About Geneva English School

Geneva English School (GES) is an international, British curriculum, not-for-profit school, based just outside central Geneva. Since its foundation in 1961, the school has maintained its very strong sense of community and we are proud of the high-quality, holistic and innovative education we provide to our pupils.

GES is a member of [COBIS](#), [IAPS](#), [AGBIS](#), [SGIS](#) and [AGEP](#) and was recently rated "[excellent](#)" [in every area of our provision](#) by the [Independent Schools Inspectorate](#) – the highest possible rating. Our broad and enriching educational programme has its foundations in the UK national curriculum, but is continuously enhanced and adapted so it is relevant and applicable to our international community and ensures we take advantage of our beautiful, local surroundings.

The nursery and primary school are housed in an elegant, mid-nineteenth century building in Genthod by Lake Geneva. The campus includes five acres of outside space, an indoor gym, library, 22 classrooms and spacious, specialist classrooms for art, music and drama.

In 2016, GES embarked on an exciting new phase of its development with the opening of a secondary school in an architect-designed, state-of-the-art facility in Versoix (three kilometres from the primary site). The Secondary has been growing organically, with the addition of one year-group every year. Year 10 is set to open in September 2019.

We follow the English National Curriculum in Key Stage 3 and will offer a mixture of GCSEs and IGCSEs at Key Stage 4. At Key Stage 5, we will offer an IB-inspired A-Level Diploma Programme in which A-level studies will be supported by complementary courses, enrichment studies, an individual project and the development of key life skills.

Teacher of French and Spanish

Role

This vacancy arises as a result of the planned growth of the secondary school. We are looking for an enthusiastic and well-qualified teacher to work as part of a dynamic and forward-looking modern languages team. This is initially a part-time position (45%) that is expected to grow annually and to be a full-time role from September 2021. In the first year, the teaching will be in Key Stages 3 and 4. Just two years later, there will be classes across Key Stages 3, 4 and 5. Experience of teaching GCSE French and Spanish is essential.

Modern Languages at GES

Our aim is to empower active, independent and resilient learners, who are confident to speak and take risks. We want them to acquire a passion for languages and an awareness of the importance and also the enjoyment of language learning in a global society.

In order to awaken our students' awareness of language we share our sense of curiosity and passion for language and culture. We go well beyond a purely functional view of language and aim to provide intellectual and linguistic challenges to stretch our students fully. We encourage them to join up their thinking and to see the connections between languages, appreciating how they can draw on their previous knowledge to make progress and deepen their learning.

Through the rich language experience that we offer, our students gain not only a high level of competency, achieved via a challenging and thorough curriculum which includes the study of literature for all pupils from Year 7, but also a deep understanding and excitement for language, developed through a focus on metacognition and active learning.

All students study French at Key Stages 3 and 4. We currently have two levels of French classes, within which we have the full range of experience and abilities, from beginners to native speakers. We greatly value our geographical location and are developing a rich and ever-expanding French enrichment programme to embed French throughout our students' school experience. In addition, all pupils choose a second language, currently German or Spanish, at the start of Year 7, which they study throughout Key Stage 3 and have the option to continue for GCSE. As the school grows and develops, we will be keen to extend the range of languages we offer.
