

Sir John Nelthorpe School  
Grammar School Road  
Brigg  
North Lincolnshire  
DN20 8AA

Head teacher: Mr R Biglands

Age Range: 11-19  
NOR: 731

Thank you for expressing an interest in this post. We are seeking to appoint a dynamic, enthusiastic and well-qualified teacher to work in a successful and supportive Humanities faculty and teach Geography across all Key Stages from September. Experience of teaching 'A' Level Geography, whilst desirable, is not essential, but it is expected that the successful candidate has the desire and ability to do so.

### **Our School**

Judged by Ofsted as Good in May 2019, Sir John Nelthorpe School is a fully inclusive mixed 11-19 voluntary controlled comprehensive school in the heart of North Lincolnshire.

In the 2018 GCSE results of particular note was the number of students achieving a pass grade (grade C) or higher in the academic group of subjects defined as the prestigious 'English Baccalaureate' (EBacc.). To achieve the EBacc, students must study English, Maths, Science, at least one Modern Foreign Language (French or German) and at least one Humanity subject (Geography or History). Sir John Nelthorpe has topped the County League Tables in this measure, ranking first place for students achieving a standard pass (grade 4) or higher and ranking in first place for those achieving a strong pass (grade 5) or higher. This year's Brigg Sixth Form results reflect not only the dedication and hard work of the teaching and support staff but also the effort made by the students with some outstanding individual performances. At A Level, the performance of students within the Brigg Sixth Form has been excellent with all students securing the grades required to be able to progress on to their chosen universities (the vast majority of these being 'Russell Group' universities) or employer and apprenticeship routes. A level study is challenging and requires determination and a real desire to succeed over two years. The school-based setting offered by Sir John Nelthorpe School offers the best opportunity for staff and students to work closely together to support the individual learner and larger-than-ever numbers of Year 11 students are choosing to continue into our Sixth Form for this reason. We are immensely proud of our year on year achievements and would love to hear from you if you feel you can help us on our journey to become outstanding.

### **We are looking for someone who:**

- consistently models excellent practice and has students' achievement and progress at the forefront of their teaching and leadership focus
- has a proven record as an excellent teacher across all key stages
- wants an exciting opportunity to work in a vibrant organisation that makes a difference to our young peoples' lives
- can make a significant positive contribution to the whole school by helping to lead and develop this strong and successful faculty

**In return you will receive:**

- the opportunity to teach well-behaved and motivated students
- a professionally stimulating and supportive working environment
- outstanding professional development with progression opportunities

The post is suitable for experienced and recently qualified teachers with excellent induction programmes available at all levels.

**Application Process:**

Applicants are requested to complete the standard North Lincolnshire Council application form and also include no more than 2 sides of A4 explaining the experience and personal qualities, which make them suitable for the post. Please note we do not accept CV's.

This vacancy provides an excellent opportunity for a forward-thinking teacher of Geography with drive and commitment who is willing to play a key role in building on the success and development of all subject areas within the faculty to become the very best they can be. The person appointed will bring enthusiasm and fresh thinking to a successful team. I look forward to receiving your application.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'R Biglands', with a stylized flourish at the end.

Mr R Biglands  
Head Teacher
