ABOUT US

Barnsley (Kirk Balk Academy)

Barnsley, South Yorkshire is located between Sheffield and Leeds and is a former industrial town founded on coal mining and glassmaking. It is lightheartedly believed to be where 'Yorkshire' was invented.

Famous for their brass bands, and their Barnsley chops, Barnsley folk have a reputation for saying what they mean, but are also known for their honesty, friendliness and community spirit. Supporting Barnsley F.C. is one way to ensure you start off on a good footing with the locals!

With a population of 92,000, Barnsley is surrounded by several smaller settlements which form the Metropolitan Borough of Barnsley, with Barnsley as the administrative centre. The western half of the borough stretches from the M1 to the edge of the Peak District and is rural in character. The market town of Penistone and Wentworth Castle with its Grade I listed gardens, Cannon Hall Park and Museum, Cawthorne Jubilee Museum, Wortley Hall and gardens, and Wortley Top Forge (16th century Forge) provide cultural and historic interest.

Historically, Barnsley was a stop-off point en route between Leeds, Wakefield, Sheffield and London, developing into a centre for linen weaving and important 19th century manufacturing town.

Today it continues its tradition of good transport links, providing easy access to the M1 motorway and a railway station on the Hallam and Penistone Lines. The town has attracted major companies including online retailer ASOS, Premier Foods, Rexam Glass, double glazing joinery manufacturers and other large food manufacturers.

Regeneration in the town centre has culminated in a new transport interchange, a cultural centre in the old Civic Hall, a Digital Media Centre (opened 2007), and new offices and apartments.

Outside the town centre are large retail parks and supermarkets including Asda, Morrisons, Currys, and Halfords.

House prices are below the national average and popular locations to live include Cawthorne and Ardsley, (two of the nicest) and Worsbrough Village. Parts of Elsecar are popular too (about 5 miles from Barnsley town centre). Staincross, Mapplewell, Darton, Kexbrough are also favourites.

ABOUT US

Blyth, Northumberland (The Blyth Academy)

Blyth lies just twenty minutes north east of NewcastleGateshead and is a historic town founded originally on salt manufacturing; evaporating sea water in large pans. It was the first industry in Blyth from medieval times until salt became heavily taxed during the 18th century and the industry was replaced by coal mining, engineering and shipbuilding.

Blyth's collieries were opened in 1663 to exploit a rich coal outcrop. Market Street in the town occupies the course of an old wagonway which brought coals to the quay. The wagonway influenced the irregular development of streets in Blyth as the 19th century progressed. Blyth was also a manufacturer of ropes for shipping; and a major shipbuilding port until 1967. It was also a wartime submarine base.

Blyth's proud heritage and people are remembered in St Cuthbert's Churchyard, burial place of many prominent residents and home to ornate and listed grave stones. The Harbour Commissioner's Offices built in 1913 marks the town's nautical legacy as does the Grade II listed "High Light" lighthouse to the rear of Bath Terrace.

The town has much to offer residents, being located in an economically active part of north east England with excellent road and rail links to the wider region. Nearby Cramlington is a major employer with various industrial parks, shopping and various housing choices from rural to suburban, many industries and investment powering the wider economy.

Blyth contains an attractive park with a fantastic children's water play area, a thriving market place with shops, a wide variety of pubs and restaurants and an outstanding leisure facility in Blyth Sports Centre with large pool, squash and badminton courts, 5-a-side, basketball, netball, dance club and spa. The beautiful beach at Blyth is popular with surfers, canoeists, sea anglers and families alike and is situated close to a brand new children's play area with walks, cycle paths and a popular fish and chip restaurant.

Football fans will admire the strong local support for Blyth Spartans Association Football Club, while those with sea-legs will enjoy Blyth Marina, home to the Royal Northumberland Yacht Club. Appropriately, Blyth's seafaring and nautical heritage was celebrated this August Bank Holiday weekend when it became a visiting port for the Tall Ships' Regatta 2016 showcasing everything Blyth has to offer; quality food, drink and entertainment set against a stunning backdrop of the North Sea coastline.

Culture vultures will enjoy The Octagon Theatre, Bolton Museum with a collection of ancient Egyptian artifacts. The Industrial Heritage Town Centre Walking Trail has 12 sites of interest together with historic buildings and statues.

Leisure centres, sports and fitness clubs are dotted throughout the city, while Bolton Wanderers Football Club Stadium Tours, sports hall and merchandise superstore are located at the magnificent Macron Stadium.

Adjacent, the countryside of the West Pennine Moors is stunning. Jumbles Country Park boasts a beautiful parkland, reservoir and picturesque walks. The town centre itself has a traditional Victorian Park with ornamental gardens, lakes, play area and bowling green.

Away from the town centre, the borough contains traditional and more affluent areas including Heaton, Horwich, Harwood and Smithills.

ABOUT US

Bradford

(Merlin Top Primary Academy,
Ryecroft Primary Academy,

Bradford is a stylish, cosmopolitan and desirable place to live and work.

Bradford city centre is small and compact compared to neighbouring Sheffield and Leeds, but has ample car parking, and superb local bus routes linking to Bradford Interchange, the main train station which, along with Bradford Forster Square, operates main line routes to Ilkley, Keighley, Shipley, Saltaire and Bingley as well as Leeds and Manchester.

Like all northern cities Bradford delivers a dazzling range of pubs, clubs and restaurants and is famously known as the 'Curry Capital of Europe'. It also serves up many other international dishes in a mouthwatering array of eateries predominantly located around the new Centenary Square development.

Buzzing markets and shopping attracts 11 million visitors every year to the city, notably Oastler Market, with Kirkgate, Keighley and St James's Wholesale adding further retail choice. ABOUT US

Sunderland, Wearside (Red House Academy)

Sunderland in north east England is NewcastleGateshead's 'neighbour city' at the mouth of the River Wear. Football rivalry aside, there's an inseparable connect between these two thriving cities with industry being the lynchpin. Engineering and manufacturing technology and a skilled workforce have enabled Sunderland to be the Headquarters for Nissan in the UK, while Sunderland Software City has also added to Sunderland's reputation as an innovative and technological powerhouse with world-class research and infrastructure.

Sunderland has truly embossed itself on history. From the seventh century, St Peter's Church at Monkwearmouth was home to the Venerable Bede and early Christianity blossomed from here. It's also been famous for its glass making, coal mining and shipbuilding. Keel Square has been conceived to celebrate Sunderland's shipbuilding heritage with the 'Keel Line', and will contain the names of up to 9,000 ships built on the Wear, marked by the 'Propellers of the City', a 3.5m interactive sculpture featuring the images of almost 500 workers from the shipyards.

Nowadays, Sunderland's award-winning beaches and countryside in beautiful Weardale are more likely to exert pull than propellers, complemented by ample leisure opportunities including the redeveloped Sunderland Marina, now a venue for sea kayaking, canoeing and surfing; while Mowbray Park with its tropical Winter Gardens provide a green backdrop to the city.

Cultural tourism is booming too with Sunderland's Empire Theatre showcasing brilliant live acts, plays and musicals with some of the biggest names and bands playing at the Stadium of Light, also home to Sunderland Association Football Club (SAFC).

Alongside the museums and galleries are plenty of vibrant bars, clubs and great restaurants, big reasons for its popularity among students of all nationalities at Sunderland University.

A short car journey from Sunderland is the World Heritage Site of Durham, home to Durham Cathedral, one of Europe's greatest medieval buildings together with Durham Castle, which dates back to Norman times. Also, just five miles away is the imposing Penshaw Monument, built in 1844 in the Doric style as a half-size replica of the Temple of Hephaestus in Athens.

There is a hard to beat quality of life in this region with house prices below the national average. Sunderland has an aspiration to be "the most liveable city in the UK" and the quality and standard of amenities is proof.

General Issues

Your application will be assessed against the criteria listed on the person specification.

- CVs alone will not be accepted. You must complete the application form.
- Make sure all sections are completed clearly and as fully as possible.
- Make sure your application relates to the person specification.
- If you run out of space you may use additional pages.
- Make sure your application form is returned by the closing date.
- Keep a copy of your application; it will be useful to refer to for preparation if you are called for an interview.

If you have a disability that prevents you from completing the application form please contact Katie Rose, Assistant HR Advisor, at katie.rose@northerneducationtrust.org or mobile 07715 655495.

Current legislation means that you will be required to provide documentary evidence (for example National Insurance Number) showing that you are entitled to work in the United Kingdom. If you are shortlisted you will be asked to provide this at your interview.

Personal Details and References

Please complete this section fully and clearly. This is important contact information.

We need to know if you are related to an employee of the Trust. This is to ensure that you are neither disadvantaged nor favoured in your application. You must not canvass the employee to gain employment. This will disqualify your application.

Referees must be able to produce information about your suitability for the post. References provided by relatives, friends or people with whom you live with are not acceptable.

You will need to provide the names of two referees. One reference must be your current or most recent employer. The second reference should be a previous employer or someone that can give information about you that is relevant to the job. If you are a school or college leaver please give the name of your head teacher or tutor. Alternatively if you have had a Saturday or other part time job the person you worked for may be prepared to act as a referee.

It is advisable to contact your referees at an early stage to let them know that you wish to give their names and ensure that they are willing to act as a referee.

If you are shortlisted, contact will be made with the referees you supply on the application form. If, however, we should not contact a referee prior to interview, please say so on the application form.

No offer of employment will be made until references, that are satisfactory to the Trust, are received.

Job/Career History

Please state your current or last employer's name, address, telephone number, email address in full. Do not go into too much detail but list the main activities of the job.

In the previous jobs section please account for all the time since you left school, college or university. List your jobs, with the most recent first, stating month and year and mentioning any gaps in employment. Include voluntary work particularly if you have not been in paid work.

JOB APPLICATION FORM

NORTHERN EDUCATION TRUST

Qualifications and Training

List the qualifications you possess indicating grades.

List any formal, informal or on the job training you have received which you consider relevant to the post.

Some posts require the post holder to be able to travel between locations. This does not necessarily mean use of car; the actual mode of transport can vary depending on the distance to be travelled. Other posts may specify that driving is essential. For this reason you are asked to state whether or not you hold a current valid driving licence. Please complete this section fully.

Personal Statement

This is your opportunity to tell us why you are suitable for the job. Read the job description and person specification carefully to see what skills and experience you have that relate to those required by the job. Think about examples you can give to provide evidence of this.

Consider what you have done in the past; at home; at school; at college; in paid work; unpaid work; or in a hobby.

These may be useful to show how you meet the items on the person specification. For example running a home can show skills such as organising or budgeting, being active in a club or other groups can show teamwork, communication or organising skills.

Your completed application form will be used to decide whether or not you progress to the next stage of the selection process. No assumptions will be made about your experience. It is vital that you have told us how you meet the selection criteria.

Please do not forget to sign your application.
