Welcome to St Dunstan's Education Group

St Dunstan's Education Group is a growing group of coeducational schools serving approximately 1500 children aged 2 – 18, based in the vibrancy and diversity of south-east London. Remaining true to the founding principle of St Dunstan's College that the school should be 'ahead of the current time', St Dunstan's today is known to offer an ambitious and forward-thinking education that trailblazes in the Sector by thinking differently about how young people are educated for an uncertain future.

St Dunstan's is a thriving educational community. St Dunstan's College was named Coeducational School of the Year in 2020, Senior School of the Year 2022 and Most Progressive School in London in 2023. In the summer of 2024, it was one of the 50 best performing independent schools in the UK for our A Level and GCSE results and was in the top 100 schools in the UK as listed in the Times Parent Power league table. In 2023 Rosemead became one of the first prep schools in the UK to receive a significant strength from the Independent Schools Inspectorate and later that year St Dunstan's College became the one of the very first schools to receive two significant strengths for its role in EEDI and the progressive nature of the curriculum. In 2024, Rosemead won the prestigious ISA award for Equality, Diversity and Inclusion.

Responding both to significant growth in market share and the political and economic headwinds within the sector, St Dunstan's is committed to a strategy of growth and diversification of income. The College has undertaken a radical development of its estate to expand its pupil roll, firstly through the acquisition of the Jubilee Ground, a 15 acre site for community and sporting activity, just minutes from the school, and then through a 30 million pound building programme, including the development of a new STEM Centre, Junior School, Sixth Form Centre and Performing Arts Hub. An ambitious and creative masterplan for the development of our site has now been finalised and will underpin the rolling programme of works planned for the next 10 years, including our ambitions to be a carbon-zero charity. The decision to evolve into a larger educational group began with the merger with Rosemead Prep School, Dulwich, in 2023, with this presenting many new opportunities for staff and pupils, and it is set to grow further in the next 12 months.

Many of the decisions that St Dunstan's has taken in recent years have been trailblazing for the Sector. St Dunstan's College was one of the first schools in the country to introduce a Centre of Wellbeing, to cater for pupil mental and physical health. We introduced a gender-neutral sporting programme, recently culminating in signing a partnership with Chelsea football club. Our Additional curriculum, of our own design, deliberately seeks to educate young people in the life skills they will require for the future – our work undertaken on toxic masculinity, pornography and race have all been widely covered by the national and educational press. Underpinning our entire educational narrative is a commitment to a renaissance education – a broad, balanced and liberal education that helps young people develop the toolkit they will require to thrive in the future.

The diversity of our south-east London location is perhaps our biggest asset, allowing us to cultivate an environment that nurtures individuality. As one of the most socio-economically and culturally diverse areas in the UK, ours is a school that actively shuns entitlement and arrogance and rather develops well-rounded, grounded young men and women who have the soft skills to thrive in tomorrow's world.

We attempt to define the St Dunstan's Difference as follows:

- Trailblazing a forward-thinking independent education since 1888
- Promoting high achievement without arrogance
- Championing individuality, diversity and equality – *albam exorna!*
- Developing values through a broad and liberal education supporting wellbeing as central to success
- Growing ambitious and imaginative partnerships
- Providing life-enriching opportunities to our local community infusing social conscience and ethical thinking
