

BARNET AND SOUTHGATE COLLEGE

JOB DESCRIPTION

POST TITLE:	Main Grade Lecturer - Science (Nursing Specialism)
SALARY:	Main Grade Lecturer Scale Point 7 to 12 - £34,470 to £45,479 per annum pro rata, inclusive of Outer London weighting.
HOURS:	35 hours per week, 52 weeks per year
LOCATION:	The post holder may be required to work at any of the College's sites or partner institutions.
RESPONSIBLE TO:	Curriculum Manager for Foundation Learning and Science

CORE RESPONSIBILITIES

1. To teach in Science Department on T levels and other programmes.
2. To teach on other programmes as required.
3. To plan and carry out practical work associated with that teaching.
4. To take responsibility for accurate record keeping, effective tracking of students and prompt submission of required statistical data.
5. To contribute to subject teams by, for example, developing new curriculum materials, liaising with part time colleagues and attending team meetings.
6. To liaise with other staff and the management team as appropriate.
7. To act as a personal tutor to a range of students, if so required, and attend course tutor meetings.
8. To undertake staff development, including industrial placements, as appropriate and as required.
9. To participate in the College Appraisal Scheme.
10. To carry out other duties commensurate to the grade and scope of the post as may be required from time to time.
11. To use new learning technologies in undertaking your duties as appropriate (Barnet and Southgate College undertakes to provide training for staff to achieve relevant basic competencies where required).
12. To carry out duties at all times with due regard to the College Equal Opportunities, Health and Safety, No Smoking and Quality Management Policies.
