September 2017

Dear Applicant

Thank you for your interest in the role of Headteacher at Redland Primary School. We are excited by the opportunity of recruiting a new Headteacher and look forward to meeting all applicants with the relevant leadership and business skills required by this challenging role.

Redland School is an extremely well run school for pupils of 4 to 11 years old and has consistently achieved high levels in both attainment and practice. The pupils are enthusiastic, happy and engaged with the support of a highly experienced and motivated staff. We are therefore seeking a leader with the experience and aptitude to sustain and develop the school over the coming years.

The role is an exciting opportunity for the right candidate. It is an opportunity to support and lead a proactive and skilful organisation of staff whilst upholding the high level of ethics and values held within the school.

The Governing body is a strong supportive and capable team who see a number of challenges for the school that would suit a Headteacher with the right vision and positivity to meet and overcome throughout their term. These challenges require the intuition and the vision to address and lead forthcoming educational developments, such as capacity, budgetary constraints and current educational matters.

For this role, we are looking to recruit an experienced leader of education who has a strong moral compass and the foresight to meet new challenges and the understanding to embrace the needs of our highly talented, motivated and vibrant school community.

We will be inviting short listed applicants to interview on 29th November and look forward to meeting with you.

Yours sincerely

Chair of Governors
Gerard Hilderly
