We have state-of-the-art facilities, and we provide an individualised and unique curriculum offer for all students regardless of their starting point, gender, ethnicity, faith or need.

We care for, nurture and develop the whole child while improving aspirations, learning and achievement for all. In addition to ensuring each student's academic potential, we also prepare them to be socially responsible citizens who can flourish in society and give back to their local community. We seek to remove any barriers of inequity, which prevent equality of opportunity so that all students can aspire and be inspired to realise their dreams.

Our school has a strong sense of community, purpose and belonging. We value our students and recognise that success looks and feels different for each one of them. However, what is consistent is our team of passionate, enthusiastic and committed staff who work relentlessly in the pursuit of excellence for the students and community we serve.

We have a strong commitment and belief in developing staff at all levels. We seek to recruit and retain colleagues whose drivers match our school ethos and are committed to their own professional development. Successful candidates will receive a high-quality induction, appraisal, continuous development programmes (including nationally recognised leadership qualifications), and opportunities to contribute to whole school impact projects throughout their Kingsway careers.

Background Information

Kingsway Park High School

Kingsway Park High School joined the Altus Education Partnership in February 2022. KPHS students live in and travel to us from communities all over Rochdale and the surrounding areas. We are very proud of the high-quality facilities, resources, and environment that we provide for both staff and students.

We hold our school values of **Trust, Professionalism, Integrity, Respect, Kindness and Effective Communication** at the core of everything we expect from our students. Students are awarded when they consistently demonstrate our values.

If you would like to visit the school to get a feel of who we are and where we are going, we would warmly welcome you.

Altus Education Partnership

Altus Education Partnership is a Multi Academy Trust and was established in 2017 through Rochdale Sixth Form College, an Ofsted Outstanding provider, and grew from the Trust's desire to improve education in the borough of Rochdale as a whole.

The Trust currently comprises four academies, including ourselves. The other three academies are:

- **Rochdale Sixth Form College** which opened in 2010 to address the significant underachievement in A level performance in the borough. Since then, it has raised achievement in the area dramatically and is recognised nationally as a centre of excellence. The College is Ofsted Outstanding, Sixth Form College of the Year 2021, and regularly one of the highest performing colleges in the country according to the DfE's Performance Tables and National Achievement Rate tables
- **Edgar Wood Academy** is a secondary school which opened in a new build in 2021 under Wave 13 of the Free Schools' programme. The Academy has already established a strong reputation in the local community and is significantly over-subscribed for 2024-25
- **Bamford Academy** is an Ofsted rated Good school providing a caring and nurturing environment for all of its pupils; it is a popular first choice for many parents and young people in the local community

We are delighted that **Caldershaw Primary School** will join Altus Education Partnership on 1st July 2025.

Altus Education Partnership is now on the cusp of significant and rapid growth, with a high number of schools indicating an interest in joining the Trust, and seven of these schools entering into a Trust Partnership Agreement. This means that while the Trust currently has around 4,500 students and 500 staff over 4 academies, within three years this could easily increase to around 10,000 students, 1,000 staff and 10 or more academies.

Additionally, the Trust has codified and solidified its relationship with a number of key educational partners in the borough. Most notably, and uniquely in the sector, Altus has a Memorandum of Understanding with Hopwood Hall College around the curricula the two colleges offer, and to support transition of students to post-16 education.
