## Headteacher

**We are seeking to appoint an inspirational and self-motivated individual  
to lead our school on its continuing journey towards outstanding.**

As Headteacher you will promote an enriched and varied curriculum with a firm spiritual foundation enabling our children to grow and learn an outstanding level of skills and knowledge with an enquiring mind, a desire for knowledge within a culture of understanding and a mutual respect for others. You will aim to secure good and outstanding teaching that ensures progress and attainment over time within a strong Christian ethos.

The supportive and dedicated members of the Local Governing Board value and encourage the partnership that exists between our school with parents, the church and the wider community and the important part that they all play in realising our vision. Together with the LGB you will play a major role in continuing and nurturing this strong relationship to engage all parties in providing the best education and environment for our children.

***'This church school, through its  
Christian distinctiveness influences  
and improves the spiritual dimen-  
sion of the lives of their pupils and  
families. They build 'life skills' that  
help to develop the pupils into  
young citizens of the future.'***

***'The ethos of love and  
care nurtures each  
individual.'***

SIAMS report January 2016

St Bartholomew's is a larger than average school in the town of Royal Wootton Bassett where numbers are steadily rising (NOR 333). School life at St Bartholomew's is safe and happy, inspiring and exciting! It is a vibrant place, where enthusiasm bubbles from pupils, staff, and helpers, yet the atmosphere is calm and peaceful, as our children work hard to develop their learning skills, knowledge, and interests during the course of their school day.

St Bartholomew's is especially committed to promoting good behaviour so that the children get the very most from their learning, and school life can be enjoyed by everyone. St Bartholomew's is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. In our latest SIAMS inspection we were graded as 'Outstanding'.

We have much to do as we look to improve our school further and look forward to welcoming our new Headteacher to lead us on our way.

We welcome any potential candidates to visit our school and see for yourself the opportunities our school has to offer.
