

# CHATSWORTH PRIMARY SCHOOL

## Hounslow TW3 2NW

Chatsworth Primary School is situated close to Heathrow Airport and ten miles from the heart of London. We are situated less than five minutes' walk from a mainline station and ten minutes' walk from two Piccadilly Line tube stops. We are also close to the rugby stadium at Twickenham.

**We are looking for two Newly Qualified Teachers to join our happy team.**

Chatsworth is an exciting and supportive 3-form entry primary school with Nursery and 2-Yr-old centre. Salaries include outer London weighting.

Our **OFSTED** inspection in **March 2019** graded us as **GOOD** in ALL areas (pupil welfare was judged **OUTSTANDING**).

Some of our terrific children

Key Stage Two music

We have a positive reputation within the local community and the school is very popular.

Visitors to the school constantly remark on our calm, purposeful learning environment. We believe in a holistic approach to education and offer a wide range of enrichment activities for our pupils to experience.

We have extremely high expectations of the pupils and believe in a traditional approach to school uniform and behaviour.

Staff are expected to have high aspirations in all that they do in order to achieve the very best for all our pupils. We support staff fully both in their day to day work and their professional development.

**Are you interested in joining us? David Wright (our Head Teacher) will be happy to chat to you and talk about the school and how we support colleagues new to teaching.**
