CHRIST'S HOSPITAL

A SCHOOL LIKE NO OTHER

# HEAD OF GEOGRAPHY

*Required for September 2025*

[www.christs-hospital.org.uk](http://www.christs-hospital.org.uk)

# Introduction

Unique to Christ's Hospital is its mission, which has stood for over 470 years: to challenge inequality by providing a nurturing, transformative education for young people from all backgrounds. The school prides itself on its academic excellence, rich history, charitable ethos, stunning buildings and site, rewarding work environment and diverse community. It is in the independent sector, but we are far from being a typical independent school.

We take pride in being the most diverse independent school in the UK, where individuals from all backgrounds come together to share experiences and broaden perspectives. Our students come from London and the southeast and, increasingly, from further afield in the UK; we also welcome students from overseas, including Hong Kong, China, Japan and Europe. Our commitment to social and cultural diversity fosters an inclusive environment, preparing our students to navigate a globalised world with kindness, inclusivity, responsibility, perseverance and individuality.

CH (as it is affectionately known) provides more financial support to its students than any other school in the sector. In the current academic year, 80% of our main intake come to us from state schools. More than 75% receive financial support, with 10% paying nothing and a further 24% paying less than 10% of the full fee. We have full fee payers from the UK and overseas (approximately 22% of students this year), with staff children making up the balance. Many students start at CH having already faced significant challenges in their young lives. CH provides them with a safe and secure place to develop and achieve their full potential. Many will be the first in their family to attend university; they don't have that easy certainty of aspiration and success that can characterise their peers in independent education.

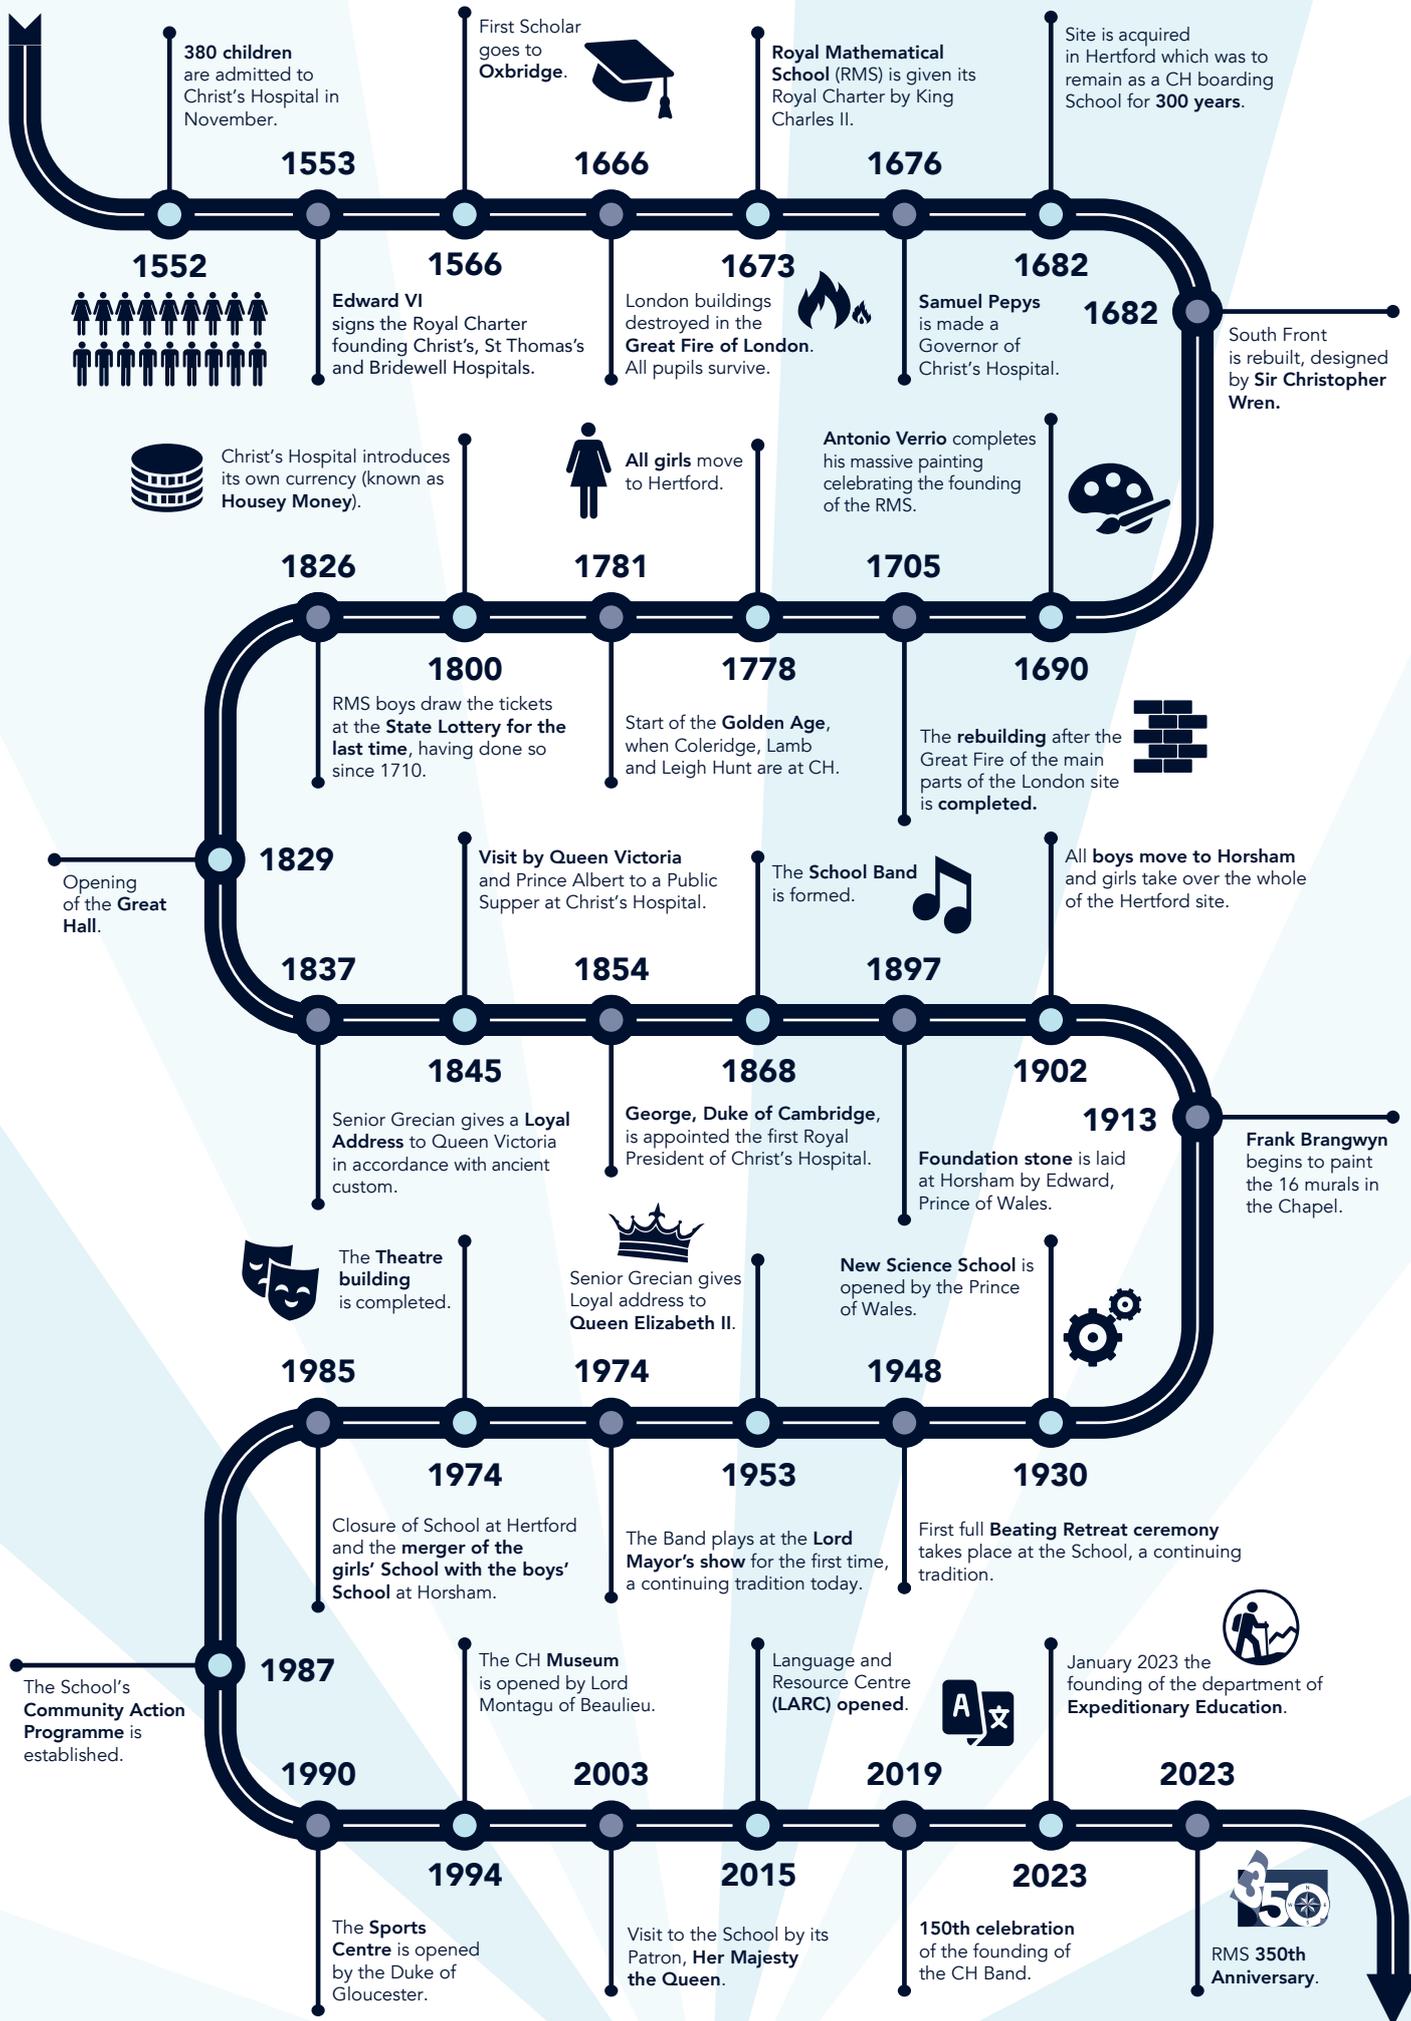

The school offers a varied and interesting curriculum inside and outside the classroom as well as facilities which would be the envy of many schools. All aspects of our holistic education have challenge and opportunity at their core. We have recently developed a comprehensive expeditionary education programme and are building a state of the art athletics track and adventure trail which will complement our inclusive learning environments.

CH bases its experience in continuous learning and growth, for our students and staff. We provide frequent, personalised and comprehensive professional learning opportunities that empower our staff, ensuring they are abreast of contemporary educational thinking. This commitment translates into improved educational experiences for our students.

So, why come to CH? Because our students are inspiring; because you get to share in their achievements and see them reach a potential that might otherwise be frustrated by their home and financial circumstances; because every day you learn something new; because you get an opportunity to push back against the limits and constraints that a lack of social mobility implies; because it is fun, stimulating and ultimately satisfying to work with young people who want to achieve.

If this, and the information that follows, suggest that CH is a place to which you can bring relevant personal and professional experience and where you can make a real difference to the lives of our young people and to your colleagues, please do think about joining us at Christ's Hospital. It is a place where you can contribute to a transformative education for our students and therefore go about creating positive change in the world beyond.

# OUR JOURNEY SO FAR

# Academic Life

Christ's Hospital prides itself on delivering a vibrant curriculum that has both challenge and opportunity at its heart.

The CH curriculum is made up of three interwoven parts; a stimulating academic curriculum which covers everything inside the classroom, an extensive broader curriculum which encapsulates everything outside the classroom and a nurturing pastoral care programme which supports personal development. All three complement and support the progress of our students at every stage.

In Year 7 and Year 8 the focus is on a diverse academic curriculum offering the students an abundance and breadth of experiences. In Year 8 the students are challenged to deliberate, rationalise and debate the world around them. They also add a further Modern Language to their learning. In Year 9, in addition to exploring the core subjects, they select a further five subjects from the 16 available to study in more detail. In readiness for their GCSEs, this is slimmed down to four optional subjects in Year 10 to allow for greater depth and exploration.

Finally, in the Sixth Form, students' scholarship is stretched in a stimulating blend of; core A level subjects, independent study through individual project work and CH's bespoke Learning for Life programme. The final two years require a willingness to engage with intellectual challenge whilst benefitting fully from the breadth of CH's unique curriculum.

Christ's Hospital provides a dynamic curriculum that supports the progress of students at every stage, fostering intellectual growth and nurturing their potential.

# Broader Curriculum

In the broader curriculum, our aim is to offer varied and rewarding experiences that allow students to discover and develop new interests and talents.

Our diverse curriculum emphasises the importance of life skills and offers an extensive range of activities such as sports, music, art, drama, and outward-bound adventures. Students have the opportunity to participate in clubs, societies, and extracurricular activities, including expeditionary education, the Duke of Edinburgh's Award, chess, debating, and public speaking. These activities provide valuable opportunities for personal growth and skill development.

We also offer the Combined Cadet Force (CCF), which provides unforgettable experiences for students, fostering teamwork and leadership skills. The Model United Nations (MUN) project is another thriving initiative that enhances students' leadership and diplomatic abilities. Our school trips take students all around the world, providing them with unique cultural experiences. Recent trips have included visits to New York and exploring various countries in Europe.

Additionally, our community action programme teaches students the importance of society and citizenship. Through it, students engage with the elderly, primary school children, and individuals with special needs, allowing them to cultivate empathy and social responsibility.

Our broader curriculum not only prepares students for the wider world but also complements and strengthens their academic studies. We encourage and support each student to identify and embrace new challenges, fostering a culture of continuous growth and development.

Overall, the diverse and rewarding opportunities that our broader curriculum offers helps to shape well-rounded individuals who are equipped to thrive academically and beyond.

# Pastoral Care

Christ's Hospital places great importance on delivering the highest standards of pastoral care to its students. The close-knit boarding houses are a fundamental aspect of day-to-day life at the school and play a crucial role in providing a supportive and nurturing environment.

The Houses create a sense of community and act as a 'home away from home' for all students. Each student belongs to one of the 16 boarding houses or two upper sixth form residences. Within their designated House, students find a supportive network of peers and House staff who provide guidance, support and care throughout their time at the school.

The House staff, including Houseparents, Matrons, and Tutors, are dedicated to the well-being and welfare of the students in their care. They take a holistic approach to pastoral care, focusing on the social, emotional and personal development of each student.

Through the Houses, students have access to a wide range of help and guidance, including academic support, extracurricular involvement, and personal development opportunities. The Houses foster a sense of belonging, friendship, and camaraderie among students, creating a supportive and inclusive community.

Christ's Hospital takes pride in its commitment to providing exceptional pastoral care, ensuring that students feel safe, cared for and supported throughout their educational journey.

# Location and Facilities

Christ's Hospital is located in West Sussex, nestled in 1200 acres of stunning countryside between London and Brighton. It is conveniently situated for transport links. The school benefits from its own mainline railway station, with regular trains to London, Gatwick and the South Coast. It also has strong airport links being 20 miles south of Gatwick and 45 miles from Heathrow.

The campus at Christ's Hospital is truly majestic, making a lasting impression from the

moment you arrive. The grounds feature sweeping sports fields, beautiful buildings and a spectacular Quadrangle.

Teaching takes place in 90 well-equipped classrooms organised by department. Each classroom is equipped with specialist resources and dedicated facilities to enhance the learning experience. The library at Christ's Hospital offers access to over 20,000 books, newspapers and journals. It also features a fully integrated online catalogue system, providing additional resources for students.

In addition to the 16 boarding houses and two upper sixth form residences, students have access to a purpose-built theatre, a modern sports centre, a music school and an art school.

Christ's Hospital runs an ongoing programme of renovation and redevelopment which ensures that the facilities remain modern and up-to-date. This commitment to maintaining the site reflects the school's dedication to providing a high-quality learning environment.

The majority of students and many teachers live on site, creating a close-knit community where staff and students feel happy and secure.

# Working at CH

Christ's Hospital employs over 450 staff and has a diverse range of employment opportunities, including teachers, plumbers, electricians, school nurses, accountants and sports coaches. Everyone employed by Christ's Hospital has a direct or indirect impact on the students who live and study at the school. Our students come from every possible ethnic and socio-economic background, bringing a social and cultural diversity that enriches our school community and makes us unlike any other independent school in the UK.

Christ's Hospital is a remarkable school and has recently been announced as Independent School of the Year 2024/25 by Independent School Parent Magazine as well as receiving first place in the Performing Arts category. The person appointed to this position will have a key role in working with the Head Teacher, Treasurer, Chief Operating Officer and other Senior Leadership Team members in one of the most extraordinary charitable organisations in British education. The story of the school starts in the 16th century and its charitable mission now is largely the same as it was then, which is, in the admission of its students, 'to have regard especially to children of families in social, financial or other specific need'.

Christ's Hospital is a 24-hour operation during school term times, and we require flexibility from those who work here. Some of the roles within the organisation are live-in. Often these roles will require early starts and later finishes but benefit from housing for this purpose.

- CH is in a beautiful rural setting but is only a five-minute car trip to Horsham. It also has its own train station, with Horsham two minutes away, Gatwick 20 minutes and Victoria just under an hour. The south coast is easily accessible and the Guildford-Shoreham Downlink runs just outside the school.
- Accommodation may be available for the successful candidate. Many teaching staff are housed in or near the school.
- The school is financially stable, with places in our Year 7 and Year 9 being over-subscribed every year and we run a waiting list. It is backed by strong financial planning and continues to make extensive contributions to our students' bursarial support.
- CH has a thriving ECT and induction programme for new teaching staff. Teachers also benefit from a comprehensive and bespoke Professional Growth Programme which operates alongside external courses and school-wide INSET. PGCE, Masters and further training have all been funded for staff.
- Staff children, having satisfied the entrance criteria, benefit from a considerable reduction in fees.
- Membership of Bluecoat Sports, the school's sports centre, comes at a significantly reduced cost, starting at under £20 per month for a family. More information about BCS can be found <https://www.bluecoatsports.co.uk/>.
- Free lunch and other refreshments are available for staff throughout the day, and breakfast and teas are also provided for staff on boarding duty days.
- CH is a thriving community for staff and their families, with numerous social and cultural events. Discounted theatre and concert tickets for public events held in the school theatre are offered, and staff have access to the school library and resources centre.
- Free parking is available for all staff working on-site.

Christ's Hospital is committed to safeguarding and promoting the welfare of children and young people and expects all staff, visitors and volunteers to share this commitment. We follow safer recruitment guidelines, including carrying out on-line searches on shortlisted candidates to check suitability to work in an environment with children.

## **JOB DESCRIPTION:**

### **HEAD OF GEOGRAPHY**

Accountable to the Head Teacher through the Assistant Head (Digital and Innovation)

### **The Department**

Joining the Geography Department at Christ's Hospital School offers an exciting opportunity to lead a dynamic team of passionate teachers. With four dedicated classrooms with state-of-the-art interactive teaching boards, our department provides an enriching environment for both students and teachers alike.

At the heart of our department is a commitment to excellence in education. Thanks to a generous budget, we continually renew and update our textbooks and fieldwork equipment, ensuring that our students have access to the latest resources. This investment in resources reflects our dedication to providing a stimulating learning experience.

Geography is a cornerstone of our curriculum, attracting a high level of interest among our students. With between 30 and 40 students opting to study Geography at A Level and approximately 150 students choosing it at GCSE level, the subject holds increasingly significant appeal.

From the moment students join us in the Junior School, we ignite their curiosity and lay the groundwork for future success. Our tailored programme ensures that by the time they reach GCSE level, they are well-prepared and enthusiastic about the subject. Following the AQA GCSE course from Year 9 onwards, our students benefit from the expertise of specialist teachers and achieve consistent results, with on average 75% attaining grades 9-6.

At A Level, Geography continues to flourish as a popular choice. Following the OCR Geography specification, our small class sizes of 12-14 students per set ensure individualised attention and support, with an average of 65% of students achieving A\*-B grades.

Beyond the classroom, we are dedicated to nurturing our most capable students. Through timetabled extension courses in the Sixth Form, we provide opportunities for our students to delve deeper into the subject and excel beyond the curriculum. Our success in preparing students for university in Geography-related courses is testament to our commitment to their long-term academic and personal development.

Joining the Geography Department at Christ's Hospital School means being part of a community where innovation, excellence, and passion for learning are celebrated every day. It's a place where both students and teachers thrive, making a meaningful impact on the world around them through the study of our ever-changing planet.

## Job Purpose

- Contribute to providing an outstanding education (academic, pastoral and broader curriculum) for students
- Lead and manage the Geography department and its teachers
- Meet and uphold the core Teachers' Standards (DfE)
- Plan and deliver consistently high-quality teaching and learning
- Actively contribute to the broader curriculum and pastoral aspects of students' education
- Cover for absent colleagues in any of the three strands above
- Support the Head Teacher and Senior Leadership in implementing all aspects of statutory guidance for education and school policy
- Support the ethos, mission and charitable objectives of the School

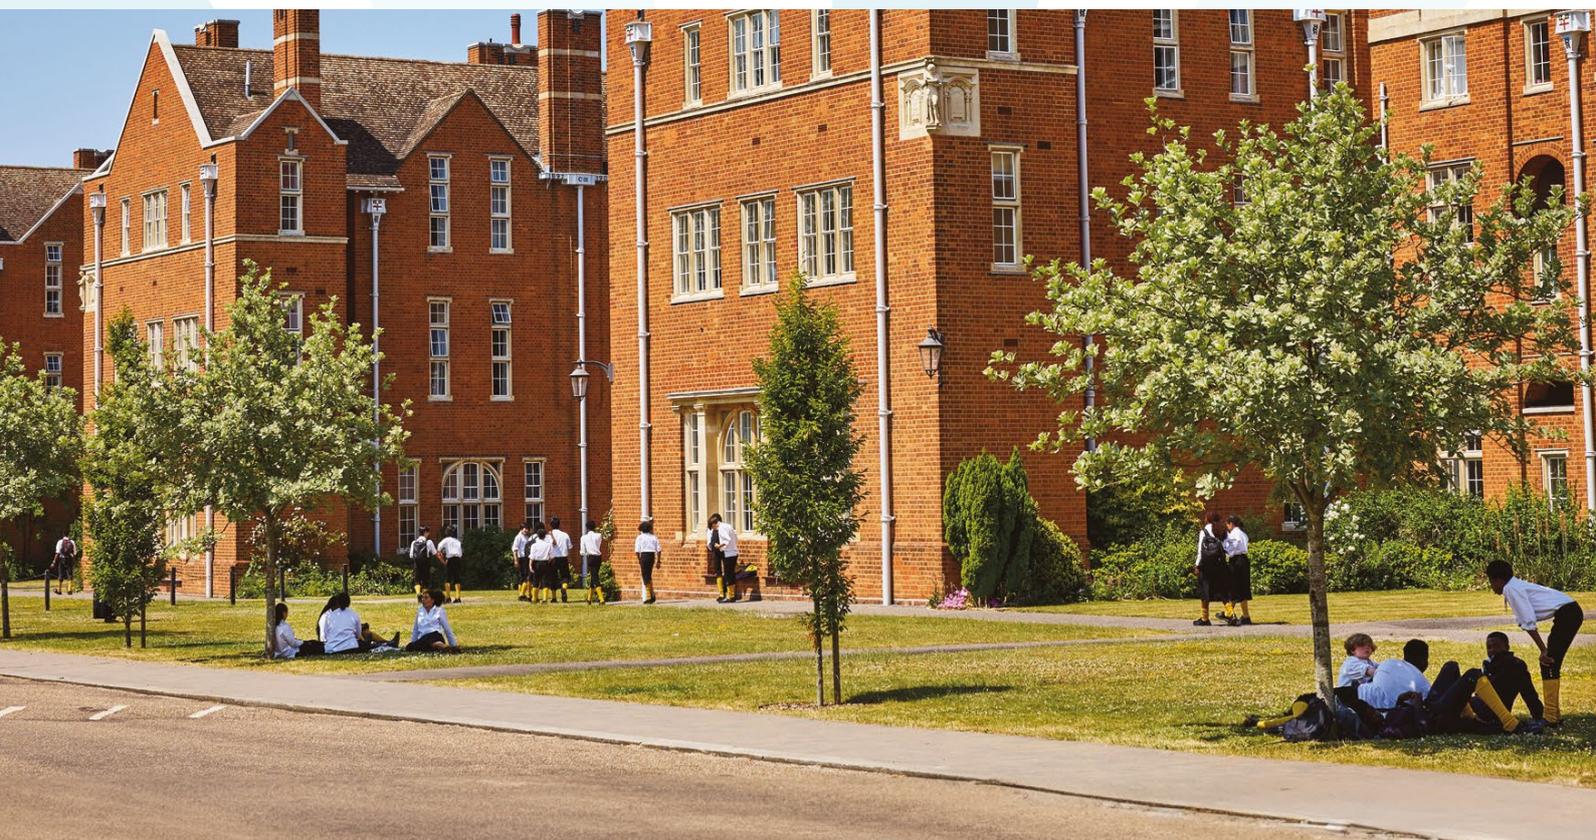

# KEY RESPONSIBILITIES AND ACCOUNTABILITIES

## Leadership and Management

- Leading the department through development of the curriculum and schemes of work.
- Ensuring that a high standard of teaching and learning and enrichment is conducted throughout the department. Regular quality assurance of all marking, assessment, performance tracking and reporting of all students within the department.
- Working with the relevant senior staff, lead the department's commitment to school-wide strategies for pedagogical development ensuring the department plays a key role in building students' confidence in digital technology and data as part of their learning.
- Co-ordinating the provision of detailed feedback, appropriate reports and parental communication, highlighting problems or praising students within the subject area. This includes review of reports and assessments, co-ordination of intervention strategies/ involvement of the learning support team and attendance at Head of Department meetings, parent consultation events and open days.
- Managing the departmental budget effectively, preparing a thorough and coherent budget submission for recurrent and capital spending each year.
- Ensuring that the department's section of the VLE is attractive and populated with current resources and teaching, learning and revision material. Encourage the use of this by departmental members and students alike. Encourage appropriate use of ICT in the provision and support of teaching and learning.
- Liaising with SLT and Senior HOD regarding staffing levels, performance, loading and workloads.
- Giving guidance and appropriate extension material and tuition for university entrance tests. Write appropriate and accurate UCAS references in a timely fashion to support students' university applications. Ensure effective and appropriate UCAS references are written by departmental members.
- Promoting of the department through displays of students' work, attendance at whole school events, extension material activities, participation in external competitions and marketing events.
- Conducting regular department meetings as well as regular and informal observations, peer review and student review.
- Ensuring that the departmental handbook and department development plan are up-to-date and relevant.
- Providing accurate and up-to-date exam entry data to the Exams Officer, ensure any controlled assessments are carried out according to the specification and exam board regulations and marks are given to the Exams Officer in a timely fashion.
- Providing the Head Teacher and Assistant Head (Academic) with a full written report, analysis and commentary detailing staff preparation and the performance of all students sitting public examinations (A-level, IGCSE) after the exams.
- Being available and contactable for consultation on A Level and GCSE results days. Review results and challenge inaccurate moderation or cohort depression.
- Setting rigorous, exam board-specific end-of-year exams and record results for all year groups as directed.
- Advising students and parents on their suitability for the subject in terms of GCSE and A Level option choice.

## TEACHING AND LEARNING

- Ensure the teaching environment is safe and any relevant risk assessments have been completed.
- Comply with all school policies in respect of teaching and learning.
- Maintain excellent, up-to-date knowledge of: subject; curriculum; teaching and pedagogy.
- Maintain good working knowledge and understanding of a range of teaching, learning and behaviour management strategies.
- Use an appropriate range of teaching strategies and resources to plan, prepare and deliver relevant, suitable lessons in line with students' needs and agreed scheme of work.
- Use data to ensure students' academic progress is in line with or exceeds their predictions.
- Use data and knowledge of individual students to identify, plan and implement relevant interventions.
- Ensure, on a regular basis, that students know where they are in relation to targets and how they can improve.
- Mark and assess students' work in line with school policy.
- Prepare students' progress reports in line with school policy.
- Engage with continuing professional and self-development in a proactive manner.
- Participate fully in compulsory and relevant INSET and other training and development opportunities for teaching staff.
- Participate fully, with the support of the relevant line manager, in the professional growth programme for academic staff.
- Participate, as directed, in all ceremonial and public occasions held by the school.
- Undertake any relevant leadership, administration or organisational tasks.

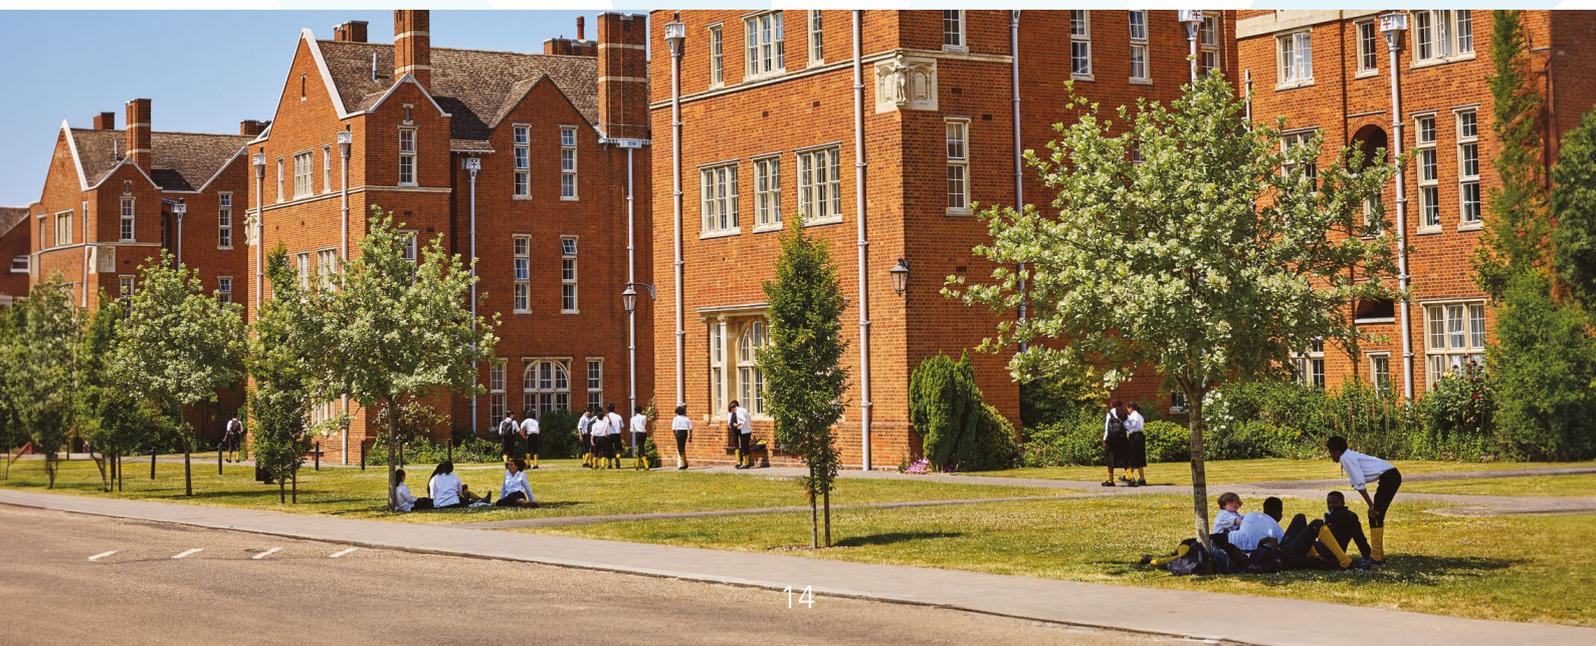

## BROADER CURRICULUM

- Participate in any aspect of the broader curriculum programme as directed including indoor or outdoor competitive and non-competitive sports.
- Undertake any role requested in a leading, supporting or supervising capacity, and be clear in what that role may require, including off-site activities and matches away from school.
- Enthuse and inspire students in the values of the broader curriculum.
- Plan and deliver high quality activities.
- Actively promote the safety and welfare of students ensuring any safety checks or risk assessments are completed.
- Lead/support/supervise student participation to ensure all students are appropriately engaged in the activity.
- Undertake any relevant administration in relation to the activity.

## PASTORAL

- Create a positive culture of student welfare and share in the corporate commitment to the safety and welfare of students.
- Ensure the safety and welfare of students at all times.
- Have a thorough understanding of statutory and school safeguarding requirements and always ensure appropriate action and compliance.
- Ensure timely and accurate registration of students in all lessons/tutor time.
- Take an active role in all relevant pastoral matters.
- Undertake tutor duties, liaising with houseparents, the Assistant Head (Pastoral) and Heads of Year/Department as appropriate and attend pastoral and other relevant meetings as required.
- Participate in Chapel services as directed.
- Participate in assemblies and lead as directed.
- Undertake any relevant administration or organisational tasks relating to this area of School life.

# Safeguarding, personal and professional conduct

All staff are required to follow published statutory guidance and the school's Child Protection and Safeguarding Policy at all times and to share in the corporate commitment to promoting the safety and welfare of students.

In addition to a thorough understanding of safeguarding procedures, staff are expected to demonstrate consistently high standards of personal and professional conduct.

This job description is not intended to be comprehensive. It will be reviewed regularly and may need to be modified. It should be read in conjunction with Teachers' Standard published by the DfE which "set a clear baseline of expectations for the professional practice and conduct of teachers and define the minimum level of practice expected by teachers in England."
