Primary Objective: As a Science, Technology, Engineering, Maths (STEM) teacher and member of the school community, develop, deliver and evaluate learning programs and monitor student achievement to address individual learning needs and contribute to the achievement of the school's goals. Liaise and coordinate activities for your teaching area within the school and wider community.

Context Statement: Bakewell Primary School is a large, innovative school located in Palmerston. The school has an enrolment of approximately 900 students from Preschool to Year 6 with 15% identifying as Indigenous, 13% from Australian Defence Force families and 15% as English as a Second Language/Dialect. Key initiatives at Bakewell Primary School include Explicit Instruction, Visible Learning, AVID (Advancement via Individual Determination), Envision Maths, Guided Reading, Science, Technology, Engineering, Maths (STEM), 1:1 iPad Learning Program and Information Communication Learning Technologies. Bakewell Primary is an approved Charles Darwin University Teaching School. Staff at Bakewell reflect on teaching practices and engage in coaching and mentoring within a supportive team environment. Bakewell is committed to delivering excellence in education with a focus on positive relationships and high expectations.

Key Duties and Responsibilities:

1. Plan, prepare and explicitly deliver quality and effective STEM teaching and learning programs which are consistent with the Australian Professional Standards for Teachers and relevant curriculum policies, work programs and educational trends.
2. Support students through interaction in a variety of settings and through the active development of supportive learning environments and effective behaviour management practices.
3. Provide for the physical, social, cultural and emotional well-being and safety of students whilst at school.
4. Regularly assess students (diagnostic, formative and summative) for developmental, feedback and reporting purposes.
5. Maintain student records and samples of work and report on student performance to students, parents, the department and other stakeholders as required.
6. Establish and maintain appropriate interpersonal relationships between the school, parents and community.

Selection Criteria

Essential:

1. Demonstrated ability to plan, prepare and deliver teaching and learning programs to meet the diverse characteristics, needs and learning styles of students; which are consistent with relevant curriculum policies, work programs and education trends.
2. Knowledge of and the ability to implement effective and inclusive teaching and learning processes, including the use of learning technology and assessment, to establish a challenging learning environment in which students are encouraged to work towards attainment of their potential.
3. Demonstrated ability to communicate effectively with students through appropriate interpersonal skills.
4. Demonstrated ability to plan and apply appropriate behaviour management strategies that contribute to establishing and maintaining a supportive learning environment.
5. Demonstrated ability to work collaboratively and communicate effectively with school staff, parents and members of the local school community in order to establish and develop productive partnerships, in an intercultural environment to achieve optimal educational outcomes.
6. Commitment to maintain current and relevant professional learning and meet the Australian Professional Standards for Teachers.

Further Information: All applicants must be registered with the Teacher Registration Board of the Northern Territory and a current Working with Children Notice (Ochre Card) from SAFE NT.

Approved: October 2018
