English at Weavers Academy

The English learning area is led and managed by an Assistant Principal together with a number of TLR post-holders.

Students enjoy learning English at Weavers Academy; outcomes in 2018 showed students made good progress, and is in line with national averages. Progress 8 in 2018 in English is positive.

We attribute these successes to the importance that we place on the quality of teaching and learning. Marking and student response to feedback is particularly strong in the English curriculum area and as a result it reinforces learning and progress. Our pedagogically shared approach to planning focuses on the threshold concepts students need to learn transferrable skills

The English curriculum is located in its own building. All classrooms are equipped with projectors and visualisers and are serviced by teacher laptops.

Organisation of teaching and learning

Lessons are taught in 1 hour periods.

At KS3 students have 8 periods of English a fortnight.

At KS4 and KS5 students access 8 lessons a fortnight (which is supplemented in the sixth form with 20-25 hours of planned individual study over a 6-week teaching sequence).

Curriculum

The KS3 English curriculum has been designed to enable students to progress in the essential skills that they need to acquire in order to build a firm foundation. We prioritise the teaching and learning of inference, analysis, comparison and critical evaluation within the context of a broad range of texts and sources.

At KS4 students study the AQA English Language and AQA English Literature programmes and in KS5 students either follow the AQA English Literature or the AQA English Language A Level specifications. In KS5 students have study support sessions in order to ensure that they have the 'knowledge' of texts as well as extra reading across the curriculum for the synoptic element of the course. The English team would significantly like to grow the number of students who undertake A Level as we believe both qualifications compliment the experience at University.

We are members of 'PIXL' and offer students access to a wide range of strategies and interventions as participants in the programme. The school provides a comprehensive range of literacy interventions both within and beyond the classroom including 'Lexonic', 'Lexia' and 'Fresh Start'.
