

Further Particulars of post 2 x fixed term Teachers of Science (both maternity covers)

To commence 1 January 2020

Introduction

We are looking for enthusiastic, creative and committed Teachers of Science join our highly motivated, positive community at Beckfoot School, Wagon Lane, Bingley.

Details of the Faculty's teaching programme for 2018-19 are as follows:

Key Stage 3 We follow the **ACTIVATE** Scheme of work although assessments and personalised resources have been developed by the team to match the needs of learners. We follow a two year KS3 curriculum which is in line with AQA recommendations.

Key Stage 4 **AQA** Trilogy and Single Sciences are taught with a very small cohort double entered for the Entry Level Certificate and Foundation Trilogy GCSE. We are also introducing Pearson Edexcel STEM Level 2 BTEC this year.

Key Stage 5 **GCE Biology, Chemistry and Physics AQA**

The Science Faculty

The Faculty Leader has overall responsibility for leading the Faculty and is currently assisted by the Assistant Faculty Leader, one Subject Leader and two Assistant Subject Leaders (TLR posts). The Faculty has had a good record of success in examinations over recent years, and the number of students studying Science at KS5 has risen steadily.

The Science Faculty meets regularly to review progress and to formulate future policy. We welcome new ideas and they are always given careful consideration.

Resources

Beckfoot has 13 well resourced, new laboratories (all with projector and whiteboard facilities), two Prep Rooms and a staff work room. The faculty has excellent ICT provision –we have 6 class sets of student Science Laptops which are stored within laboratories and are accessible to all members of the team.

All resources, equipment, glassware, chemicals and stationery are held centrally and each laboratory is amply resourced.

What do we seek from you?

We seek a teacher to complement our team as we continue to develop KS3 Schemes of work, AQA Trilogy and Single Sciences at KS4 and our vision of personalised pathways. In addition, the successful candidate will share the Faculty's passion for Science at all levels and our commitment to ensuring student enjoyment and progress are at the heart of our day to day practice.

We seek to appoint an innovative teacher, highly motivated, with good organisational skills aspiring to outstanding teaching and learning in Science. We would also welcome applications from candidates returning from a career break.

Simon Wade
Headteacher

Andrew Brown
Faculty Leader: Science

We are committed to safeguarding the welfare of children
