

Job Description

Job Title:	Teacher of Chemistry & General Science
Reporting to:	Head of Science and Technology & 2nd in charge Science faculty
Liaising with:	Head of Secondary, AH Secondary
Salary:	Main Scale Point
Job Purpose:	To teach general science at Key Stage 3 and Chemistry at IGCSE and IB DP Level

Main responsibilities

- Planning, preparation and delivery of engaging KS3 science and IGCSE and IB chemistry lessons.
- Assessing, recording and reporting on the development, progress, attainment and behaviour of one's students.
- Providing or contributing to oral and written assessments and reports and references relating to individual students or groups of students.
- Contributing to the development of the KS3 science and IGCSE and IB chemistry curricula.
- Communicating, consulting and co-operating with other members of the school staff, including those having posts of special responsibility and parents/guardians to ensure the best interests of the students are met.
- Participating in continuing professional development (CPD) opportunities, and taking part in action research exercises.
- Participating in Secondary, faculty or other meetings related to the school curriculum or pastoral care.
- Adopting and working towards the implementation of the departmental and school development plans.

Important Notes

- The job description will be reviewed and will be subject to amendment in consultation with the postholder.
- The postholder will follow school policies and procedures; especially in terms of inclusion and safeguarding.
- The postholder will carry out any other appropriate duties as requested by the Head Teacher.
