Teaching Assistants are required to work as 1:1 and mainstream student support at Rhosnesni High School, an 11-16 Secondary school situated in the heart of Wrexham.

Do you want to make a difference to young people's education?

We are looking for enthusiastic, positive and caring individuals, with good literacy, numeracy and communication skills.

You will enjoy working with children of secondary school age.

The position is primarily working with students who require 1:1 learning support within mainstream or specialist resource based classes.

Experience of working with children with additional learning needs would be a distinct advantage, however; in house training will be provided to the right candidates.

For further information please contact Mrs Claire Dokk-Olsen, ALNCO/ Inclusion Manager for an informal chat:
