

Head of Geography The Green School for Boys

Dear prospective candidate,

Thank you for your interest in applying for the above post at The Green School for Boys. The Green School for Boys opened in September 2017 with 120 boys in year 7 and is one of two schools run by The Green School Trust – a Church of England Multi Academy Trust serving the young people of West London. The Trust's core purpose is to develop schools which expand the hearts and minds of students. The motto for The Green School for Boys is "reach beyond your grasp" which is an adaptation of a line from "Andrea del Sarto, a poem by Robert Browning, which reads "Ah, but a man's reach should exceed his grasp, or what's a heaven for". This serves to illustrate the ambition we have for our boys.

The Trust intends to appoint an aspirational and innovative Head of Geography with a passion for the subject who will drive standards of excellence, curriculum development and pedagogical approaches to inspire and motivate the boys. As our Head of Geography your role will be to bring to life the world around the boys, stimulating their interest in both physical and human aspects of geography and developing new and exciting learning experiences. Our local area provides access to the River Thames and central London creating many opportunities for fieldwork. You and your team will need to foster a culture of high expectations, achievement for all and care for each individual within a dynamic learning environment where each boy will be stretched, stimulated and supported to make excellent progress. The school has a STEAM specialism underpinned by a focus on literacy, creativity and links to industry. The school's Christian ethos and enrichment programme ensures that boys develop as well rounded confident and compassionate young men and you will be able to use your subject or personal interests to create unique learning opportunities for the boys.

Staff will be involved in all aspects of school life in order to lay strong foundations for the future. We value our staff and we work collaboratively to provide professional support, C.P.D. and sharing of good practice across both The Green School for Boys and The Green School for Girls. Staff have the opportunity to teach across both schools and deliver A level at The Green School Sixth Form. This is an exciting time to join the school, as we prepare to move into our fantastic new school building, and presents a unique opportunity to contribute to a new school in its fourth year with a highly committed and professional team who have established a strong positive ethos where every child matters.

To apply you should complete the TES application form and write a supporting statement of no more than three sides of A4 (size 11) explaining how your professional experience has prepared you for the role with reference to the person specification.

If you would like to visit the school please contact my PA Julie Hart j.hart@tgstrust.com. I very much look forward to receiving your application.

Yours sincerely,

Mrs Sally Yarrow
CEO & Executive Headteacher
The Green School Trust
