Dear Colleague

Thank you for your interest in the post of Teacher of Science at Abbeyfield School.

I feel very privileged to be part of a very special community of committed staff and rewarding young people. Teamwork is central to the culture of the school and it is this, and a shared desire to support and challenge every student in order for them to achieve their personal best, which shapes everything we do at Abbeyfield. 'Leaders are determined to help pupils achieve their best' Ofsted 2021

We have very high expectations and aspirations of our students and of ourselves. This was highlighted in our (Sept 21) Ofsted report, "Leaders have high expectations of staff. They also care about staff well-being. Staff morale is high" and "Leaders present a strong, unified and motivated team". Teaching and support staff all play a key role at Abbeyfield in putting the needs of our students at the very heart of all we do.

Our Quality First Teaching Charter ensures a focus on high quality teaching and learning supported by an ambitious programme of pedagogical and subject specific CPD. As important as academic achievement is our role in students' social and personal development, equipping them with the life and employability skills needed for successful adulthood.

We, like all schools in the Trust pursue a rigorous and continuous programme of educational improvement, alongside an aim to provide pupils with a rich programme of co-curricular activities. Abbeyfield offers a varied diet of curriculum and enrichment opportunities and students benefit from Trust organised events such as the key concept launch days, debate and essay writing competitions and our annual days of Shakespeare performance. We are often the host school for these events to allow students from all trust schools to work in a professional theatre space. We are always keen to expand further on the opportunities we provide for students to develop their creativity, resilience and independence.

High expectations for behaviour for learning is supported by a strong team of Year Heads and a behaviour team of non-teaching staff. There is a strong emphasis on restorative justice and positive behaviour management alongside our praise and consequence pyramids. 'Pupils behave well. They are polite and courteous' The schools systems for pastoral care are strong. Ofsted 2021

I am passionate about students, staff and parents having the opportunity to influence the future of the school and contribute to our improvement agenda. 'Ambitious to Achieve' was proposed by a Year 12 student and our school values were the outcome of a students and staff vote. Stakeholder feedback is regularly sought and informs our strategic leadership. We value our partnerships with the local community and external agencies and these are used to good effect in order to support our students and families.

We believe Abbeyfield is a very special place to work and we are excited about the future. If you are passionate about what we are trying to achieve and you feel you can make a real difference in this role then I look forward to receiving your application.

Kind Regards,

Siona Robson, Principal

ABOUT CREATIVE EDUCATION TRUST

Creative Education Trust inspires and enables young people to build successful lives on foundations of learning, resilience and employability. We believe that a rewarding educational experience and the highest possible qualifications are the best way to ensure social mobility for young people.

Creative Education Trust is a growing multi-academy trust educating over 13,000 children in England. It was established in 2010 and has successfully transformed schools in England's post-industrial cities and coastal towns: areas of economic disadvantage and with a history of academic underachievement.

Creative Education Trust defines creativity as the ability to find connections between the things we know and turn these connections into new ideas and action. The academic arts and the sciences, practical subjects and life skills all need this creativity, and creativity is valued highly by employers. Our unique Knowledge Connected approach teaches pupils to analyse and understand their curriculum of study through the application of six key concepts.

You can watch a short video on what it means to be part of Creative Education Trust, illustrating our 'Knowledge Connected' approach to learning.

Our aims for our students are to:

- ★ Raise their attainment in exams and tests through outstanding teaching
- ★ Make them intellectually curious with a sense of confidence
- ★ Increase their participation in HE, FE and apprenticeships
- ★ Ensure they have employable skills and attitudes
- ★ Create rounded individuals through a wide choice of co-curricular activities

We are achieving our aims through:

- ★ Educational rigour
- ★ Organisational effectiveness
- ★ Financial efficiency
- ★ Partnership & recognition of local identity
- ★ Respect for autonomous leadership
- ★ Quality not quantity
- ★ Promoting practical creativity

SUPPORT FOR OUR STAFF

We are committed to providing our staff with the highest quality support and challenge to ensure that we excel and give our students the opportunities and provision they deserve. Senior leaders are encouraged where possible to sit on the academy council of another CET school which is a very valuable experience.

Each of the Creative Education Trust's schools benefits from a comprehensive programme of support and challenge, including working with former HMIs.

Creative Education Trust places a strong emphasis on CPD for teachers and for senior and middle leaders. They run a regular programme of training events to improve teaching performance and also provide focused management development and one-to-one coaching opportunities. There is an active cross-trust group on the Teaching Leaders programme and use Future Leaders and Teach First extensively.

The school is supported by an experienced Head Office team, who are available to advise on financial planning, audit, HR, legal and property matters either directly or by referral to our professional advisors.

There are also a number of cross-group, phase leader and year-specific forums to facilitate collaboration across the schools.
