that welcomes day students, the successful candidate will have the positive outlook required to actively be part of a vibrant boarding community and provide a positive presence in the school. In particular, the candidate will have the drive to foster a love of learning allied with high academic standards.

RECRUITMENT PROCEDURES

We reserve the right to appoint the right candidate ahead of the closing date. Appointment to take effect from August 2024.

Applications should be through the **TES Website**.

Le Régent is committed to safeguarding and promoting the welfare of children. Applicants will therefore need to undergo child protection screening appropriate to the post.

UK APPLICANTS

UK nationals should be aware that regulations to obtain a work permit are both lengthy and considerably tighter for third-state (such as UK) nationals than they are for most Europeans. Although it is possible that we will appoint a UK national, preference will be given to candidates possessing a Swiss residence permit or an EU/EFTA passport.
