ABOUT CATERHAM

We are a highly successful and ambitious school but, above all else, Caterham is a warm and welcoming community where each member is nurtured and encouraged to flourish.

Caterham is consistently recognised as one of the leading co-educational schools in the country. We are committed to providing an environment in which all pupils are challenged to be the best they can be, and one in which pastoral care and well-being underpin academic, co-curricular and sporting excellence.

We believe in providing an education for life for all Caterhamians and we seek to ensure that the learning experience at our school blends the best of tradition with the exciting opportunities provided by new technology. Learning how to learn is a key facet of a Caterham education and is an essential skill for life in the twenty-first century. We believe that a truly excellent school is about more than academic

achievement alone: it is also about developing a passion for learning; a capacity for independent and critical thinking; self-awareness and resilience; self-confidence without arrogance and genuine interests that extend beyond the confines of the classroom.

At Caterham School we focus on developing the whole person, aiming to ensure that each pupil leaves here ready for the challenges of life at university and beyond, and understanding their responsibilities towards others. We want our pupils to leave Caterham well equipped to engage positively with a rapidly changing world as accomplished problem solvers and innovators, confident in their ability to lead and with a clear appreciation of and respect for the views and potential of others.

THE JOURNEY STARTS CATERHAM PREP

Caterham Prep is an IAPS co-educational day school that is an integral part of Caterham School. At Prep we cater for children from four to eleven years of age. Most of our pupils go on to join our Senior School, which in turn caters for pupils from eleven to eighteen years of age.

Caterham Prep School seeks to provide an inspiring education preparing all of our young people for the senior school.

We believe that education should challenge pupils to be the best that they can be at all times, to instill in them the habits of learning that will see them succeed in any context, to provide opportunities for pupils to find success and fulfilment through achievement and excellence and to leave them with a love of learning and exploration that will stay with them throughout their lives.

Learning to learn is a key facet of a Caterham education and our classroom experience encourages innovation, independence and collaboration. Wellbeing and pastoral care is at the heart of all we do and we firmly believe that children succeed when they feel safe, supported and secure and when their educational journey is built around what is right for each child.

As you will see as you explore our website, we offer a broad selection of subjects and activities. Our pupils benefit from a stimulating, supportive and challenging learning environment. Our commitment to investing in technology that supports the highest standards of teaching, together with our beautiful grounds and buildings, offers our pupils a unique learning experience as they develop through their formative years.
