# Our Vision and Values

King's College Doha aspires to set the standard for British schools in the Middle East in its delivery of a prestigious all-round education for pupils aged 3-18.

We welcome pupils from all over the world to appreciate a first-rate British independent school education that embraces the values, ethos and excellence of our famous sister school, King's College UK.

The **King's Identity** encapsulates what makes a King's College education so special, both in the UK and in Doha. It is the 'golden thread' that binds together all pupils who walk through the gates of a King's College school:

I am **Confident** - as those who 'believe they can' will be the leaders and game-changers of the future.

I am **Creative** - and use my imagination both within and beyond the classroom to express myself and inspire others.

I am **Committed** - to giving my all in everything I do, forming the inner steel that will serve me well for a lifetime.

I am **Caring** - and combine daily acts of kindness with the firm belief that I can make a difference, locally and globally, right now.

I am **Curious** - in developing a love of learning for its own sake, so that I will leave school as an interested and interesting person.

## About King's College

Founded by Royal Charter in 1873, **King's College** is acclaimed in the UK for its outstanding academic standards and focus on the needs of the 'whole child'. It was one of the first schools globally to advocate a holistic education - one which prizes each child's identity as an individual as much as their knowledge.

**King's College Doha**, sister school to King's UK, was established in 2016 and shares the number one school ranking in Qatar. Since August 2023, King's Doha has been located at two state-of-the-art campuses in the city: the Al Thumama Campus (for Pre-Prep pupils aged 3-7) and the Mesaimeer Campus (for Prep and Senior School pupils, aged 7-18).

Both schools are committed to providing a diverse British education that is dedicated to:

- academic excellence for all;
- outstanding pastoral care and opportunities for personal development;

- a broad range of co-curricular activities as part of a fulfilling school day.

The partnership between King's College UK and King's College Doha is a great source of strength. Significant collaboration in areas such as vision and ethos, curriculum planning, professional development and co-curricular opportunities, ensures that both schools maintain the highest global standards. Through the strength of our partnership, both children and teachers in Doha benefit from the expertise and reputation that King's College has built in the UK over the past century and a half.

Both King's College schools combine an academic focus with a broad co-curricular programme, offering their pupils an extended and fulfilling day. Underpinning our curriculum is the value that we attach to pastoral care. We understand that children fulfil their potential when they feel happy, supported and at ease

in their surroundings. All members of staff work hard to build a strong sense of community and promote supportive relationships, ensuring that children know that they always have a peer or an adult to whom they can talk.

The structure of King's College Doha is as follows:

Pre-Prep School	Pre-School (EY1) - Year 2	3 - 7 years old
Prep School	Year 3 - Year 8	7 - 13 years old
Senior School	Year 9 - Year 13	13 - 18 years old

# Living in Qatar

Despite being one of the smaller Arab states in the Gulf region, Qatar has a big heart, huge ambition and a reputation for hospitality that reaches far beyond its borders. All three of these traits were recently on global display as Qatar hosted its hugely successful FIFA World Cup 2022 tournament.

Surrounded by clear, shallow waters on three coasts, Qatar has seen extraordinary growth and development over the previous two decades. Helped by its rich oil and gas reserves, Qatar now has one of the world's highest GDP per capita incomes.

Much of the country's progress has been centred on Doha, and there are few signs of this slowing. Lonely Planet articulates the sense of the excitement and energy currently felt in Doha:

*“Whether it’s the stunning and constantly changing skyline or the massive investment the Qatari authorities are making in landmark cultural icons, this is a city oozing confidence and style, as at ease in its modern shopping malls as in its traditional souqs. Wander the reinvented and fabulously*

*atmospheric Souq Waqif, wonder at the sheer beauty of the world-class Museum of Islamic Art and its exhibits or head out to Katara to explore – wherever you look, Doha is threatening to eclipse Dubai as the Gulf’s most dynamic city. Throw in a new Metro system and the 2022 FIFA World Cup, and things just keep getting better and better.”*

Doha has a huge expatriate population, drawn to the city for several reasons:

- Its growing status as a regional economic and industrial centre means there are a range of exciting job opportunities in various sectors such as healthcare, education, financial services, engineering, and hospitality.
- It is replete with all the conveniences and luxuries you would expect to find in a developed western city: international restaurants, luxury shopping malls, coffee shops, well-known supermarkets, an efficient health system and five-star hotels, to name but a few.
- Despite being a modern city, Doha

retains many traditional elements, and, through its world-famous museums and cultural centres, is a regional hub for art and music.

- Doha has much to offer for those interested in playing sports and partaking in outdoor pursuits.
- The beautiful waters of the Persian Gulf offer excellent water sports opportunities and the surrounding desert provides great conditions for pursuits such as dune bashing and quad biking. Furthermore, Doha has invested in several outstanding green park spaces and has some of the finest sports facilities in the world.
- Doha is also a regular venue for professional sporting events. Amongst others, it currently

hosts international competitions in tennis, athletics, cycling and squash, attracting leading athletes in all cases. Its reputation as a sporting hub was, of course, further enhanced by the FIFA World Cup in 2022.

There is then the rest of the world...

Doha's location makes it an amazing point from which to travel the world during the holidays. Incredible destinations in Asia, Africa, Europe and the Middle East are only a short flight away. With Qatar Airways flying direct to over 160 destinations, Doha is truly an excellent staging post.
