School Information

Crestwood Public School is an inclusive and dynamic school with an enrolment of 705 students. Our school has a high expectations culture where we know our students well, value them as learners and understand how to support their learning. There is a focus on continuous data-informed improvement with a commitment to pursuing innovative approaches to teaching, learning and leading. As a community, Crestwood PS places great value on the development of the whole child, underpinned by a strong passion for promoting positive student wellbeing. Our families come from a range of educational, cultural, language and socio-economic backgrounds, yet share common aspirations for their children: academic achievement; growth mindset; and wellbeing. With 58% of our students from 45 different language backgrounds, we are committed to building a diverse and inclusive learning environment that supports all students. We ensure that through explicit teaching and personalised learning, we meet the varied needs of each student. At Crestwood Public School, students are prepared for engagement and participation in Australian society. Through meaningful opportunities for participation and leadership including voice and decision-making, we promote student wellbeing and school excellence. An intrinsic desire to learn is fostered through a variety of classroom and extracurricular activities designed to challenge each child to pursue personal excellence. Supportive relationships and quality experiences ensure students develop their intellectual, physical, social-emotional and creative potential. At Crestwood Public School, student achievement, progress and learning goals are well known by teachers resulting in all students being engaged and challenged to achieve their learning potential, through an emphasis on explicit teaching, differentiation and collaborative practice.
