

ABBNEY COLLEGE CAMBRIDGE

TEACHER OF MATHS - JANUARY OR APRIL 2022

'The students are very friendly and cooperative; lessons are intimate and offer many opportunities which are not available in other schools such as the ability to work one-to-one with every student regularly; the staff are also very friendly and welcoming.'

'My time at Abbey College Cambridge has made me more mature in my outlook towards life in general. The teachers pay a lot of attention to details and they always give a 100% to their students. They are always there for you when you need help, so you feel academically secure.'

ABBNEY COLLEGE CAMBRIDGE

ABOUT US

Abbey College Cambridge is continually expanding with over 400 students from more than 40 countries currently study with us. They are united by one ambition: to enter one of the top universities in the UK. Our students, working with our experienced, professional, highly skilled staff, form a vibrant community.

During this growth our educational ethos has remained very clear: outstanding achievement for all and to provide the best possible start for every child in our care.

Our staff come from a diverse range of backgrounds, many have enjoyed previous careers in academia, government service, industry and commerce. Many of our teachers have been educated at the UK's top universities, and we are fortunate to have both senior and assistant examiners in the staff body.

We know that the staff are our greatest asset so we are constantly on the look out for individuals with the skills and perspective to support our ethos. We invest heavily in staff training and development as this is absolutely fundamental to what we do.

We have 56 fully equipped classrooms including 12 laboratory spaces, an art studio, music rehearsal room, and performance spaces.

'The teachers really interact with you and help you achieve the best you can. They have pushed me to test my limits and surpass them. I've made great friends and lived in a city with such prestige.'

'There is a diverse community of students and caring teachers who always try their best to guide me and helping with my university application. I hope to study Medicine and work as a doctor. The college has provided me with guidance in choosing the best possible route.'

TEACHING AT ABBEY COLLEGE CAMBRIDGE

We specialise in providing high quality teaching to classes of around ten students. Our student body is made up of students from many countries who study A-levels, International Foundation, GCSE and pre-sessional courses focussed on English Language.

Such students are often able and ambitious and usually aspire to gain entry to top UK universities after completing their studies with us. The college has a track record of helping such students to do just that. As an illustration, five Abbey College Cambridge alumni entered undergraduate courses at Oxford and Cambridge universities in 2019, with a third of other applicants from our college entering top UK universities.

Staff at Abbey College Cambridge share key values. We agree to:

- Value every student and member of staff
- Work constantly to raise expectations
- Develop learning and teaching strategies suited to each student
- Work in close partnership with students, parents, guardians and agents
- Nurture, share and celebrate the successes of every member of the community.

The Mathematics Department

The Mathematics department at Abbey College Cambridge is a large and very successful department of committed professionals who are passionate about the subject. We come from a range of backgrounds and experiences and we work together as a friendly and mutually supportive team.

We currently offer a wide range of courses to suit all individual needs, including:

- AS/A-Level Mathematics
- AS/A-Level Further Mathematics
- Mathematics—Foundation course
- GCSE Mathematics and Further Mathematics
- Step and AEA classes

Personal tutoring

Abbey salaried teachers take the role of a Personal Tutor for a group of Abbey students, with whom they meet on a regular basis to review progress and to assist with the delivery of PSHE and citizenship programmes.

ABOUT THE ROLE

It is the collective responsibility of all members of staff to create a friendly, stimulating, and secure environment in which every student in the college has the opportunity to develop personally, socially, and academically.

Main duties and Key Responsibilities:

Comply with all policies of Abbey College Cambridge and Alpha Plus Group Ltd. These documents are available on the staff portal.

Undertake all duties in a responsible and professional manner. Issue instructions clearly and without ambiguity. Listen to students and stimulate dialogue. Always seek to encourage students and provide specific and helpful feedback.

Responsible, for the complete, sufficiently detailed and timely delivery of the subject syllabus and any relevant coursework.

You and the Head of Department should liaise closely with the Examinations Officer with regard to deadlines and any other necessary administration.

Through close liaison with your Head of Department, you should ensure that your course is adequately resourced. In particular, the necessity for course textbooks should be made known to the Heads of Department well in advance of the commencement of the course.

Set homework regularly. Homework should be assessed and returned promptly to the student.

The regular testing programme at the college has a high priority in the organisation of a sound, comprehensive work programme for the students. You should assist students as much as possible, both in making special preparations for the test and in analysing the results, providing constructive feedback and, where necessary, preparing appropriate follow-up work.

Deal promptly with any aspect of student behaviour that is to the detriment of the development of other students in the group or the college as a whole.

You will record the attendance of each student at the beginning of each class in the attendance register. You should set excellent standards of punctuality.

Ensure the classroom is always neat, tidy, safe and a pleasant place to work in.

'Most students have a superb attitude toward learning which makes it so much easier to teach them; they want to learn.'

The Alpha Plus 'Gold Standard'

The Gold Standard is the Group's vision of educational excellence. It has two dimensions:

- Cultural - fostering high aspirations and expectations of staff and pupils, always recognising that excellence is a never-ending pursuit.
- Operational - robust governance through which Schools, Colleges and central services are simultaneously supported and challenged in their pursuit of excellence.

Alpha Plus recognises that great schools have their own identity and ethos and we seek to preserve such independent values. Whilst the interpretation and execution of 'excellence' may therefore vary across the Group, many elements, such as outstanding leadership, and passion and pride in teaching and learning, are common to all.

In addition to academic attainment, our cultural aspirations are rooted in the following common principles:

- Achievement defined according to the needs and potential of the child.
- Development of character and resilience, leading to more rounded and grounded children who will be well-placed to contribute and thrive in the world.

Effective partnerships with parents, including advice and help with the most suitable subsequent educational placement, for each child. Mutual trust in these shared principles is what defines being part of the Alpha Plus Group.

YOUR APPLICATION

How to Apply

Please visit our recruitment website to apply. Complete the application in full and enclose your CV and a detailed personal statement stating why you think you have the necessary skills to be successful in this position.

Interview Process

We will approach one referee before interview for each shortlisted candidate for information to verify particular experience or qualifications.

You will be required to conduct a lesson as part of the selection process. Details of the lesson will be provided to shortlisted candidates prior to the interview date.
