

CLAIRE'S COURT

Application Pack

Teacher of Physical Education

Required for September 2019

Our School

Our curriculum extends far beyond the basics and offers a myriad of opportunities and stimuli. The boys and girls experience an education which equips them really well for life in an ever changing, fast paced and challenging world.

At Claires Court our aim is to develop our boys and girls to succeed in life and we achieve this by having a strong and coherent learning philosophy, called the Claires Court Essentials. This is underpinned by our Key Values and together they help develop happy young people with deep feelings of self-worth and self-belief. As an all through diamond structure school, we offer girls and boys the unique opportunity to thrive in surroundings that suit their learning and social needs best.

It is our job as educators to ensure that we provide multiple opportunities for children to access, building a have-a-go mentality and interests in diverse areas. Whatever a child's starting point in life, developing their internal motivations to succeed is the most effective way of ensuring they will be successful as learners and collaborative members of their society.

Meet the Head

James Wilding Head of Senior Boys

I am passionate about young people's education and proud to be an advocate so they can achieve their best.

What makes Senior Boys a great educational experience is that we recognise achievements are the building blocks of success, so providing boys with a Multiplicity of opportunities to find themselves is our starting point. Our school day has lots of 'wow' moments, where there are opportunities for each pupil and teacher to discover something new about their learning and to enjoy taking responsibility for that moment. Our environment has respect at its core; such that pupils and teachers, whoever they are, know they will be valued for who they are and what they have to offer.

Our boys are fabulous examples of what we stand for: high achieving but modest, great friends and loyal to each other and the School. We get their engine running, so whatever their academic results, they are impressive can-do humans, willing to help, and not fazed by challenge.
